CABOT CORPORATION
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
June 30, 2023
UNAUDITED

A. Basis of Presentation

The consolidated financial statements have been prepared in conformity with accounting policies generally accepted in the United States ("U.S.") and include the accounts of Cabot Corporation ("Cabot" or the "Company") and its wholly-owned subsidiaries and majority-owned and controlled U.S. and non-U.S. subsidiaries. Additionally, Cabot considers consolidation of entities over which control is achieved through means other than voting rights. Intercompany transactions have been eliminated in consolidation.

The unaudited consolidated financial statements have been prepared in accordance with the requirements of Form 10-Q and consequently do not include all disclosures required by Form 10-K. Additional information may be obtained by referring to Cabot's Annual Report on Form 10-K for its fiscal year ended September 30, 2022 ("2022 10-K").

The financial information submitted herewith is unaudited and reflects all adjustments which are, in the opinion of management, necessary to provide a fair statement of the results for the interim periods ended June 30, 2023 and 2022. All such adjustments are of a normal recurring nature. The results for interim periods are not necessarily indicative of the results to be expected for the fiscal year.

B. Significant Accounting Policies

Recent Accounting Pronouncements

In August 2022, the U.S. government enacted the Inflation Reduction Act ("IRA") which, among other things, provides for a 1% excise tax on stock repurchases. The IRA was effective January 1, 2023. The Company's application of the statute did not have a material effect on its Consolidated Financial Statements, or its share repurchase program.

In November 2022, the FASB issued a new standard on the disclosure of supplier financing programs. The new standard requires qualitative and quantitative disclosure as to the nature and potential magnitude of such programs in addition to program activity and changes for the periods presented. The standard is effective for fiscal years beginning after December 15, 2022 and early adoption is permitted. The Company is currently evaluating the timing of adoption and the impact of the adoption of this standard on its Consolidated Financial Statements.

C. Acquisition

Tokai Carbon (Tianjin) Co.

In February 2022, the Company purchased 100% of the registered capital of Tokai Carbon (Tianjin) Co., a carbon black manufacturing facility, from Tokai Carbon Group for a net purchase price of \$9 million, consisting of cash consideration of \$14 million, including customary post-closing adjustments, and net of \$5 million of cash acquired.

The excess of the fair value of the net assets over the purchase price was recorded as a gain of \$24 million for the three months ended March 31, 2022. The Gain on bargain purchase of a business arose primarily due to equipment upgrades required after the purchase to continue to utilize the existing assets.

D. Divestitures

Sale of Purification Solutions Business

In March 2022, the Company completed the sale of its Purification Solutions business, a reporting segment of the Company, to an affiliate of funds advised by One Equity Partners for total cash proceeds of \$85 million, net of \$7 million cash transferred. The Company recognized a pre-tax impairment charge of \$197 million during the first quarter of fiscal 2022 and a pre-tax loss on sale of the Purification Solutions business of \$10 million during fiscal 2022. The purchase price of the Purification Solutions business was subject to customary post-closing adjustments, which were finalized during the first quarter of fiscal 2023 and resulted in an additional pre-tax loss on sale of \$3 million.

E. Goodwill and Intangible Assets

The carrying amount of goodwill attributable to each reportable segment and the changes in those balances during the nine months ended June 30, 2023 are as follows:

	Reinforcement Materials	Performance Chemicals	Total
	(In millions)		
Balance at September 30, 2022	\$ 46	\$ 83	\$ 129
Foreign currency impact	6	1	\$ 7
Balance at June 30, 2023	\$ 52	\$ 84	\$ 136

The following table provides information regarding the Company's intangible assets:

	June 30, 2023			September 30, 2022		
	Gross Carrying Value	Accumulated Amortization	Net Intangible Assets	Gross Carrying Value	Accumulated Amortization	Net Intangible Assets

Total intangible assets	\$ 103	\$ (40)	\$ 63	\$ 95	\$ (32)	\$ 63

Intangible assets are amortized over their estimated useful lives, which range between ten and twenty-five years, with a weighted average amortization period of approximately seventeen years. Amortization expense for each of the three months ended June 30, 2023 and 2022 was \$1 million. Amortization expense was \$4 million and \$5 million for the nine months ended June 30, 2023 and 2022, respectively. Amortization expense is included in Cost of sales, Selling and administrative expenses and Research and technical expenses in the Consolidated Statements of Operations. Total amortization expense is estimated to be approximately \$6 million each year for the next five fiscal years.

G. Contingencies

Respirator Liabilities

Cabot has exposure in connection with a safety respiratory products business that a subsidiary acquired from American Optical Corporation (“AO”) in an April 1990 asset purchase transaction. The subsidiary manufactured respirators under the AO brand and disposed of that business in July 1995. In connection with its acquisition of the business, the subsidiary agreed, in certain circumstances, to assume a portion of AO’s liabilities, including costs of legal fees together with amounts paid in settlements and judgments, allocable to AO respiratory products used prior to the 1990 purchase by the Cabot subsidiary. In exchange for the subsidiary’s assumption of certain of AO’s respirator liabilities, AO agreed to provide to the subsidiary the benefits of: (i) AO’s insurance coverage for the period prior to the 1990 acquisition and (ii) a former owner’s indemnity of AO holding it harmless from any liability allocable to AO respiratory products used prior to May 1982. As more fully described in the 2022 10-K, the respirator liabilities generally involve claims for personal injury, including asbestosis, silicosis and coal worker’s pneumoconiosis, allegedly resulting from the use of respirators that are alleged to have been negligently designed and/or labeled. At no time did this respiratory product line represent a significant portion of the respirator market. In addition to Cabot’s subsidiary, other parties are responsible for significant portions of the costs of these respirator liabilities (as defined in the 2022 10-K, the “Payor Group”). On July 26, 2022, one of the members of the Payor Group, Aearo Technologies (“Aearo”), voluntarily filed for Chapter 11 bankruptcy protection with the stated goal of establishing a trust, funded by Aearo and its parent 3M, to satisfy respirator and other unrelated claims determined to be entitled to compensation. On June 9, 2023, the court dismissed Aearo’s bankruptcy case based on motions filed by various creditors in the case. Aearo appealed the decision but did not seek to stay the dismissal, which made the dismissal effective immediately and ended the automatic bankruptcy stay. The Company will continue to monitor Aearo’s appeal; if Aearo’s appeal is successful it could reinstate the bankruptcy case.

Cabot has a reserve to cover its expected share of liabilities for pending and future respirator liability claims, which is included in Other liabilities and Accounts payable and accrued liabilities on the Consolidated Balance Sheets. The Company expects these liabilities to be incurred over a number of years. The reserve balance was \$38 million and \$39 million at June 30, 2023 and September 30, 2022, respectively.

The Company’s current estimate of the cost of its share of pending and future respirator liability claims is based on facts and circumstances existing at this time, including the number and nature of the remaining claims. Developments that could affect the Company’s estimate include, but are not limited to, (i) significant changes in the number of future claims, (ii) changes in the rate of dismissals without payment of pending claims, (iii) significant changes in the average cost of resolving claims, including potential settlements of groups of claims, (iv) significant changes in the legal costs of defending these claims, (v) changes in the nature of claims received or changes in our assessment of the viability of these claims, (vi) trial and appellate outcomes, (vii) changes in the law and procedure applicable to these claims, (viii) the financial viability of the parties that contribute to the payment of respirator claims and future developments in the now-dismissed Aearo bankruptcy proceedings while Aearo’s appeal is ongoing, (ix) exhaustion or changes in the recoverability of the insurance coverage maintained by certain members of the Payor Group, or a change in the availability of the indemnity provided by a former owner of AO, (x) changes in the allocation of costs among the various parties paying legal and settlement costs, and (xi) a determination that the assumptions that were used to estimate Cabot’s share of liability are no longer reasonable. The Company cannot determine the impact of these potential developments on its current estimate of its share of liability for existing and future claims. Because reserves are limited to amounts that are probable and estimable as of a relevant measurement date, and there is inherent difficulty in projecting the impact of potential developments on Cabot’s share of liability for these existing and future claims, it is reasonably possible that the liabilities for existing and future claims could change in the near term and that change could be material.

Value-added Tax (“VAT”) Matter

As outlined in Note S, Commitments and Contingencies of the 2022 10-K, the Company had filed legal actions challenging VAT related assessments it had received from a non-U.S. taxing authority. At such time, the Company did not believe that it was probable that it would incur a loss related to these matters. However, as the interpretation and application of the VAT rules related to the assessment are an unsettled issue it was reasonably possible to incur a loss. The Company estimated it could incur a charge that ranged between a nil amount and \$41 million. In June 2023, the Court of Justice of the European Union issued a judgement that is favorable to the Company’s position in these matters. As a result, the Company believes the possibility it will incur a loss related to these matters is remote.

Other Matters

The Company has various other lawsuits, claims and contingent liabilities arising in the ordinary course of its business and with respect to its divested businesses. The Company does not believe that any of these matters will have a material adverse effect on its financial position; however, litigation is inherently unpredictable. Cabot could incur judgments, enter into settlements or revise its expectations regarding the outcome of certain matters, and such developments could have a material impact on its results of operations in the period in which the amounts are accrued or its cash flows in the period in which the amounts are paid.

H. Insurance Recoveries

Pepinster, Belgium

In July 2021, the Company's Specialty Compounds manufacturing and research and development facility in Pepinster, Belgium experienced significant flooding. Full production, which was temporarily halted, resumed in the second quarter of fiscal 2022.

The Company agreed to a final settlement of the related insurance claim in the second quarter of fiscal 2023 and received the final proceeds in the third quarter of fiscal 2023. During the three months and nine months ended June 30, 2023 the Company received \$8 million and \$14 million of insurance proceeds, respectively. Of the insurance proceeds received, \$12 million related to fixed asset replacement and repairs is included in Cash provided by investing activities and \$2 million is included in Cash provided by operating activities for the nine months ended June 30, 2023 in the Consolidated Statements of Cash Flows. During the three and nine months ended June 30, 2023, the Company recognized gains of nil and \$9 million and loss recoveries of \$4 million and \$5 million, respectively, which are included within Cost of sales in the Consolidated Statements of Operations.

During the three and nine months ended June 30, 2022, the Company recorded additional expenses of \$1 million and \$7 million, respectively, for clean-up costs, inventory, and fixed asset impairments and simultaneously recognized a fully offsetting loss recovery from expected insurance proceeds as the Company expected insurance proceeds in excess of the total incurred costs and policy deductibles. The flood-related expenses and loss recoveries are both included within Cost of sales in the Consolidated Statements of Operations for the three and nine months ended June 30, 2022.

I. Income Tax

Effective Tax Rate

	Three Months Ended June 30		Nine Months Ended June 30	
	2023	2022	2023	2022
	(Dollars in millions)			
(Provision) benefit for income taxes	\$ (41)	\$ (49)	\$ (90)	\$ (73)
Effective tax rate	32 %	32 %	28 %	35 %

For the three months and nine months ended June 30, 2023, the (Provision) benefit for income taxes included a net discrete tax expense of \$2 million and \$3 million, respectively. For the three and nine months ended June 30, 2022, the (Provision) benefit for income taxes included a net discrete tax expense of \$14 million and a net discrete tax benefit of \$22 million, respectively, after valuation allowance. The \$22 million net benefit is primarily comprised of a benefit of \$36 million related to the Purification Solutions business divestiture, and a tax expense of \$8 million related to withholding tax accruals on historic earnings due to changes in indefinite reinvestment assertions on certain entities.

Income tax in Interim Periods

The Company records its tax provision or benefit on an interim basis using an estimated annual effective tax rate. This rate is applied to the current period ordinary income or loss to determine the income tax provision or benefit allocated to the interim period. The income tax effects of unusual or infrequent items are excluded from the estimated annual effective tax rate and are recognized in the impacted interim period. Losses from jurisdictions for which no benefit can be recognized are excluded from the overall computations of the estimated annual effective tax rate and a separate estimated annual effective tax rate is computed and applied to ordinary income or loss in the loss jurisdiction.

Valuation allowances are provided against the future tax benefits that arise from the deferred tax assets in jurisdictions for which it is expected that no benefit can be recognized. The estimated annual effective tax rate may be significantly impacted by nondeductible expenses and the Company's projected earnings mix by tax jurisdiction. Adjustments to the estimated annual effective income tax rate are recognized in the period when such estimates are revised.

Uncertainties

Cabot and certain subsidiaries are under audit in a number of jurisdictions. In addition, certain statutes of limitations are scheduled to expire in the near future. It is reasonably possible that a change in the unrecognized tax benefits may also occur within the next twelve months related to the settlement of one or more of these audits or the lapse of applicable statutes of limitations. However, an estimated range of the impact on the unrecognized tax benefits cannot be quantified at this time.

Cabot files U.S. federal and state and non-U.S. income tax returns in jurisdictions with varying statutes of limitations. The 2020 through 2022 tax years generally remain subject to examination by the IRS and various tax years from 2013 through 2022 remain subject to examination by the respective state tax authorities. In foreign jurisdictions, various tax years from 2005 through 2022 remain subject to examination by their respective tax authorities.

During the three and nine months ended June 30, 2023, Cabot released uncertain tax positions of a nil amount and \$1 million, respectively, due to the expiration of statutes of limitations in various jurisdictions. During the three and nine months ended June 30, 2022, Cabot released uncertain tax positions of a nil amount and \$2 million, respectively, due to the expiration of statutes of limitations in various jurisdictions.

