# Cabot Corporation to Increase Prices Globally for all CAB-O-SIL™ Hydrophobic and Colloidal Silica Products

May 24, 2022

**BOSTON** – May 24, 2022 – Effective for all shipments on or after July 1, 2022, or as contracts allow, Cabot Corporation (NYSE: CBT) will raise prices up to 15 percent globally for all CAB-O-SIL$^{TM}$ hydrophobic and colloidal silica products.

The price increase is necessary as a result of increased costs associated with treating agents and transportation as well as higher plant operating costs.

This increase will help ensure that Cabot remains a reliable, long-term supplier of high-quality products and services. It will also enable Cabot to continue to invest in the development of new products and applications to support its customers.

**ABOUT CABOT CORPORATION**
Cabot Corporation (NYSE: CBT) is a global specialty chemicals and performance materials company, headquartered in Boston, Massachusetts. The company is a leading provider of rubber and specialty carbons, engineered elastomer composites, inkjet colorants, masterbatches and conductive compounds, fumed silica and aerogel.
