

Cabot Corporation Completes Sale of Specialty Fluids Business

June 28, 2019

BOSTON--(BUSINESS WIRE)--Jun. 28, 2019-- [Cabot Corporation](#) (NYSE: CBT) today announced that the Company has successfully closed the previously announced transaction to divest its Specialty Fluids business to Sinomine (Hong Kong) Rare Metals Resources Co. Limited, a wholly owned subsidiary of Sinomine Resource Group Co., Ltd., a joint stock public company based in China, principally engaged in the provision of geological exploration, mining investment and base metal chemical manufacturing.

"We are pleased to have completed the sale of the Specialty Fluids business to Sinomine at an attractive value for our shareholders. I would like to thank the Specialty Fluids team for their hard work over the years to generate strong performance for the Company, and those efforts are reflected in this transaction," said Sean Keohane, Cabot president and chief executive officer. "This transaction enables us to better focus our efforts on advantaged growth opportunities in our core businesses and further execute on our 'Advancing the Core' strategy."

At closing, Cabot received \$135 million with additional cash considerations that could include royalties of up to \$5 million for lithium products, payable over a ten-year period. There is not expected to be any material cash tax impact to the proceeds.

In fiscal 2018, earnings before interest, tax, depreciation and amortization (EBITDA) reported for the Specialty Fluids segment was \$10 million.