J. Earnings Per Share

The following tables summarize the components of the basic and diluted earnings (loss) per common share ("EPS") computations:

Earnings (loss) per common share - diluted:	\$ 1.43	\$ 1.69	\$ 3.65	\$ 1.99

⁽¹⁾ Participating securities consist of shares underlying unvested time-based restricted stock units (the "TSUs"), earned and unvested performance-based restricted stock units (the "PSUs", and referred to in this note collectively with the TSUs as the "RSUs"), stock units accounted for under the Supplemental 401(k) Plan portion of the Company's Deferred Compensation and Supplemental Retirement Plan, and stock units and phantom stock units accounted for under the Company's Non-Employee Directors' Deferral Plan. The holders of RSUs are entitled to receive dividend equivalents, payable in cash, to the extent dividends are paid on the outstanding shares of Common Stock, and equal in value to the dividends that would have been paid in respect of the Common Stock underlying the RSU. The accounts of holders of stock units and phantom stock units are credited with dividend equivalents, which are payable, in stock or cash, as the case may be, with the distribution of account balances.

Undistributed earnings are the earnings which remain after dividends declared during the period are assumed to be distributed to the common and participating shareholders. Undistributed earnings are allocated to common and participating shareholders on the same basis as dividend distributions. The calculation of undistributed earnings is as follows:

	Three Months Ended June 30		Nine Months Ended June 30	
	2023	2022	2023	2022
	(In millions)			
Calculation of undistributed earnings (loss):				
Net income (loss) attributable to Cabot Corporation	\$ 82	\$ 97	\$ 211	\$ 115
Less: Dividends declared on common stock	23	21	64	63
Less: Dividends declared on participating securities	—	—	1	1
Undistributed earnings (loss)	<u>\$ 59</u>	<u>\$ 76</u>	<u>\$ 146</u>	<u>\$ 51</u>
Allocation of undistributed earnings (loss):				
Undistributed earnings (loss) allocated to common shareholders	\$ 58	\$ 75	\$ 143	\$ 50
Undistributed earnings allocated to participating shareholders	1	1	3	1
Undistributed earnings (loss)	<u>\$ 59</u>	<u>\$ 76</u>	<u>\$ 146</u>	<u>\$ 51</u>

- (2) Undistributed earnings are adjusted for the assumed distribution of dividends to the dilutive securities, which are described in (3) below, and then reallocated to participating securities.
- (3) Represents incremental shares of common stock from the assumed exercise of stock options issued under Cabot's equity incentive plans. For the three and nine months ended June 30, 2023, 156,550 and 133,039 incremental shares of common stock were excluded from the calculation of diluted earnings per share because the inclusion of these shares would have been antidilutive. For the three and nine months ended June 30, 2022, 169,425 and 204,796 incremental shares of common stock were excluded from the calculation of diluted earnings per share because the inclusion of these shares would have been antidilutive.

K. Financial Instruments and Fair Value Measurements

The FASB authoritative guidance on fair value measurements defines fair value, provides a framework for measuring fair value, and requires certain disclosures about fair value measurements. The required disclosures focus on the inputs used to measure fair value. The guidance establishes the following hierarchy for categorizing these inputs:

- Level 1 — Quoted market prices in active markets for identical assets or liabilities
- Level 2 — Significant other observable inputs (e.g., quoted prices for similar items in active markets, quoted prices for identical or similar items in markets that are not active, inputs other than quoted prices that are observable such as interest rate and yield curves, and market-corroborated inputs)
- Level 3 — Significant unobservable inputs

There were no transfers of financial assets or liabilities measured at fair value between Level 1 and Level 2 and there were no Level 3 investments during the first nine months of either fiscal 2023 or 2022.

At June 30, 2023 and September 30, 2022, the fair values of cash and cash equivalents, accounts and notes receivable, accounts payable and accrued liabilities, and short-term borrowings and variable rate debt approximated their carrying values due to the short-term nature of these instruments. Each of these financial asset and liability categories is classified as Level 1 within the fair value hierarchy.

At June 30, 2023 and September 30, 2022, Cabot had derivatives relating to foreign currency risks, including a net investment hedge and forward foreign currency contracts, carried at fair value. At June 30, 2023, the fair value of these derivatives was a net asset of \$8 million and was included in Prepaid expenses and other current assets, Accounts payable and accrued liabilities, and Other assets on the Consolidated Balance Sheets. At September 30, 2022, the fair value of these derivatives was a net asset of \$28 million and was included in Prepaid expenses and other current assets, Accounts payable and accrued liabilities, and Other assets on the Consolidated Balance Sheets. These derivatives are classified as Level 2 instruments within the fair value hierarchy as the fair value determination was based on observable inputs.

At June 30, 2023 and September 30, 2022, the fair value of guaranteed investment contracts included in Other assets on the Consolidated Balance Sheets was \$9 million and \$8 million, respectively. Guaranteed investment contracts were classified as Level 2 instruments within the fair value hierarchy as the fair value determination was based on other observable inputs.

The carrying value and fair value of the long-term fixed rate debt were \$1.08 billion and \$1.07 billion, respectively, as of June 30, 2023 and \$1.08 billion and \$1.06 billion, respectively, as of September 30, 2022. The fair values of Cabot's fixed rate long-term debt are estimated based on comparable quoted market prices at the respective period ends. The carrying amounts of Cabot's floating rate long-term debt and finance and operating lease obligations approximate their fair values. All such measurements are based on observable inputs and are classified as Level 2 within the fair value hierarchy. The valuation technique used is the discounted cash flow model.

L. Financial Information by Segment

The Company identifies a product line as an operating segment if: i) it engages in business activities from which it may earn revenues and incur expenses; ii) its operating results are regularly reviewed by the Chief Operating Decision Maker ("CODM"), who is Cabot's President and Chief Executive Officer, to make decisions about resources to be allocated to the segment and assess its performance; and iii) it has available discrete financial information. The CODM reviews financial information at the operating segment level to allocate resources and to assess the operating results and financial performance for each operating segment. Operating segments are aggregated into a reportable segment if the operating segments are determined to have similar economic characteristics and if the operating segments are similar in the following areas: i) nature of products and services; ii) nature of production processes; iii) type or class of customer for their products and services; iv) methods used to distribute the products or provide services; and v) if applicable, the nature of the regulatory environment.

The Company has two reportable segments consisting of Reinforcement Materials and Performance Chemicals. The Company's former Purification Solutions business was a separate reporting segment prior to divestiture in the second quarter of fiscal 2022.

The Reinforcement Materials segment combines the reinforcing carbons and engineered elastomer composites product lines.

The Performance Chemicals segment aggregates the specialty carbons, specialty compounds, fumed metal oxides, battery materials, inkjet colorants, and aerogel product lines. These businesses are similar in terms of economic characteristics, nature of products, processes, customer class and product distribution methods, and therefore have been aggregated into one reportable segment.

The Purification Solutions segment consisted of the Company's activated carbon business.

Income (loss) before income taxes ("Segment EBIT") is presented for each reportable segment in the table below. Segment EBIT excludes Interest expense, general unallocated income (expense), unallocated corporate costs, and certain items, meaning items management does not consider representative of on-going operating segment results. In addition, Segment EBIT includes Equity in earnings of affiliated companies, net of tax, royalties, Net income attributable to noncontrolling interests, net of tax, and discounting charges for certain Notes receivable.

Financial information by reportable segment is as follows:

- (1) Unallocated and Other includes certain items and eliminations necessary to reflect management's reporting of operating segment results. These items are reflective of the segment reporting presented to the CODM.
- (2) Beginning in fiscal 2023, the Company began allocating energy center by-product revenue within the applicable segment's Revenue from external customers. The Company recast prior period financial information to conform to the new presentation. The allocation of such revenue resulted in an increase of \$23 million in the Reinforcement Materials segment and \$4 million in the Performance Chemicals segment, respectively, with an offsetting decrease in Unallocated and Other revenue for the three months ended June 30, 2022. The allocation of such revenue resulted in an increase of \$72 million in the Reinforcement Materials segment and \$11 million in the Performance Chemicals segment, respectively, with an offsetting decrease in Unallocated and Other revenue for the nine months ended June 30, 2022. There was no impact to the Consolidated Total Revenues from external customers.
- (3) Consolidated Total Revenues from external customers reconciles to Net sales and other operating revenues on the Consolidated Statements of Operations. Revenues from external customers that are categorized as Unallocated and Other reflects royalties, external shipping and handling fees, the impact of unearned revenue, discounting charges for certain Notes receivable, and other by-product revenue. Details are provided in the table below:

- (a) Certain items are items of expense and income that management does not consider representative of the Company's fundamental on-going segment results and they are, therefore, excluded from Segment EBIT.
- (b) Unallocated corporate costs are costs that are not controlled by the segments and primarily benefit corporate interests.
- (c) General unallocated income (expense) consists of gains (losses) arising from foreign currency transactions, net of other foreign currency risk management activities, Interest and dividend income, the profit or loss related to the corporate adjustment for unearned revenue and unrealized holding gains (losses) for investments.
- (d) Equity in earnings of affiliated companies, net of tax, is included in Segment EBIT and is removed in Unallocated and other to reconcile to Income (loss) from operations before income taxes and equity in earnings from affiliated companies.

The Company's segments operate globally. In addition to presenting Revenue from external customers by reportable segment, the following tables further disaggregate Revenues from external customers by geographic region.

Critical Accounting Policies

Our critical accounting policies have not substantially changed from those described in the 2022 10-K.

Recently Issued Accounting Pronouncements

Refer to the discussion under the heading "Recent Accounting Pronouncements" in Note B of our Notes to the Consolidated Financial Statements.

Results of Operations

The Company has two reportable segments: Reinforcement Materials and Performance Chemicals. The Company's former Purification Solutions business was a separate reporting segment prior to divestiture in the second quarter of fiscal 2022. Cabot is also organized for operational purposes into three geographic regions: the Americas; Europe, Middle East and Africa ("EMEA"); and Asia Pacific. The discussion of our results of operations for the periods presented reflects these structures.

Our analysis of our financial condition and operating results should be read with our consolidated financial statements and accompanying notes.

Definition of Terms and Non-GAAP Financial Measures

When discussing our results of operations, we use several terms as described below.

The term "product mix" refers to the mix of types and grades of products sold or the mix of geographic regions where products are sold, and the positive or negative impact this has on the revenue or profitability of the business and/or segment.

Our discussion under the heading "(Provision) Benefit for Income Taxes and Reconciliation of Effective Tax Rate to Operating Tax Rate" includes a discussion and reconciliation of our "effective tax rate" and our "operating tax rate" for the periods presented, as well as management's projection of our operating tax rate range for the full fiscal year. Our operating tax rate is a non-GAAP financial measure and should not be considered as an alternative to our effective tax rate, the most comparable GAAP financial measure. The operating tax rate is calculated based upon management's forecast of the annual operating tax rate for the fiscal year applied to adjusted pre-tax earnings. The operating tax rate excludes income tax (expense) benefit on certain items, discrete tax items and, on a quarterly basis the timing of losses in certain jurisdictions. The income tax (expense) benefit on certain items is determined using the applicable rates in the taxing jurisdictions in which the certain items occurred and includes both current and deferred income tax (expense) benefit based on the nature of the certain items. Discrete tax items include, but are not limited to, changes in valuation allowance, uncertain tax positions, and other tax items, such as the tax impact of legislative changes and tax accruals on historic earnings due to changes in indefinite reinvestment assertions. Our definition of the operating tax rate may not be comparable to the definition used by other companies. Management believes that this non-GAAP financial measure is useful supplemental information because it helps our investors compare our tax rate year to year on a consistent basis and to understand what our tax rate on current operations would be without the impact of these items.

Our discussion under the heading "Third Quarter of Fiscal 2023 versus Third Quarter of Fiscal 2022—By Business Segment" includes a discussion of Total segment EBIT, which is a non-GAAP financial measure defined as Income (loss) before income taxes and equity in earnings from affiliated companies less certain items and other unallocated items. Our Chief Operating Decision Maker, who is our President and Chief Executive Officer, uses segment EBIT to evaluate the operating results of each segment and to allocate resources to the segments. We believe Total segment EBIT, which reflects the sum of EBIT from our reportable segments, provides useful supplemental information for our investors as it is an important indicator of our operational strength and performance, allows investors to see our results through the eyes of management, and provides context for our discussion of individual business segment performance. Our definition of Total segment EBIT may not be comparable to the definition used by other companies and it should not be considered an alternative for Income (loss) before income taxes and equity in earnings of affiliated companies, which is the most directly comparable GAAP financial measure. A reconciliation of Total segment EBIT to Income (loss) before income taxes and equity in earnings of affiliated companies is provided under the heading "Third quarter of Fiscal 2023 versus Third quarter of Fiscal 2022—By Business Segment". Investors should consider the limitations associated with this non-GAAP measure, including the potential lack of comparability of this measure from one company to another.

In calculating Total segment EBIT, we exclude from our Income (loss) before income taxes and equity in earnings of affiliated companies (i) items of expense and income that management does not consider representative of our fundamental on-going segment results, which we refer to as “certain items”, and (ii) items that, because they are not controlled by the business segments and primarily benefit corporate objectives, are not allocated to our business segments, such as interest expense and other corporate costs, which include unallocated corporate overhead expenses such as certain corporate salaries and headquarter expenses, plus costs related to special projects and initiatives, which we refer to as “other unallocated items”. Management believes excluding the items identified as certain items facilitates operating performance comparisons from period to period by eliminating differences that would not otherwise be apparent on a GAAP basis and also facilitates an evaluation of our operating performance without the impact of these costs or benefits. The items of income and expense that we exclude from Total segment EBIT but that are included in our GAAP Income (loss) before income taxes and equity in earnings of affiliated companies, as applicable in a particular reporting period, include, but are not limited to, the following:

- Asset impairment charges, which primarily include charges associated with an impairment of goodwill, other long-lived assets or assets held for sale.
- Charges related to the divestiture of our Purification Solutions business, which include accelerated costs associated with the change in control and employee incentive compensation.
- Legal and environmental reserves and matters, which consist of costs or benefits for matters typically related to former businesses or that are otherwise incurred outside of the ordinary course of business.
- Global restructuring activities, which include costs or benefits associated with cost reduction initiatives or plant closures and are primarily related to (i) employee termination costs, (ii) asset impairment charges associated with restructuring actions, (iii) costs to close facilities, including environmental costs and contract termination penalties, and (iv) gains realized on the sale of land or equipment associated with restructured plants or locations.
- Acquisition and integration-related charges, which include transaction costs, redundant costs incurred during the period of integration, and costs associated with transitioning certain management and business processes to Cabot’s processes.
- Gains (losses) on sale of a business.
- Gain associated with the bargain purchase of a business.
- Gain realized on the sale of land.

Overview

During the third quarter of fiscal 2023, Income (loss) before income taxes and equity in earnings of affiliated companies decreased compared to the third quarter of fiscal 2022 due to a reduction in earnings in our Performance Chemicals segment partially offset by stronger results in our Reinforcement Materials segment.

Third quarter of Fiscal 2023 versus Third quarter of Fiscal 2022—Consolidated

Net Sales and Other Operating Revenues and Gross Profit

	Three Months Ended June 30		Nine Months Ended June 30	
	2023	2022	2023	2022
	(In millions)			
Net sales and other operating revenues	\$ 968	\$ 1,149	\$ 2,966	\$ 3,209
Gross profit	\$ 223	\$ 235	\$ 614	\$ 665

The \$181 million decrease in net sales and other operating revenues in the third quarter of fiscal 2023 compared to the third quarter of fiscal 2022 was driven by lower volumes in both segments (\$92 million), unfavorable price and product mix (combined \$56 million), the negative impact from foreign currency translation (\$19 million), and lower by-product revenue (\$8 million).

The \$243 million decrease in net sales and other operating revenues in the first nine months of fiscal 2023 compared to the first nine months of fiscal 2022 was primarily driven by lower volumes (\$198 million) the unfavorable impact from foreign currency translation (\$130 million), the impact of the divestiture of our Purification Solutions business in fiscal 2022 (\$97 million) and lower by-product revenue (\$22 million). These decreases were partially offset by favorable price and product mix (combined \$217 million) primarily in our Reinforcement Materials segment.

For the three and nine months ended June 30, 2023, gross profit decreased by \$12 million and \$51 million, respectively, compared to the same periods of fiscal 2022. The decrease was primarily due to lower volumes and higher fixed costs, partially offset by higher unit margins in our Reinforcement Materials segment.

Selling and Administrative Expenses

	Three Months Ended June 30		Nine Months Ended June 30	
	2023	2022	2023	2022
	(In millions)			
Selling and administrative expenses	\$ 58	\$ 51	\$ 184	\$ 196

Selling and administrative expenses increased by \$7 million in the third quarter of fiscal 2023 and decreased by \$12 million for the nine months ended June 30, 2023, compared to the same periods of fiscal 2022.

The increase in selling and administrative expenses in the third quarter of fiscal 2023 compared to the third quarter of fiscal 2022 was primarily due to a \$17 million benefit from the sale of land in the fiscal 2022 period, partially offset by a decrease in the incentive compensation accrual for the fiscal 2023 period.

The decrease in selling and administrative expenses in the first nine months of fiscal 2023 compared to the first nine months of fiscal 2022 was primarily due to a decrease in the incentive compensation accrual for the fiscal 2023 period and prior year charges related to the Purification Solutions divestiture and our legal reserve for respirator matters, partially offset by the benefit from the sale of land in the fiscal 2022 period.

Research and Technical Expenses

	Three Months Ended June 30		Nine Months Ended June 30	
	2023	2022	2023	2022
	(In millions)			
Research and technical expenses	\$ 15	\$ 14	\$ 43	\$ 41

Research and technical expenses increased by \$1 million and \$2 million for the third quarter and the first nine months of fiscal 2023, respectively, compared to the same periods of fiscal 2022.

Interest and Dividend Income, Interest Expense and Other Income (Expense)

	Three Months Ended June 30		Nine Months Ended June 30	
	2023	2022	2023	2022
	(In millions)			
Interest and dividend income	\$ 7	\$ —	\$ 22	\$ 7
Interest expense	\$ (24)	\$ (15)	\$ (69)	\$ (38)
Other income (expense)	\$ (3)	\$ (1)	\$ (13)	\$ (9)

Interest and dividend income increased by \$7 million and \$15 million in the three and nine months ended June 30, 2023, respectively, compared to the same periods of fiscal 2022, primarily due to higher interest rates.

Interest expense increased by \$9 million and \$31 million in the three and nine months ended June 30, 2023, respectively, compared to the same periods of fiscal 2022, primarily due to higher interest rates.

Other expense increased by \$2 million and \$4 million in the third quarter of fiscal 2023 and the first nine months of fiscal 2023, respectively, compared to the same periods of fiscal 2022, driven by higher foreign currency losses, primarily in Argentina, partially offset by an increase in investment income in Argentina and Brazil.

Less: Non-GAAP tax adjustments ⁽¹⁾	3		29	
Operating tax rate	\$ (93)	28%	\$ (102)	26%

⁽¹⁾ Non-GAAP tax adjustments made to arrive at the operating tax provision include the income tax (expense) benefit on certain items, discrete tax items, and, on a quarterly basis, the timing of losses in certain jurisdictions, as further described above under the heading "Definition of Terms and Non-GAAP Financial Measures".

For the three months ended June 30, 2023, the (Provision) benefit for income taxes was a provision of \$41 million compared to \$49 million for the same period in 2022. For the nine months ended June 30, 2023, the (Provision) benefit for income taxes was a provision of \$90 million compared to \$73 million for the same period in 2022. Included in the (Provision) benefit for income taxes in the nine months ended June 30, 2022 is a net discrete tax benefit of \$22 million primarily comprised of \$36 million related to the divestiture of the Purification Solutions business, and a tax expense of \$8 million related to withholding tax accruals on historic earnings due to changes in indefinite reinvestment assertion on certain entities. Our income taxes are affected by the mix of earnings in the tax jurisdictions in which we operate, and by the presence of valuation allowances in certain tax jurisdictions.

For fiscal 2023, the Operating tax rate is expected to be in the range of 27% to 29%. We are not providing a forward-looking reconciliation of the operating tax rate range with an effective tax rate range because, without unreasonable effort, we are unable to predict with reasonable certainty the matters we would allocate to "certain items," which have historically included unusual gains and losses, costs associated with future restructurings, acquisition-related expenses and litigation outcomes. Matters allocated to certain items are unpredictable, depend on various factors, and could have a material impact on the effective tax rate in future periods.

We regularly evaluate the realizability of our net deferred tax assets. As of June 30, 2023, substantially all our U.S. deferred tax assets, net of deferred tax liabilities, were subject to valuation allowances. There is a reasonable possibility that within the next twelve months, sufficient positive evidence may become available to reach a conclusion that all or a significant portion of the valuation allowances will no longer be required. Such a release would result in a material non-cash income tax benefit in our Consolidated Statement of Operations in the period of release and an increase of net deferred tax assets on our Consolidated Balance Sheet.

Net Income (Loss) Attributable to Noncontrolling Interests

	Three Months Ended June 30		Nine Months Ended June 30	
	2023	2022	2023	2022
	(In millions)			
Equity in earnings of affiliated companies, net of tax	\$ 1	\$ 3	\$ 4	\$ 7
Net income (loss) attributable to noncontrolling interests, net of tax	\$ 8	\$ 9	\$ 27	\$ 25

Equity in earnings of affiliated companies, net of tax, decreased by \$2 million and \$3 million in the third quarter and the first nine months of fiscal 2023, respectively, compared to the same periods of fiscal 2022 primarily due to lower profitability at our equity affiliate in India.

Net income (loss) attributable to noncontrolling interests, net of tax, decreased by \$1 million in the third quarter and increased by \$2 million for the nine months ended June 30, 2023, compared to the same periods of fiscal 2022. The lower income for the three month period was primarily due to the lower profitability of our joint ventures in China. The higher income for the nine month period was primarily due to the higher profitability of our joint venture in the Czech Republic.

Net Income Attributable to Cabot Corporation

In the third quarter and first nine months of fiscal 2023, we reported Net income (loss) attributable to Cabot Corporation of \$82 million and \$211 million, or \$1.43 per diluted common share and \$3.65 per diluted common share, respectively. This compares to Net income (loss) attributable to Cabot Corporation of \$97 million and \$115 million, or \$1.69 per diluted common share and \$1.99 per diluted common share, respectively, in the third quarter and first nine months of fiscal 2022. The lower net income in the third quarter of fiscal 2023 compared with the same period in fiscal 2022 is primarily due to lower volumes and higher fixed costs partially offset by higher unit margins. The higher net income in the first nine months of fiscal 2023 compared with the same period in fiscal 2022 is primarily due to an impairment charge associated with the divestiture of Purification Solutions in fiscal 2022 that did not reoccur in fiscal 2023.

Third quarter of Fiscal 2023 versus Third quarter of Fiscal 2022—By Business Segment

Income (loss) before income taxes and equity in earnings of affiliated companies, certain items, other unallocated items, and Total segment EBIT for the three and nine months ended June 30, 2023 and 2022 are set forth in the table below. The details of certain items and other unallocated items are shown below and in Note L of our Notes to the Consolidated Financial Statements.

	Three Months Ended June 30		Nine Months Ended June 30	
	2023	2022	2023	2022
	(In millions)			
Income (loss) before income taxes and equity in earnings of affiliated companies	\$ 130	\$ 152	\$ 324	\$ 206
Less: Certain items	(1)	12	(7)	(185)
Less: Other unallocated items	(33)	(36)	(106)	(93)
Total segment EBIT	\$ 164	\$ 176	\$ 437	\$ 484

In the third quarter of fiscal 2023, Income (loss) before income taxes and equity in earnings of affiliated companies decreased by \$22 million and Total segment EBIT decreased by \$12 million. The decreases in Income (loss) before income taxes and equity earnings of affiliated companies and in Total segment EBIT were driven by lower volumes, higher fixed costs and the unfavorable impact of foreign currency movements partially offset by higher unit margins in Reinforcement Materials. Lower volumes in the Reinforcement Materials (\$19 million) and Performance Chemicals segments (\$20 million) were primarily due to demand softness in key end markets. Higher unit margins in the Reinforcement Materials segment (\$42 million) were primarily due to improved pricing and product mix in our annual tire customer agreements.

In the first nine months of fiscal 2023, Income (loss) before income taxes and equity in earnings of affiliated companies increased by \$118 million. The increase is primarily due to the Purification Solutions loss on sale and asset impairment charge of \$206 million in fiscal 2022, partially offset by the gain on the Tokai Carbon acquisition of \$24 million that did not reoccur in fiscal 2023. Total segment EBIT decreased by \$47 million in the first nine months of fiscal 2023 as compared to the same period in fiscal 2022 driven by lower volumes, higher fixed costs and the unfavorable impact of foreign currency movements in both segments, partially offset by higher unit margins in Reinforcement Materials. Lower volumes in the Reinforcement Materials (\$44 million) and Performance Chemicals segments (\$48 million) were primarily due to demand softness in key end markets and destocking. Higher unit margins in the Reinforcement Materials segment (\$130 million) were primarily due to improved pricing and product mix in our annual tire customer agreements.

Certain Items

Details of the certain items for the three and nine months ended June 30, 2023 and 2022 are as follows:

Less: Equity in earnings of affiliated companies, net of tax	1	3	4	7
Total other unallocated items	\$ (33)	\$ (36)	\$ (106)	\$ (93)

A discussion of items that we refer to as “other unallocated items” can be found under the heading “Definition of Terms and Non-GAAP Financial Measures”. The balances of unallocated corporate costs are primarily comprised of expenditures related to managing a public company that are not allocated to the segments and corporate business development costs related to ongoing corporate projects. The balances of General unallocated income (expense) consist of gains (losses) arising from foreign currency transactions, net of other foreign currency risk management activities, the profit or loss related to the corporate adjustment for unearned revenue and unrealized holding gains (losses) for investments.

Reinforcement Materials

Sales and EBIT for Reinforcement Materials for the third quarter and first nine months of fiscal 2023 and 2022 were as follows:

	Three Months Ended June 30		Nine Months Ended June 30	
	2023	2022	2023	2022
	(In millions)			
Reinforcement Materials Sales	\$ 624	\$ 730	\$ 1,939	\$ 1,947
Reinforcement Materials EBIT	\$ 132	\$ 113	\$ 348	\$ 299

Sales in Reinforcement Materials decreased by \$106 million in the third quarter of fiscal 2023 compared to the same period of fiscal 2022, primarily due to lower volumes (\$59 million), less favorable price and product mix (combined \$29 million) the unfavorable impact from foreign currency translation (\$12 million) and lower by-product revenue (\$5 million). The less favorable price and product mix was primarily due to lower feedstock costs that are generally passed through to our customers. Volumes were lower across all regions primarily due to lower replacement tire demand.

In the first nine months of fiscal 2023, sales in Reinforcement Materials decreased by \$8 million compared to the first nine months of fiscal 2022. The decrease was primarily due to lower volumes (\$130 million), the unfavorable impact from foreign currency translation (\$88 million) and lower by-product revenue (\$15 million), partially offset by improved price and product mix (combined \$225 million). Lower volumes were primarily due to lower replacement tire demand and customer destocking. The improved price and product mix was primarily due to favorable 2022 and 2023 calendar year customer agreements.

EBIT in Reinforcement Materials in the third quarter of fiscal 2023 increased by \$19 million compared to the same period of fiscal 2022. During the third quarter of fiscal 2023, the segment had higher unit margins, net of higher costs (\$38 million), partially offset by lower volumes (\$19 million) and the unfavorable impact from foreign currency translation (\$1 million). The higher unit

margins were primarily driven by favorable pricing and product mix in the 2023 calendar year customer agreements. Volumes were lower across all regions primarily due to lower replacement tire demand.

EBIT in Reinforcement Materials increased by \$49 million in the first nine months of fiscal 2023 compared to the same period of fiscal 2022. The increase was driven by higher unit margins, net of higher costs (\$99 million) partially offset by lower volumes (\$44 million) and the unfavorable impact from foreign currency translation (\$6 million). The higher unit margins were primarily driven by favorable pricing and product mix in the 2022 and 2023 calendar year customer agreements. Volumes were lower across all regions primarily due to lower replacement tire demand and destocking at our major tire customers.

As we look to the fourth quarter of the fiscal year, we expect EBIT to decrease sequentially due to seasonally lower volumes in Europe and higher fixed costs related to the timing of maintenance activities.

Performance Chemicals

Sales and EBIT for Performance Chemicals for the third quarter and first nine months of fiscal 2023 and 2022 were as follows:

	Three Months Ended June 30		Nine Months Ended June 30	
	2023	2022	2023	2022
	(In millions)			
Performance Chemicals Sales	\$ 307	\$ 376	\$ 919	\$ 1,045
Performance Chemicals EBIT	\$ 32	\$ 63	\$ 89	\$ 185

Sales in Performance Chemicals decreased by \$69 million in the third quarter of fiscal 2023 compared to the same period of fiscal 2022, primarily due to lower volumes (\$32 million), less favorable pricing and product mix (\$27 million), the unfavorable impact of foreign currency translation (\$6 million) and lower by-product revenue (\$2 million). The lower volumes in the third quarter of fiscal 2023 were driven by demand softness in key end markets, particularly in our fumed metal oxides product line. The less favorable product mix was due to less favorable product mix in our battery materials and specialty carbons product lines.

In the first nine months of fiscal 2023, sales in Performance Chemicals decreased by \$126 million compared to the same period of fiscal 2022 due to lower volumes (\$68 million), the unfavorable impact of foreign currency translation (\$42 million), lower by-product revenue (\$7 million) and less favorable pricing and product mix (\$9 million). The lower volumes were primarily due to customer destocking, demand softness in key end markets and the impact from COVID-19 outbreaks in China.

EBIT in Performance Chemicals decreased by \$31 million in the third quarter of fiscal 2023 compared to the third quarter of fiscal 2022, due to lower volumes (\$20 million), lower unit margins (\$9 million) and higher costs associated with the unfavorable impact of the reduction in inventory levels (\$4 million). The lower volumes in the third quarter of fiscal 2023 were driven by demand softness across all regions. Lower unit margins were primarily due to less favorable product mix in the specialty carbons and battery materials product lines.

EBIT in Performance Chemicals decreased by \$96 million in the first nine months of fiscal 2023 compared to the same period of fiscal 2022, due to lower volumes (\$48 million), lower unit margins (\$24 million), the unfavorable impact of a reduction in inventory levels (\$15 million) and the unfavorable impact of foreign currency translation (\$9 million). Lower unit margins were largely due to less favorable product mix in the specialty carbons and battery materials product lines. The segment also experienced higher costs associated with the unfavorable impact of reduction in inventory levels (\$15 million). Lower volumes were driven by customer destocking, demand softness in key end markets, and the impact from COVID-19 outbreaks in China.

As we look ahead to the fourth quarter of the fiscal year, we expect EBIT to improve sequentially due to higher volumes in our battery materials and inkjet product lines.

Purification Solutions

Sales and EBIT for Purification Solutions for the third quarter and first nine months of fiscal 2023 and 2022 were as follows:

We divested the Purification Solutions business in March 2022. Refer to Note D of our Notes to the Consolidated Financial Statements.

Liquidity and Capital Resources

Overview

Our liquidity position, as measured by cash and cash equivalents plus borrowing availability, increased by \$233 million during the first nine months of fiscal 2023, which was primarily due to a higher cash balance, lower outstanding commercial paper and the impact of foreign currency rates partially offset by increased borrowing on the Euro Credit Agreement (as defined below). As of June 30, 2023, we had cash and cash equivalents of \$220 million and borrowing availability under our revolving credit agreements of \$1.1 billion.

We have access to borrowings under the following two credit agreements:

- \$1 billion unsecured revolving credit agreement (the "U.S. Credit Agreement") with JPMorgan Chase Bank, N.A., as Administrative Agent, Citibank, N.A., as Syndication Agent, and the other lenders party thereto, which matures in August 2026, subject to a one-year option to extend the maturity, exercisable on or prior to August 6, 2023. Effective August 4, 2023, we closed on the one-year option extending the maturity date to August 2027. The U.S. Credit Agreement supports our issuance of commercial paper, and borrowings under it may be used for working capital, letters of credit and other general corporate purposes.
- Effective May 17, 2023, we amended and restated our €300 million unsecured revolving credit agreement (the "Euro Credit Agreement", and together with the U.S. Credit Agreement, the "Credit Agreements"), changing the Administrative Agent, updating the Designated Borrowers (as defined therein). The Euro Credit Agreement with PNC Bank, National Association, as Administrative Agent, and the other lenders party thereto, matures in August 2027. Borrowings under the Euro Credit Agreement may be used for the repatriation of earnings of our foreign subsidiaries to the United States, the repayment of indebtedness of our foreign subsidiaries owing to us or any of our subsidiaries and for working capital and general corporate purposes.

As of June 30, 2023, we were in compliance with the debt covenants under the Credit Agreements, which, with limited exceptions, require us to comply on a quarterly basis with a leverage test requiring the ratio of consolidated net debt to consolidated EBITDA not to exceed 3.50 to 1.00. Consolidated net debt is defined as consolidated debt offset by the lesser of (i) unrestricted cash and cash equivalents and (ii) \$150 million.

A significant portion of our business occurs outside the U.S. and our cash generation does not always align geographically with our cash needs. The vast majority of our cash and cash equivalent holdings tend to be held outside the U.S. We generally use a combination of U.S. earnings, repatriation of certain foreign earnings, commercial paper issuances and borrowings under our U.S. Credit Agreement to meet our U.S. cash needs. With the exception of Argentina, which has currency controls that prevent the distribution of cash, we are generally able to move cash throughout the Company through our cash pooling structures, intercompany accounts and/or distributions, as needed. Although we repatriate certain foreign earnings, cash held by foreign subsidiaries is generally considered permanently reinvested and is used to finance the subsidiaries' operational activities and future investments. We usually reduce our commercial paper balance and, if applicable, borrowings under our Credit Agreements, at quarter-end using cash derived from customer collections, settlement of intercompany balances and short-term intercompany loans. If additional funds are needed in the U.S., we expect to be able to repatriate cash, including cash from China, while paying any withholding or other taxes. Changes in tax laws in the U.S. or foreign countries could restrict our ability to transfer funds or impose material costs on such transfers.

As of June 30, 2023, we had \$1.1 billion of availability under our Credit Agreements. As of June 30, 2023, we had \$118 million of borrowings under the Euro Credit Agreement and no outstanding borrowings under the U.S. Credit Agreement. There was \$134 million of commercial paper outstanding as of June 30, 2023.

We anticipate sufficient liquidity from (i) cash on hand; (ii) cash flows from operating activities; and (iii) cash available from the Credit Agreements and our commercial paper program to meet our operational and capital investment needs and financial obligations for the foreseeable future. The liquidity we derive from cash flows from operations is, to a large degree, predicated on our ability to collect our receivables in a timely manner, the cost of our raw materials, and our ability to manage inventory levels.

In addition, our subsidiary in Argentina may incur a foreign currency loss as a result of a significant government driven currency devaluation. The timing of any government action is uncertain, but could be in the near term and any loss we record would negatively impact earnings. As of June 30, 2023, we had approximately \$35 million of Peso denominated net assets. As described above, currently there are currency controls that prevent the distribution or conversion of cash from Argentina, which makes up the majority of these net assets.

The following discussion of the changes in our cash balance refers to the various sections of our Consolidated Statements of Cash Flows.

Cash Flows from Operating Activities

Cash provided by operating activities, which consists of net income adjusted for the various non-cash items included in income, changes in working capital and changes in certain other balance sheet accounts, totaled \$457 million in the first nine months of fiscal 2023 compared to \$5 million of cash used by operating activities during the same period of fiscal 2022.

Cash provided by operating activities in the first nine months of fiscal 2023 was driven by business earnings excluding the non-cash impacts of depreciation and amortization of \$107 million and a decrease in net working capital of \$96 million. The decrease in net working capital was largely driven by a decrease in accounts receivable due to lower customer prices from lower cost of raw materials and decreased sales volumes and a decrease in inventories and accounts payable and accrued expenses driven by lower cost of raw materials.

Cash used by operating activities in the first nine months of fiscal 2022 was driven by an increase in net working capital of \$390 million. The increase in net working capital was driven by an increase in accounts receivable due to higher sales and an increase in inventory driven by a higher cost of raw materials, partially offset by an increase in accounts payable.

Cash Flows from Investing Activities

Investing activities consumed \$139 million of cash in the first nine months of fiscal 2023 compared to \$31 million of cash consumed in the first nine months of fiscal 2022.

In the first nine months of fiscal 2023, investing activities included \$166 million of capital expenditures for sustaining and compliance capital projects at our operating facilities as well as growth-related capital, including capacity expansion projects in Performance Chemicals, partially offset by proceeds from the sale of land of \$7 million, proceeds from the sale of our Purification Solutions business of \$6 million, and proceeds from insurance settlements of \$12 million.

In the first nine months of fiscal 2022, investing activities included \$121 million of capital expenditures for sustaining and compliance capital projects at our operating facilities as well as capacity expansion capital expenditures primarily in Performance Chemicals. In addition, the first nine months of fiscal 2022 includes \$79 million of net cash proceeds from the sale of our Purification Solutions business, \$18 million of proceeds from the sale of land, and \$9 million of cash paid for the acquisition of Tokai Carbon, net of cash assumed of \$5 million.

Capital expenditures for fiscal 2023 are expected to be approximately \$250 million. Our planned capital spending program for fiscal 2023 is primarily for sustaining, compliance, and improvement capital projects at our operating facilities as well as capacity expansion expenditures in the Performance Chemicals segment.

Province of Ontario Regulation 419 Update

As described in Part I, Item 1 of the 2022 10-K under the heading "Safety, Health, Environment, and Sustainability", under the Province of Ontario Ministry of Environment, Conservation and Parks' ("MECP") Regulation 419, a new requirement for sulfur dioxide ("SO₂") emissions went into effect on July 1, 2023 for our reinforcing carbons plant in Sarnia, Ontario. On June 30, 2023, we received a letter from the MECP indicating that as of July 1 we are out of compliance with the new air standards for SO₂ and in response submitted our required abatement plan in accordance with the regulation. We are continuing discussions with the MECP on a new technical standard for SO₂ emissions controls at our plant as an alternative to this requirement that in its current form would require the installation of air pollution controls at the plant by July 1, 2028. We intend to continue to engage with the MECP on this alternative, or another compliance plan approach that is acceptable to the MECP. We anticipate that we will need to incur significant capital costs for the installation of these new SO₂ emissions controls, particularly during the 24-month period prior to the date of installation.

Cash Flows from Financing Activities

Financing activities consumed \$371 million of cash in the first nine months of fiscal 2023 compared to \$129 million of cash provided during the same period of fiscal 2022.

In the first nine months of fiscal 2023, financing activities primarily consisted of the repayment of commercial paper of \$188 million, dividend payments to stockholders of \$65 million, share repurchases of \$48 million, cash dividends paid to noncontrolling interests of \$41 million, net repayments of short-term borrowings of \$24 million and repayments of long-term debt of \$88 million. These payments were partially offset by proceeds from long-term borrowings of \$79 million.

In the first nine months of fiscal 2022, financing activities primarily consisted of the issuance of commercial paper of \$193 million and proceeds from short-term borrowings of \$26 million. These proceeds were partially offset by dividend payments to stockholders of \$63 million, share repurchases of \$48 million, dividend payments to noncontrolling interests of \$22 million, and repayments of long-term debt of \$357 million.

Forward-Looking Information

This report on Form 10-Q contains “forward-looking statements” under the Federal securities laws. These forward-looking statements address expectations or projections about the future, including our expectations regarding segment performance in the fourth quarter of fiscal 2023 as compared with EBIT in the third quarter of fiscal 2023 and the factors we expect will decrease EBIT in our Reinforcement Materials segment and increase EBIT in our Performance Chemicals segment; demand for our products; the sufficiency of our cash on hand, cash provided from operations and cash available under our credit and commercial paper facilities to fund our cash requirements; anticipated capital spending, including with respect to the installation of new SO₂ emissions controls at our Sarnia, Ontario reinforcing carbons plant; regulatory developments; cash requirements and uses of available cash, including future cash outlays associated with respirator liabilities and the timing of such outlays; amortization expenses; our operating tax rate; and the possible outcome of legal and environmental proceedings. From time to time, we also provide forward-looking statements in other materials we release to the public and in oral statements made by authorized officers.

Forward-looking statements are not guarantees of future performance and are subject to risks, uncertainties, potentially inaccurate assumptions, and other factors, some of which are beyond our control or difficult to predict. If known or unknown risks materialize, our actual results could differ materially from those expressed in the forward-looking statements.

In addition to factors described elsewhere in this report, the following are some of the factors that could cause our actual results to differ materially from those expressed in our forward-looking statements: industry capacity utilization and competition from other specialty chemical companies; safety, health and environmental requirements and related constraints imposed on our business; regulatory and financial risks related to climate change developments; volatility in the price and availability of energy and raw materials, including with respect to the Russian invasion of Ukraine; a significant adverse change in a customer relationship or the failure of a customer to perform its obligations under agreements with us; failure to achieve growth expectations from new products, applications and technology developments; failure to realize benefits from acquisitions, alliances, or joint ventures or achieve our portfolio management objectives; negative or uncertain worldwide or regional economic conditions and market opportunities, including from trade relations, global health matters including the COVID-19 pandemic or geo-political conflicts; litigation or legal proceedings; tax rates and fluctuations in foreign currency exchange and interest rates; our inability to complete capacity expansions or other development projects; and the accuracy of the assumptions we used in establishing reserves for our share of liability for respirator claims. These other factors and risks are discussed more fully in our 2022 10-K and in our subsequent SEC filings.

Item 3. Quantitative and Qualitative Disclosures About Market Risk

Information about market risks for the period ended June 30, 2023 does not differ materially from that discussed under Item 7A of our 2022 10-K.

Item 4. Controls and Procedures

As of June 30, 2023, we carried out an evaluation, under the supervision and with the participation of our management, including our principal executive officer and our principal financial officer, of the effectiveness of our disclosure controls and procedures pursuant to Rule 13a-15 under the Securities Exchange Act of 1934, as amended. Based upon that evaluation, our principal executive officer and our principal financial officer concluded that our disclosure controls and procedures were effective as of that date.

There were no changes in our internal controls over financial reporting that occurred during our fiscal quarter ended June 30, 2023 that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

**BY-LAWS
OF
CABOT CORPORATION**

(As Amended through May 11, 2023)

Section 1. LAW, CERTIFICATE OF INCORPORATION AND BY-LAWS

1.1 These by-laws are subject to the certificate of incorporation of the corporation. In these by-laws, references to law, the certificate of incorporation and by-laws mean all applicable law, the provisions of the certificate of incorporation of the corporation and these by-laws as from time to time in effect.

Section 2. STOCKHOLDERS

2.1 Annual Meeting. The annual meeting of stockholders shall be held on such date and at such time as shall be designated by the board of directors each year (which date and time may subsequently be changed at any time, including the year any such designation occurs).

2.2 Special Meetings. A special meeting of the stockholders may be called at any time by the board of directors. Any such call shall state the place, if any, time, and purposes of the meeting and the means of remote communication, if any, by which stockholders and proxy holders may be deemed present and vote at such meeting.

2.3 Place of Meeting; Adjournment. Meetings of the stockholders may be held at such place within or without the State of Delaware as may be designated by the board of directors in the call thereof. The board of directors may, in its sole discretion, determine that a meeting of the stockholders shall not be held at any place, but may instead be held solely by means of remote communication in the manner authorized by the Delaware General Corporation Law. When any meeting is convened, the officer presiding at such meeting, if directed by the board of directors, may adjourn the meeting for a period of time not to exceed 30 days if (a) no quorum is present for the transaction of business or (b) the board of directors determines that adjournment is necessary or appropriate to enable the stockholders (i) to consider fully information which the board of directors determines has not been made sufficiently or timely available to stockholders or (ii) otherwise to exercise effectively their voting rights. Notice of an adjourned meeting shall be given in the manner provided in Section 2.4 of these by-laws.

2.4 Notice of Meetings. Except as otherwise provided by law, a written notice of each meeting of stockholders stating the place, if any, day and hour thereof, the means of remote communication, if any, by which stockholders and proxy holders may be deemed present and vote at such meeting and, in the case of a special meeting, the purposes for which the meeting is called, shall be given not less than ten nor more than 60 days before the meeting, to each stockholder entitled to vote thereat, and to each stockholder who, by law, by the certificate of incorporation or by these by-laws, is entitled to notice, by leaving such notice at the stockholder's residence or usual place of business, or by depositing it in the United States mail, postage prepaid, and addressed to such stockholder at the stockholder's address as it appears in the records of the corporation. Such notice shall be given by the secretary or an assistant secretary, or in the case of their death, incapacity or refusal, by another officer or person designated by the board of directors. As to any adjourned session of any meeting of stockholders, notice of the adjourned meeting need not be given if the time and place, if any, thereof and the means of remote communications, if any, by which stockholders and proxy holders may be deemed present and vote at such postponed meeting are provided in accordance with the Delaware General Corporation Law, except that if the adjournment is for more than 30 days or if after the adjournment a new record date is set for the adjourned session, notice of any such adjourned session of the meeting shall be given in the manner heretofore described. No notice of any meeting of stockholders or any adjourned session thereof need be given to a stockholder if a written waiver of notice, executed before or after the meeting or such adjourned session by such stockholder, is filed with the records of the meeting or if the stockholder attends such meeting without objecting at the beginning of the meeting to the transaction of any business because the meeting is not lawfully called or convened. Neither the business to be transacted at, nor the purpose of, any meeting of the stockholders or any adjourned session thereof need be specified in any written waiver of notice.

2.5 Quorum of Stockholders. At any meeting of the stockholders, a quorum as to any matter shall consist of a majority of the votes entitled to be cast on the matter, except where a larger quorum is required by law, by the certificate of incorporation or by these by-laws. If a quorum is present at an original meeting, a quorum need not be present at an adjourned session of that meeting. Shares of its own stock belonging to the corporation or to another corporation, if a majority of the shares entitled to vote in the election of directors of such other corporation is held, directly or indirectly, by the corporation, shall neither be entitled to vote nor be counted for quorum purposes; provided, however, that the foregoing shall not limit the right of any corporation to vote stock, including but not limited to its own stock, held by it in a fiduciary capacity.

2.6 Required Vote for Election of Directors. When a quorum is present at any meeting, a nominee for director shall be elected if the votes properly cast for such nominee's election exceed the votes properly cast against such nominee's election (abstentions shall not be considered to be votes cast); provided, however, that the directors shall be elected by a plurality of the votes properly cast at any meeting of stockholders for which (i) the corporation receives a notice that a stockholder has nominated a person for election as a director in compliance with the provisions for advance notice of nominations in Section 2.12 of these by-laws and (ii) such nomination has not been withdrawn on or prior to the tenth day preceding the date on which the corporation mails notice of the meeting to the stockholders. If nominees for director are to be elected by a plurality of the votes properly cast, stockholders shall not be permitted to vote against a nominee.

2.7 Required Vote for Other Matters. When a quorum is present at any meeting, a majority of the votes properly cast shall decide the question, except as otherwise required by law, by the certificate of incorporation or by these by-laws. If the corporation issues fractional shares of stock entitled to vote, holders of such fractional shares shall be entitled to exercise voting rights.

2.8 No Action Without Meetings. Any action required or permitted to be taken by stockholders of the corporation must be taken at a duly called annual or special meeting of the corporation and may not be taken by any consent in writing by such stockholders.

2.9 Proxy Representation. Every stockholder may authorize another person or persons to act for him or her by proxy in all matters in which a stockholder is entitled to participate, whether by waiving notice of any meeting, objecting to or voting or participating at a meeting. Every proxy must be signed by the stockholder or by his or her attorney-in-fact. No proxy shall be voted or acted upon after three years from its date unless such proxy provides for a longer period. A duly executed proxy shall be irrevocable if it states that it is irrevocable and, if, and only as long as, it is coupled with an interest sufficient in law to support an irrevocable power. A proxy may be made irrevocable regardless of whether the interest with which it is coupled is an interest in the stock itself or an interest in the corporation generally. The authorization of a proxy may but need not be limited to specified action; provided, however, that if a proxy limits its authorization to a meeting or meetings of stockholders, unless otherwise specifically provided, such proxy shall entitle the holder thereof to vote at any adjourned session but shall not be valid after the final adjournment thereof. Any stockholder directly or indirectly soliciting proxies from other stockholders must use a proxy card color other than white, which shall be reserved for exclusive use by the corporation.

2.10 Inspectors. The directors or the person presiding at the meeting shall appoint one or more inspectors of election and may appoint any substitute inspectors to act at the meeting or any adjournment thereof. Each inspector, before entering upon the discharge of his or her duties, shall take and sign an oath faithfully to execute the duties of inspector at such meeting with strict impartiality and according to the best of his or her ability. The inspector or inspectors shall have the duties prescribed by law. On request of the person presiding at the meeting, the inspectors shall make a report in writing of any challenge, question or matter determined by them and execute a certificate of any fact found by them.

2.11 List of Stockholders. The secretary shall prepare and make, or cause to be prepared and made, no later than the 10th day before each meeting of stockholders, a complete list of the stockholders entitled to vote at such meeting, arranged in alphabetical order and showing the address of each stockholder and the number of shares registered in the name of each stockholder. The original or duplicate stock ledger shall be the only evidence as to who are stockholders entitled to examine such list or to vote in person or by proxy at such meeting.

2.12 Advance Notice of Stockholder Proposals and Nominations. Unless otherwise determined by the board of directors prior to a meeting of the stockholders, the officer presiding at such meeting, determined in accordance with these by-laws, shall determine the order of business and shall have the authority in his or her discretion to regulate

the conduct of such meeting, including, without limitation, to impose restrictions on the persons (other than stockholders of the corporation or their duly appointed proxies) who may attend such meeting, to regulate and restrict the making of statements or asking of questions at such meeting and to cause the removal from such meeting of any person who has disrupted or appears likely to disrupt the proceedings at such meeting.

At a meeting of the stockholders, only such business shall be conducted as shall have been properly brought before the meeting. To be properly brought before any meeting of the stockholders, nominations of directors and the proposals of other business to be conducted must be (a) specified in the notice of meeting (or any supplement thereto) given by or at the direction of the board of directors, (b) otherwise properly brought before the meeting by or at the direction of the board of directors, or (c) properly brought before the meeting by a stockholder who is a stockholder of record at the time of the giving by such stockholder of the notice provided for in this Section 2.12 below, who shall be entitled to vote for such matters at the meeting and who complies with the requirements of this Section 2.12 with respect to any business sought to be brought before the meeting or the nomination of directors. Clause (c) of this paragraph shall be the exclusive means for a stockholder to make nominations or propose other business (other than matters properly brought under Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”) and included in the Corporation’s notice of meeting) before a meeting of the stockholders. In addition, unless the board of directors has determined that directors will be elected at a special meeting of the stockholders, no stockholder may nominate directors for election at any special meeting of the stockholders.

In addition, for business to be properly brought before a meeting by a stockholder, the stockholder must appear at the meeting to present such business; if the stockholder does not appear, any such proposal or nomination shall be disregarded and such proposed business shall not be transacted, notwithstanding that proxies in respect of such vote may have been received by the corporation.

In addition to any other applicable requirements, in order for any proposal or nomination to be properly brought before the meeting by a stockholder (other than a stockholder proposal included in the corporation’s proxy statement pursuant to Rule 14a-8 under the Exchange Act) the stockholder must have given timely notice thereof in writing to the secretary of the corporation. To be timely, (a) with respect to an annual meeting of the stockholders held pursuant to Section 2.1 of these by-laws, a stockholder’s notice must be received at the principal executive offices of the corporation not less than 90 days nor more than 120 days prior to the anniversary date of the immediately preceding annual meeting of stockholders; provided, however, in the event that the annual meeting of stockholders is called for a date (including any change in a date designated by the board of directors pursuant to Section 2.1) more than 60 days prior to such anniversary date, notice by the stockholder to be timely must be so received not later than the close of business on the 10th day following the day on which public disclosure of the date of such meeting was made, and (b) with respect to a special meeting of the stockholders held pursuant to Section 2.2 of these by-laws, a stockholder’s notice must be received at the principal executive offices of the corporation by the close of business on the 10th day following the day on which public disclosure of the date of such meeting was made. In no event shall any adjournment or postponement of an annual or special meeting of the stockholders or the announcement thereof commence a new time period for the delivery of such notice by a stockholder. For the avoidance of doubt, a stockholder shall not be entitled to make additional or substitute nominations following the expiration of the time periods set forth in these by-laws for timely written notice.

A stockholder’s notice to the secretary shall set forth as to each proposal or nomination the stockholder proposes to bring before the meeting (a) the name and address of the stockholder making such proposal, (b) the class and number of shares of capital stock of the corporation directly or indirectly held of record, owned beneficially and represented by proxy by such stockholder as of the date of such notice by the stockholder, (c) a representation that such stockholder is a holder of record or beneficial owner, as the case may be, of shares of the corporation entitled to vote at the meeting and intend to appear in person at the meeting, (d) any “derivative security” (as that term is defined in Rule 16a-1(c) under the Exchange Act) directly or indirectly owned beneficially by the stockholder and any other “pecuniary interest” or “indirect pecuniary interest” (as those terms are defined in Rule 16a-1(a)(2) under the Exchange Act) in the shares of capital stock of the corporation, (e) any proxy, contract, arrangement, understanding or relationship pursuant to which such stockholder has a right to vote any securities of the corporation, (f) any performance-related fees (other than an asset-based fee) that such stockholder is entitled to based on any increase or decrease in the value of the shares of stock of the corporation, (g) a certification as to whether or not such stockholder has complied with all applicable federal, state and other legal requirements in

connection with such stockholder's acquisition of shares of capital stock or other securities of the corporation, (h) a representation as to whether such stockholder intends to deliver a proxy statement and form of proxy to holders of a sufficient number of holders of the corporation's voting shares to elect such nominee or nominees and, if applicable, in accordance with Rule 14a-19 under the Exchange Act, or to carry such proposal, (i) to the extent known by such stockholder, the name and address of any other stockholder supporting the proposal on the date of such stockholder's notice, and (j) all other information that would be required to be included in a proxy statement required to be filed with the Securities and Exchange Commission if, with respect to any such proposal or nomination, such stockholder were a participant in a solicitation subject to Regulation 14A under the Exchange Act (the "Proxy Rules").

In addition, if the notice involves a proposal for business, a stockholder's notice to the secretary shall set forth as to each proposal a brief description of the proposal desired to be brought before the meeting, the reasons for making such proposal at the meeting and any material interest that the stockholder has in the proposal. If the notice involves the nomination of a director, a stockholder's notice to the secretary shall set forth (a) as to each person whom the stockholder proposes to nominate for election or re-election as a director, (i) the name, age, business address or residence address of the person, (ii) the principal occupation or employment of the person, (iii) the class and number of shares of capital stock of the corporation, if any, which are beneficially owned by the person, the date or dates on which such shares were acquired and the investment intent of such acquisition, (iv) a representation that the person is not and will not become a party to any agreement, arrangement or understanding (whether written or oral) with, and has not given any commitment or assurance to, any person or entity as to how such person, if elected as a director of the corporation, will act or vote on any issue or question that has not been disclosed to the corporation or that could limit or interfere with such person's ability to comply, if elected a director of the corporation, with such person's fiduciary duties under applicable law, (v) any other information relating to the nominee as would be required to be included in a proxy statement or other filings required to be filed pursuant to the Proxy Rules (including without limitation the written consent of the nominee to being named in the proxy statement as a nominee and to serve as a director if elected) and (vi) a statement signed by the person confirming that, if elected, he or she will comply with the corporation's Global Ethics and Compliance Standards, Policy on Transactions in Securities, Corporate Governance Guidelines and any other applicable rule, regulation, policy or standard of conduct applicable to the directors; and (b) as to the stockholder giving the notice, (i) a representation that the stockholder intends to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice, (ii) a representation as to whether such stockholder intends to solicit proxies or votes from stockholders for any director nominees in accordance with Rule 14a-19 under the Exchange Act, and (iii) a description of all direct and indirect compensation and other material monetary arrangements, agreements or understandings during the past three years, and any other material relationship, if any, between or concerning the stockholder and its respective affiliates or associates, or others with whom they are acting in concert, on the one hand, and each person nominated by the stockholder, and his or her respective affiliates, associates and others with whom any of them are acting in concert on the other hand. In addition, any person nominated by the stockholder shall complete a questionnaire, in a form available from the corporation, and such completed questionnaire shall be submitted with the stockholder notice contemplated by this Section 2.12.

If the stockholder holds its shares by or through a nominee, the information required to be provided in a notice of the stockholder contemplated by this Section 2.12 shall be provided about the person who has the power to direct the voting and disposition of the shares of capital stock of the corporation and who has a pecuniary interest in such shares in lieu of the stockholder.

A stockholder shall further update and supplement its notice of any nomination to be brought before a meeting, if necessary, so that the information provided or required to be provided in such notice pursuant to this Section 2.12 shall be true and correct (a) as of the record date for the meeting and (b) as of the date that is ten business days prior to the meeting or any adjournment, recess, rescheduling or postponement thereof. Such update and supplement shall be delivered to the secretary not later than three business days after the later of the record date or the date notice of the record date is first publicly announced (in the case of the update and supplement required to be made as of the record date for the meeting) and not later than seven business days prior to the date for the meeting, if practicable (or, if not practicable, on the first practicable date prior to the meeting), or any adjournment, recess, rescheduling or postponement thereof (in the case of the update and supplement required to be made as of ten business days prior to the meeting or any adjournment, recess, rescheduling or postponement thereof).

Notwithstanding anything in the by-laws to the contrary, no business pertaining to this Section 2.12 shall be conducted at any meeting except in accordance with the procedures set forth in this Section 2.12. The officer presiding at the meeting shall, if the facts warrant, determine and declare to the meeting that any proposal or nomination, as the case may be, was not properly brought before the meeting in accordance with the provisions of this Section 2.12 and, if the presiding officer should so determine, any proposal not properly brought before the meeting shall not be discussed or voted on and any defective nomination shall be disregarded.

2.15 Rule 14a-19(b). Without limiting the other provisions and requirements of this Section 2, unless otherwise required by law, if any stockholder (a) provides notice pursuant to Rule 14a-19(b) under the Exchange Act and (b) subsequently fails to comply with the requirements of Rule 14a-19(a)(2) and Rule 14a-19(a)(3) under the Exchange Act, then the corporation shall disregard any proxies or votes solicited for such stockholder's nominees. Upon request by the corporation, if any stockholder provides notice pursuant to Rule 14a-19(b) under the Exchange Act, such stockholder shall deliver to the corporation, no later than five business days prior to the applicable meeting, reasonable evidence that it has met the requirements of Rule 14a-19(a)(3) under the Exchange Act.

Section 3. BOARD OF DIRECTORS

3.1 Number. The number of directors which shall constitute the whole board shall be not less than three nor more than 17 in number. Within the foregoing limits, the board of directors shall determine the number of directors, and the number of directors may be increased at any time or from time to time by the directors by vote of a majority of the directors then in office. The number of directors may be decreased to any number permitted by the foregoing at any time by the directors by vote of a majority of the directors then in office. The directors shall be classified, with respect to the time for which they severally hold office, into three classes as nearly equal in number as possible: one class whose term expired at the first annual meeting of stockholders after January 21, 1969 (the "Adoption Date"); one class whose term expired at the second annual meeting of stockholders after the Adoption Date; and another class whose term expired at the third annual meeting of stockholders after the Adoption Date, with each such class holding office until its successors were elected and qualified. At each annual meeting of stockholders after the Adoption Date, the successors of the class of directors whose term expires at that meeting shall be elected to hold office for a term expiring at the annual meeting of stockholders held in the third year following the year of their election. Directors need not be stockholders.

3.2 Tenure. Except as otherwise provided by law, by the certificate of incorporation or by these by-laws, each director shall hold office until a successor is elected and qualified, or until such director sooner dies, resigns or is removed.

3.3 Powers. The business and affairs of the corporation shall be managed by or under the direction of the board of directors who shall have and may exercise all the powers of the corporation and do all such lawful acts and things as are not by law, the certificate of incorporation or these by-laws directed or required to be exercised or done by the stockholders.

3.4 Vacancies of Directors. Vacancies and any newly created directorships resulting from any increase in the number of directors may be filled by a majority of the directors then in office, although less than a quorum, or by a sole remaining director. Any director or directors so chosen shall hold office until the annual meeting of stockholders at which the term of office of the class to which they have been elected expires and until their successors are duly elected and shall qualify, unless they sooner die, resign or are removed. The directors shall have and may exercise all their powers notwithstanding the existence of one or more vacancies in their number, subject to any requirements of law or of the certificate of incorporation or of these by-laws as to the number of directors required for a quorum or for any vote or other actions.

3.5 Committees. Subject to Section 3.6 of these by-laws, the board of directors may, by vote of a majority of the whole board, (a) designate, change the membership of or terminate the existence of any committee or committees, each committee to consist of one or more of the directors; (b) designate one or more directors as alternate members of any such committee who may replace any absent or disqualified member at any meeting of the committee; and (c) determine the extent to which each such committee shall have and may exercise the powers of the board of directors in the management of the business and affairs of the corporation, including the power to authorize the seal of the corporation to be affixed to all papers which require it and the power and authority to declare dividends or to

authorize the issuance of stock; excepting, however, such powers which by law, by the certificate of incorporation or by these by-laws they are prohibited from so delegating. In the absence or disqualification of any member of such committee and his or her alternate, if any, the member or members thereof present at any meeting and not disqualified from voting, whether or not constituting a quorum, may unanimously appoint another member of the board of directors to act at the meeting in the place of any such absent or disqualified member. Except as the board of directors may otherwise determine, any committee may make rules for the conduct of its business, but unless otherwise provided by the board or such rules, its business shall be conducted as nearly as may be in the same manner as is provided by these by-laws for the conduct of business by the board of directors. Each committee shall keep regular minutes of its meetings and report the same to the board of directors upon request.

3.6 Executive Committee. The board of directors shall, by vote of a majority of the whole board, elect from its own number an executive committee, to consist of not less than two members in addition to the chief executive officer, and may from time to time designate or alter, within the limits permitted by this Section 3.6, the duties and powers of such committee, or change its membership.

The executive committee shall have and may exercise all the powers and authority of the board of directors in the management of the business and affairs of the corporation to the extent permitted by Section 141 of the Delaware General Corporation Law, and may authorize the seal of the corporation to be affixed to all papers which may require it, including the power and authority to declare a dividend, to authorize the issuance of stock and to adopt a certificate of ownership and merger; provided that the executive committee shall not have the power or authority in reference to amending the certificate of incorporation of this corporation (except that the executive committee may, to the extent authorized in the vote or votes providing for the issuance of shares of stock adopted by the board of directors, fix the designations and any of the preferences or rights of such shares or fix the number of shares of any series of stock or authorize the increase or decrease of the shares of any series), adopting an agreement of merger or consolidation, recommending to the stockholders the sale, lease or exchange of all or substantially all of the corporation's property and assets, recommending to the stockholders a dissolution of the corporation or a revocation of a dissolution, amending these by-laws, electing or appointing the chief executive officer, treasurer or secretary or filling vacancies in the board of directors or the executive committee. Each member of the executive committee shall hold office until the first meeting of the board of directors following the next annual meeting of the stockholders and until his or her successor is elected and qualified, or until he or she sooner dies, resigns, is removed, or becomes disqualified by ceasing to be a director. One-third of the members of the executive committee then in office, but in no case less than two members, shall constitute a quorum for the transaction of business, but any meeting may be adjourned from time to time by a majority of the votes cast upon the question, whether or not a quorum is present, and the meeting may be held as adjourned without further notice.

3.7 Regular Meetings. Regular meetings of the board of directors may be held without call or notice at such places (if any) within or without the State of Delaware and at such times as the board may from time to time determine; notice of the first regular meeting following any such determination shall be given to absent directors. A regular meeting of the directors may be held without call or notice immediately after and at the same place as the annual meeting of stockholders.

3.8 Special Meetings. Special meetings of the board of directors may be held at any time and at any place (if any) within or without the State of Delaware designated in the notice of the meeting, when called by the chairman of the board, the vice chairman of the board, the president, or by two or more directors, reasonable notice thereof being given to each director by the secretary or an assistant secretary or by the chairman of the board, the vice chairman of the board, the president or by any one of the directors calling the meeting.

3.9 Notice. It shall be reasonable and sufficient notice to a director to send notice by mail at least 48 hours before the meeting addressed to such director at his or her usual or last known business or residence address or to give notice to a director in person or by telephone or electronic communication at least 24 hours before the meeting. Notice of a meeting need not be given to any director if a written waiver of notice, executed by a director before or after the meeting, is filed with the records of the meeting, or to any director who attends the meeting without protesting prior thereto or at its commencement the lack of notice to such director. Neither notice of a meeting nor a waiver of a notice need specify the purposes of the meeting.

3.10 Quorum. Except as may be otherwise provided by law, by the certificate of incorporation or by these by-laws, at any meeting of the directors a majority of the directors then in office shall constitute a quorum, but in no case less

than two directors. Any meeting may be adjourned from time to time by a majority of the votes cast upon the question, whether or not a quorum is present, and the meeting may be held as adjourned without further notice.

3.11 Action by Vote. Except as may be otherwise provided by law, by the certificate of incorporation or by these by-laws, when a quorum is present at any meeting the vote of a majority of the directors present shall be the act of the board of directors.

3.12 Action Without a Meeting. Any action required or permitted to be taken at any meeting of the board of directors or a committee thereof may be taken without a meeting if all the members of the board or of such committee, as the case may be, consent thereto in writing, and such writing or writings are filed with the records of the meetings of the board or of such committee. Such consent shall be treated for all purposes as the act of the board or of such committee, as the case may be.

3.13 Participation in Meetings by Conference Telephone. Members of the board of directors, or any committee designated by such board, may participate in a meeting of such board or committee by means of conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other or by any other means permitted by law. Such participation shall constitute presence in person at such meeting.

3.14 Compensation. In the discretion of the board of directors, the directors may be paid their expenses, if any, of attendance at each meeting of the board of directors and may be paid a fixed sum for attendance at each meeting of the board of directors or a stated salary as director. Nothing contained in this section shall be construed to preclude any director from serving the corporation in any other capacity and receiving compensation therefor. Members of special or standing committees may be allowed like compensation for attending committee meetings.

3.15 Interested Directors and Officers.

(a) No contract or transaction between the corporation and one or more of its directors or officers, or between the corporation and any other corporation, partnership, association, or other organization in which one or more of the corporation's directors or officers are directors or officers, or have a financial interest, shall be void or voidable solely for this reason, or solely because the director or officer is present at or participates in the meeting of the board or committee thereof which authorizes the contract or transaction, or solely because the vote or votes of such director or officer are counted for such purpose, if:

(1) The material facts as to the relationship or interest of such director or officer and as to the contract or transaction are disclosed or are known to the board of directors or the committee, and the board or committee in good faith authorizes the contract or transaction by the affirmative votes of a majority of the disinterested directors, even though the disinterested directors be less than a quorum; or

(2) The material facts as to the relationship or interest of such director or officer and as to the contract or transaction are disclosed or are known to the stockholders entitled to vote thereon, and the contract or transaction is specifically approved in good faith by vote of the stockholders; or

(3) The contract or transaction is fair as to the corporation as of the time it is authorized, approved or ratified, by the board of directors, a committee thereof, or the stockholders.

(b) Common or interested directors may be counted in determining the presence of a quorum at a meeting of the board of directors or of a committee which authorizes the contract or transaction.

Section 4. OFFICERS AND AGENTS

4.1 Enumeration; Qualification. The officers of the corporation shall be a president, a treasurer, a secretary and such other officers, if any, as the board of directors from time to time may in its discretion elect or appoint including without limitation a chief financial officer, one or more other vice presidents, a general counsel and a controller. The corporation may also have such agents, if any, as the board of directors from time to time may in its discretion choose. Any two or more offices may be held by the same person.

4.2 Powers. Subject to law, to the certificate of incorporation and to the other provisions of these by-laws, each officer shall have, in addition to the duties and powers herein set forth, such duties and powers as are commonly

The general counsel shall be the chief counseling officer of the corporation in all legal matters and, subject to the oversight by the board of directors, the general counsel shall have charge of all matters of legal import to the corporation. The general counsel shall have charge of all litigation of the corporation and keep advised of the progress of all legal proceedings and claims by and against the corporation, or in which it is interested by reason of its ownership and control of other corporations. The general counsel shall maintain records of all suits and actions of every nature in which the corporation may be a party, or in which it is interested and such records and the papers relating thereto shall be open at all times to the inspection of the directors and the executive officers of the corporation.

The general counsel may, in his or her discretion, retain such independent attorneys, or law firms, in any and all parts of the world, as the general counsel may deem necessary to assist him or her in the performance of his or her duties and to protect and further the interests of the corporation.

The general counsel shall have power and authority to execute in the name of the corporation any and all bonds or stipulations for costs or other purposes connected with legal proceedings in any of the courts of justice, for the protection or enforcement of the rights and interest of this corporation; and, by instrument in writing, the general counsel may delegate to any such authority like power and authority to execute such bonds or stipulations.

The assistant general counsel, or, if there are more than one, the assistant general counsels, shall, in the order determined by the general counsel, in the absence or disability of the general counsel perform the duties and exercise the powers of the general counsel and shall perform such other duties and have such other powers as the board of directors and the general counsel may from time to time prescribe.

The treasurer shall disburse or cause to be disbursed the funds of the corporation as may be ordered by the board of directors, the chief executive officer, the chief financial officer or such other officer as the chief financial officer may from time to time designate, taking proper vouchers for such disbursements. The treasurer shall be subject to the direction of the chief financial officer.

The assistant treasurer, if any, shall in the absence or disability of the treasurer perform the duties and exercise the powers of the treasurer and shall perform such other duties and have such other powers as the board of directors and the treasurer may from time to time prescribe and shall be subject to the direction of the treasurer.

The secretary shall have charge of the stock ledger (which may, however, be kept by any transfer agent or agents of the corporation under the direction of the secretary).

The assistant secretary, or if there are more than one, the assistant secretaries, in the order determined by the secretary, shall in the absence or disability of the secretary perform the duties and exercise the powers of the secretary and shall perform such other duties and have such other powers as the board of directors and the secretary may from time to time prescribe.

Section 5. RESIGNATIONS AND REMOVALS

5.1 Any director or officer may resign at any time by delivering his or her resignation in writing to the chairman of the board, any vice chairman of the board, the president, or the secretary or to a meeting of the board of directors. Such resignation shall be effective upon receipt unless specified to be effective at some other time, and without in either case the necessity of its being accepted unless the resignation shall so state. A director (including persons elected by directors to fill vacancies in the board) may be removed from office with cause by the vote of the holders of a majority of the shares issued and outstanding and entitled to vote in the election of directors. The board of directors may at any time remove any officer either with or without cause. The board of directors may at any time terminate or modify the authority of any agent. Except where a right to receive compensation shall be expressly provided in a duly authorized written agreement with the corporation or severance or other benefit plan or arrangement approved by the board of directors, no director or officer resigning and no director or officer removed shall have any right to any compensation as such director or officer for any period following such director's or officer's resignation or removal, or any right to damages on account of such removal, whether such compensation be by the month or by the year or otherwise; unless, in the case of a resignation, the directors, or, in the case of removal, the body acting on the removal, shall in their or its discretion provide for compensation.

Section 6. VACANCIES OF OFFICERS

6.1 If the office of any officer becomes vacant, the directors may elect a successor by vote of a majority of the directors present and voting at a meeting. Such successors shall hold office for the unexpired term, and until their respective successors are chosen and qualified or in each case until they sooner die, resign, are removed or become disqualified. Any vacancy of a directorship shall be filled as specified in Section 3.4 of these by-laws.

Section 7. CAPITAL STOCK

7.1 Stock Certificates. The shares of capital stock of the corporation shall be represented by certificates, provided that the board of directors may provide by resolution or resolutions that some or all of any or all classes or series of stock shall be uncertificated shares. Any such resolution shall not apply to shares represented by a certificate until such certificate is surrendered to the corporation. Every holder of stock represented by certificates shall be entitled to a certificate stating the number and the class and the designation of the series, if any, of the shares held by him or her, in such form as shall, in conformity to law, the certificate of incorporation and the by-laws, be prescribed from time to time by the board of directors. Such certificate shall be signed by any two authorized officers of the corporation. Any of or all the signatures on the certificate may be a facsimile. In case an officer, transfer agent, or registrar who has signed or whose facsimile signature has been placed on such certificate shall have ceased to be such officer, transfer agent, or registrar before such certificate is issued, it may be issued by the corporation with the same effect as if he or she were such officer, transfer agent, or registrar at the time of its issue.

7.2 Loss of Certificates. In the case of the alleged theft, loss, destruction or mutilation of a certificate of stock, a duplicate certificate may be issued in place thereof, upon such terms, including receipt of a bond sufficient to indemnify the corporation against any claim on account thereof, as the board of directors may prescribe.

Section 8. TRANSFER OF SHARES OF STOCK

8.1 Transfer on Books. Subject to the restrictions, if any, stated or noted on the stock certificate, or otherwise in force, shares of stock may be transferred on the books of the corporation by the surrender to the corporation or its transfer agent of the certificate therefor properly endorsed or accompanied by a written assignment and power of attorney properly executed, with necessary transfer stamps affixed, and with such proof of the authenticity of signature as the board of directors or the transfer agent of the corporation may reasonably require. Uncertificated shares of stock may be transferred on the books of the corporation upon receipt of proper transfer instructions from the registered owner of the uncertificated shares, an instruction from an approved source duly authorized by such owner or from an attorney lawfully constituted. Except as may be otherwise required by law, by the certificate of incorporation or by these by-laws, the corporation shall be entitled to treat the record holder of stock as shown on its books as the owner of such stock for all purposes, including the payment of dividends and the right to receive notice and to vote or to give any consent with respect thereto and to be held liable for such calls and assessments, if any, as may lawfully be made thereon, regardless of any transfer, pledge or other disposition of such stock until the shares have been properly transferred on the books of the corporation.

8.2 Record Date and Closing Transfer Books. In order that the corporation may determine the stockholders entitled to notice of or to vote at any meeting of stockholders or any adjournment thereof, the board of directors may fix a record date, which record date shall not precede the date upon which the vote fixing the record date is adopted by the board of directors, and which record date shall not be more than 60 days nor less than ten days before the date of such meeting. If no such record date is fixed by the board of directors, the record date for determining the stockholders entitled to notice of or to vote at a meeting of stockholders shall be at the close of business on the day next preceding the day on which notice is given, or, if notice is waived, at the close of business on the day next preceding the day on which the meeting is held. A determination of stockholders of record entitled to notice of or to vote at a meeting of stockholders shall apply to any adjournment of the meeting; provided, however, that the board of directors may fix a new record date for the adjourned meeting. In order that the corporation may determine the stockholders entitled to receive payment of any dividend declared pursuant to Section 9 of these by-laws or other distribution or allotment of any rights or to exercise any rights in respect of any change, conversion or exchange of stock, or for the purpose of any other lawful action, the board of directors may fix a record date, which record date shall not precede the date upon which the vote fixing the record date is adopted, and which record date shall be not more than 60 days prior to such payment, exercise or other action. If no such record date is fixed, the record date for determining stockholders for any such purpose shall be at the close of business on the day on which the board of directors adopts the vote relating thereto.

Section 9. DIVIDENDS

9.1 Dividends upon the capital stock of the corporation, subject to the provisions of the certificate of incorporation, if any, may be declared by the board of directors at any regular or special meeting, pursuant to law. Dividends may be paid in cash, in property, or in shares of the capital stock, subject to the provisions of the certificate of incorporation.

Section 10. CONTRIBUTIONS

10.1 The directors of this corporation are authorized to make charitable contributions as defined in the United States Internal Revenue Code, as from time to time amended, in such amounts as the directors may determine to be reasonable.

Section 11. CORPORATE SEAL

11.1 Subject to alteration by the directors, the seal of the corporation shall consist of a flat-faced circular die with the word "Delaware" and the name of the corporation cut or engraved thereon, together with such other words, dates or images as may be approved from time to time by the directors. The corporate seal of the corporation may be used by causing it or a facsimile thereof to be impressed or affixed or reproduced or otherwise.

Section 12. EXECUTION OF PAPERS

12.1 Except as the board of directors may generally or in particular cases authorize the execution thereof in some other manner, all deeds, leases, transfers, sales of securities, contracts, proxies, bonds, notes, checks, drafts and other obligations, agreements and undertakings made, accepted or endorsed by the corporation shall be signed by the chairman of the board, the vice chairman of the board, the president, any vice president or the treasurer, and, if such papers require a seal, the seal of the corporation shall be affixed thereto and attested by the secretary or an assistant secretary.

Section 13. FISCAL YEAR

13.1 Except as from time to time otherwise provided by the board of directors, the fiscal year of the corporation shall commence on the first day of October of each year.

Section 14. INDEMNIFICATION

14.1 The corporation shall, to the maximum extent permitted from time to time under the law of the State of Delaware, indemnify and upon request shall advance expenses to any person who is or was a party or is threatened to be made a party to any threatened, pending or completed action, suit, proceeding, claim or counterclaim, whether civil, criminal, administrative or investigative, by reason of the fact that such person is or was or has agreed to be a director, officer, employee or agent of this corporation or while a director, officer, employee or agent is or was serving at the request of this corporation as a director, officer, partner, trustee, fiduciary, employee or agent of any corporation, partnership, joint venture, trust or other enterprise, including service with respect to employee benefit plans, against expenses (including attorney's fees and expenses), judgments, fines, penalties and amounts paid in settlement or incurred in connection with the investigation, preparation to defend or defense of such action, suit, proceeding, claim or counterclaim; provided, however, that the foregoing shall not require this corporation to indemnify or advance expenses to any person in connection with any action, suit, proceeding, claim or counterclaim initiated by or on behalf of such person, other than an action to enforce indemnification rights. Such indemnification shall not be exclusive of other indemnification rights arising under any agreement, vote of directors or stockholders or otherwise and shall inure to the benefit of the heirs and legal representatives of such person. Any such person seeking indemnification under this Section 14.1 shall be deemed to have met the standard of conduct required for

such indemnification unless the contrary shall be established. The corporation shall have the power to provide indemnification and advance expenses to any other person, including stockholders purporting to act on behalf of the corporation, to the extent permitted by the law of the State of Delaware.

Section 15. AMENDMENTS

15.1 These by-laws may be altered, amended or repealed by (i) the affirmative vote of the holders of at least 75 percent of the voting power of the then outstanding shares of stock of all classes and series of this corporation entitled to vote generally in the election of directors, voting together as a single class or (ii) a vote of the majority of the directors then in office at any annual, regular or special stockholders or directors meeting, called for that purpose, the notice of which shall specify the subject matter of the proposed new by-law or the alteration, amendment or repeal of an existing by-law or the articles to be affected thereby. Any by-law, whether made, altered, amended or repealed by the stockholders or directors, may be repealed, amended, further amended or reinstated, as the case may be, by either the stockholders or the directors as aforesaid.

Section 16. EXCLUSIVE FORUM

16.1 Exclusive Forum. Unless the corporation consents in writing to the selection of an alternative forum, the sole and exclusive forum for (i) any derivative action or proceeding brought on behalf of the corporation, (ii) any action asserting a claim of breach of a fiduciary duty owed by any director or officer or other employee of the corporation to the corporation or the corporation's stockholders, (iii) any action asserting a claim against the corporation or any director or officer or other employee of the corporation arising pursuant to any provision of the Delaware General Corporation Law or the certificate of incorporation or these by-laws (as either may be amended from time to time), or (iv) any action asserting a claim against the corporation or any director or officer or other employee of the corporation governed by the internal affairs doctrine shall be a state court located within the State of Delaware (or, if no state court located within the State of Delaware has jurisdiction, the federal district court for the District of Delaware), in all cases subject to the court's having personal jurisdiction over the indispensable parties named as defendants. Any person or entity purchasing or otherwise acquiring any interest in the shares of capital stock of the corporation will be deemed to have notice of and consented to the provisions of this Section 16.

16.2 Foreign Actions. If any Foreign Action (as defined below) is filed in the name of any stockholder, such stockholder will be deemed to have consented to (i) the personal jurisdiction of the state and federal courts located within the State of Delaware in connection with any action brought in any such court to enforce Section 16.1 above (an "FSC Enforcement Action") and (ii) having service of process made upon such stockholder in any such FSC Enforcement Action by service upon such stockholder's counsel in the Foreign Action as agent for such stockholder. A "Foreign Action" means any action the subject matter of which is within the scope of Section 16.1 that is filed in a court other than a court located within the State of Delaware.

~~(b) the spread adjustment (which may be a positive or negative value or zero) as of the Reference Time such Benchmark Replacement is first set for such Interest Period that would apply to the fallback rate for a derivative transaction referencing the ISDA Definitions to be effective upon an index cessation event with respect to such Benchmark for the applicable Corresponding Tenor; and~~

SECTION 2.04Determination of Dollar Amounts. The Administrative Agent will determine the Dollar Amount of:

~~(a) each Eurocurrency Borrowing as of the date two (2) Business Days prior to the date of such Borrowing or, if applicable, the date of conversion or continuation of any Borrowing as a Eurocurrency Borrowing;~~

(a) any Loan denominated in a Foreign Currency (other than a Canadian Prime Rate Borrowing), on each of the following: (i) the date of the Borrowing of such Loan and (ii)(A) with respect to any Term Benchmark Loan, each date of a conversion or continuation of such Loan pursuant to the terms of this Agreement and (B) with respect to any RFR Loan, each date that is on the numerically corresponding day in each calendar month that is one month after the Borrowing of such Loan (or, if there is no such numerically corresponding day in such month, then the last day of such month);

(b) each Canadian Prime Rate Borrowing, as of the date of such Borrowing;

(c) the LC Exposure as of the date of each request for the issuance, amendment, renewal or extension of any Letter of Credit; and

(d) all outstanding Revolving Loans and the LC Exposure on and as of the last Business Day of each calendar quarter and, during the continuation of an Event of Default, on any other Business Day elected by the Administrative Agent in its discretion or upon instruction by the Required Lenders.

Each day upon or as of which the Administrative Agent determines Dollar Amounts as described in the preceding clauses (a), (b), (c) and (d) is herein described as a "**Computation Date**" with respect to each Borrowing, Letter of Credit or LC Exposure for which a Dollar Amount is determined on or as of such day.

SECTION 2.05Swingline Loans.

(a) Subject to the terms and conditions set forth herein, each Swingline Lender may in its sole discretion (and without any obligation to do so) make Swingline Loans in U.S. Dollars to the Company from time to time during the Availability Period, in an aggregate principal amount at any time outstanding that will not result in (i) the aggregate principal amount of outstanding Swingline Loans made by such Swingline Lender exceeding such Swingline Lender's Swingline Commitment, (ii) the Dollar Amount of such Swingline Lender's Revolving Credit Exposure exceeding its Commitment (such Commitment to be calculated without giving effect to any assignment of any portion of the initial Swingline Lender's original Commitment as of the Effective Date, unless such Swingline Lender also assigns a proportional amount of its Swingline Commitment to the assignee or to another Lender with a Commitment at least equal to the Commitment amount being assigned), or (iii) the Dollar Amount of the Total Revolving Credit Exposures exceeding the total Commitments; provided that a Swingline Lender shall not be required to make a Swingline Loan to refinance an outstanding Swingline Loan. Within the foregoing limits and subject to the terms and conditions set forth herein, the Company may borrow, prepay and reborrow Swingline Loans.

(b) To request a Swingline Loan, the Company shall notify the Administrative Agent of such request by telecopy of a written request in a form approved by the Administrative Agent and signed by the Company, not later than 1:00 p.m., New York City time, on the day of a proposed Swingline Loan. Each such notice shall be irrevocable and shall specify the requested date (which shall be a Business Day)

and amount of the requested Swingline Loan. The Administrative Agent will promptly advise the Swingline Lenders of any such notice received from the Company. Each Swingline Lender shall make its ratable portion of the requested Swingline Loan (such ratable portion to be calculated based upon such Swingline Lender's Swingline Commitment in proportion to the total Swingline Commitments of all of the Swingline Lenders) available to the Company by means of a credit to an account of the Company with the Administrative Agent designated for such purpose (or, in the case of a Swingline Loan made to finance the reimbursement of an LC Disbursement as provided in Section 2.06(e), by remittance to such Issuing Bank) by 3:00 p.m., New York City time, on the requested date of such Swingline Loan.

(c) The failure of any Swingline Lender to make its ratable portion of a Swingline Loan shall not relieve any other Swingline Lender of its obligation hereunder to make its ratable portion of such Swingline Loan on the date of such Swingline Loan, but no Swingline Lender shall be responsible for the failure of any other Swingline Lender to make the ratable portion of a Swingline Loan to be made by such other Swingline Lender on the date of any Swingline Loan.

(d) Any Swingline Lender may by written notice given to the Administrative Agent require the Lenders to acquire participations in all or a portion of its Swingline Loans outstanding. Such notice shall specify the aggregate amount of Swingline Loans in which Lenders will participate. Promptly upon receipt of such notice, the Administrative Agent will give notice thereof to each Lender, specifying in such notice such Lender's Applicable Percentage of such Swingline Loans. Each Lender hereby absolutely and unconditionally agrees, promptly upon receipt of such notice from the Administrative Agent (and in any event, if such notice is received by 12:00 Noon, New York City time, on a Business Day, then no later than 5:00 p.m., New York City time, on such Business Day, and if received after 12:00 Noon, New York City time, on a Business Day, then no later than 10:00 a.m., New York City Time, on the immediately succeeding Business Day), to pay to the Administrative Agent, for the account of such Swingline Lender, such Lender's Applicable Percentage of such Swingline Loans. Each Lender acknowledges and agrees that its obligation to acquire participations in Swingline Loans pursuant to this paragraph is absolute and unconditional and shall not be affected by any circumstance whatsoever, including the occurrence and continuance of a Default or reduction or termination of the Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Each Lender shall comply with its obligation under this paragraph by wire transfer of immediately available funds, in the same manner as provided in Section 2.07 with respect to Loans made by such Lender (and Section 2.07 shall apply, *mutatis mutandis*, to the payment obligations of the Lenders), and the Administrative Agent shall promptly pay to such Swingline Lender the amounts so received by it from the Lenders. The Administrative Agent shall notify the Company of any participations in any Swingline Loan acquired pursuant to this paragraph, and thereafter payments in respect of such Swingline Loan shall be made to the Administrative Agent and not to such Swingline Lender. Any amounts received by a Swingline Lender from the Company (or other party on behalf of the Company) in respect of a Swingline Loan after receipt by such Swingline Lender of the proceeds of a sale of participations therein shall be promptly remitted to the Administrative Agent; any such amounts received by the Administrative Agent shall be promptly remitted by the Administrative Agent to the Lenders that shall have made their payments pursuant to this paragraph and to such Swingline Lender, as their interests may appear; provided that any such payment so remitted shall be repaid to such Swingline Lender or to the Administrative Agent, as applicable, if and to the extent such payment is required to be refunded to the Company for any reason. The purchase of participations in a Swingline Loan pursuant to this paragraph shall not relieve the Company of any default in the payment thereof.

(e) Any Swingline Lender may be replaced at any time by written agreement among the Company, the Administrative Agent, the replaced Swingline Lender and the successor Swingline Lender. The Administrative Agent shall notify the Lenders of any such replacement of a Swingline Lender. At the time any such replacement shall become effective, the Company shall pay all unpaid interest accrued for the account of the replaced Swingline Lender pursuant to Section 2.13(a). From and after the effective date

of any such replacement, (x) the successor Swingline Lender shall have all the rights and obligations of the replaced Swingline Lender under this Agreement with respect to Swingline Loans made thereafter and (y) references herein to the term "Swingline Lender" shall be deemed to refer to such successor or to any previous Swingline Lender, or to such successor and all previous Swingline Lenders, as the context shall require. After the replacement of a Swingline Lender hereunder, the replaced Swingline Lender shall remain a party hereto and shall continue to have all the rights and obligations of a Swingline Lender under this Agreement with respect to Swingline Loans made by it prior to its replacement, but shall not be required to make additional Swingline Loans.

(f) Subject to the prior appointment and acceptance of a successor Swingline Lender, any Swingline Lender may resign as a Swingline Lender at any time upon thirty days' prior written notice to the Administrative Agent, the Company and the Lenders, in which case, such Swingline Lender shall be replaced in accordance with Section 2.05(e) above.

SECTION 2.06 Letters of Credit.

(a) General. Subject to the terms and conditions set forth herein, the Company may request the issuance of Letters of Credit denominated in Agreed Currencies as the applicant thereof for the support of its or its Subsidiaries' obligations, in a form reasonably acceptable to the Administrative Agent and the Issuing Bank, at any time and from time to time during the Availability Period. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by the Company to, or entered into by the Company with, the Issuing Bank relating to any Letter of Credit, the terms and conditions of this Agreement shall control. Notwithstanding anything herein to the contrary, the Issuing Bank shall have no obligation hereunder to issue, and shall not issue, any Letter of Credit the proceeds of which would be made available to any Person (i) to fund any activity or business of or with any Sanctioned Person, or in any country or territory that, at the time of such funding, is the subject of any Sanctions so as to result in a violation of any Sanctions or (ii) in any other manner that would result in a violation of any Sanctions by any party to this Agreement.

(b) Notice of Issuance, Amendment, Renewal, Extension; Certain Conditions. To request the issuance of a Letter of Credit (or the amendment, renewal or extension of an outstanding Letter of Credit), the Company shall hand deliver or telecopy (or transmit by electronic communication, if arrangements for doing so have been approved by the Issuing Bank) to the Issuing Bank and the Administrative Agent (no less than three (3) Business Days in advance of the requested date of issuance, amendment, renewal or extension, or such later date and time as the Administrative Agent and the Issuing Bank may agree in a particular instance in their sole discretion) a notice requesting the issuance of a Letter of Credit, or identifying the Letter of Credit to be amended, renewed or extended, and specifying the date of issuance, amendment, renewal or extension (which shall be a Business Day), the date on which such Letter of Credit is to expire (which shall comply with paragraph (c) of this Section), the amount of such Letter of Credit, the Agreed Currency applicable thereto, the name and address of the beneficiary thereof and such other information as shall be necessary to prepare, amend, renew or extend such Letter of Credit. If requested by the Issuing Bank, the Company also shall submit a letter of credit application on the Issuing Bank's standard form in connection with any request for a Letter of Credit. A Letter of Credit shall be issued, amended, renewed or extended only if (and upon issuance, amendment, renewal or extension of each Letter of Credit the Borrowers shall be deemed to represent and warrant that), after giving effect to such issuance, amendment, renewal or extension, subject to Sections 2.04 and 2.11(c), (i) (x) the aggregate undrawn amount of all outstanding Letters of Credit issued by the Issuing Bank at such time plus (y) the aggregate amount of all LC Disbursements made by the Issuing Bank that have not yet been reimbursed by or on behalf of the Borrower at such time shall not exceed its Letter of Credit Commitment, (ii) the sum of the Dollar Amount of the Revolving Credit Exposure of each Lender shall not exceed such Lender's

Commitment, and (iii) the Dollar Amount of the Total Revolving Credit Exposures shall not exceed the total Commitments. The Company may, at any time and from time to time, reduce the Letter of Credit Commitment of any Issuing Bank with the consent of such Issuing Bank; provided that the Company shall not reduce the Letter of Credit Commitment of any Issuing Bank if, after giving effect of such reduction, the conditions set forth in clauses (i) through (iii) above shall not be satisfied.

(c) Expiration Date. Each Letter of Credit shall expire (or be subject to termination by notice from the Issuing Bank to the beneficiary thereof) at or prior to the close of business on the earlier of (i) the date one (1) year after the date of the issuance of such Letter of Credit (or, in the case of any renewal or extension thereof, one (1) year after such renewal or extension) and (ii) the date that is five (5) Business Days prior to the Maturity Date (unless such Letter of Credit has been cash collateralized in a manner satisfactory to the Issuing Bank); provided that any Letter of Credit may contain customary automatic renewal provisions agreed upon by the Company and the Issuing Bank pursuant to which the expiration date of such Letter of Credit shall be automatically extended for a period of up to 12 months (but not to a date later than the date set forth in clause (ii) above (unless such Letter of Credit has been cash collateralized in a manner satisfactory to the Issuing Bank)).

(d) Participations. By the issuance of a Letter of Credit (or an amendment to a Letter of Credit increasing the amount thereof) and without any further action on the part of the Issuing Bank or the Lenders, the Issuing Bank hereby grants to each Lender, and each Lender hereby acquires from the Issuing Bank, a participation in such Letter of Credit equal to such Lender's Applicable Percentage of the aggregate amount available to be drawn under such Letter of Credit. In consideration and in furtherance of the foregoing, each Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of the Issuing Bank, such Lender's Applicable Percentage of each LC Disbursement made by the Issuing Bank and not reimbursed by the Company on the date due as provided in paragraph (e) of this Section, or of any reimbursement payment required to be refunded to the Company for any reason. Each Lender acknowledges and agrees that its obligation to acquire participations pursuant to this paragraph in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of a Default or reduction or termination of the Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever.

(e) Reimbursement. If the Issuing Bank shall make any LC Disbursement in respect of a Letter of Credit, the Company shall reimburse such LC Disbursement by paying to the Administrative Agent in an amount equal to such LC Disbursement not later than 1:00 p.m., Local Time, on the date that such LC Disbursement is made, if the Company shall have received notice of such LC Disbursement prior to 10:00 a.m., Local Time, on such date, or, if such notice has not been received by the Company prior to such time on such date, then not later than 1:00 p.m., Local Time, on the Business Day immediately following the day that the Company receives such notice; provided that, if such LC Disbursement is not less than a Dollar Amount of \$100,000, the Company may, subject to the conditions to borrowing set forth herein, request in accordance with Section 2.03 or 2.05 that such payment be financed with an ABR Revolving Borrowing or Swingline Loan in the Dollar Amount of such LC Disbursement and, to the extent so financed, the Company's obligation to make such payment shall be discharged and replaced by the resulting ABR Revolving Borrowing or Swingline Loan. If the Company fails to make such payment when due, the Administrative Agent shall notify each Lender of the applicable LC Disbursement, the payment then due from the Company in respect thereof and such Lender's Applicable Percentage thereof. Promptly following receipt of such notice, each Lender shall pay to the Administrative Agent its Applicable Percentage of the payment then due from the Company, in the same manner as provided in Section 2.07 with respect to Loans made by such Lender (and Section 2.07 shall apply, mutatis mutandis, to the payment obligations of the Lenders), and the Administrative Agent shall promptly pay to the Issuing Bank the amounts so received by it from the Lenders. Promptly following receipt by the Administrative Agent of

any payment from the Company pursuant to this paragraph, the Administrative Agent shall distribute such payment to the Issuing Bank or, to the extent that Lenders have made payments pursuant to this paragraph to reimburse the Issuing Bank, then to such Lenders and the Issuing Bank as their interests may appear. Any payment made by a Lender pursuant to this paragraph to reimburse the Issuing Bank for any LC Disbursement (other than the funding of ABR Revolving Loans or a Swingline Loan as contemplated above) shall not constitute a Loan and shall not relieve the Company of its obligation to reimburse such LC Disbursement. If the Company's reimbursement of, or obligation to reimburse, any amounts in any Foreign Currency would subject a Credit Party to any stamp duty, ad valorem charge or similar tax that would not be payable if such reimbursement were made or required to be made in U.S. Dollars, the Company shall, at its option, either (x) pay the amount of any such tax requested by such Credit Party or (y) reimburse each LC Disbursement made in such Foreign Currency in U.S. Dollars, in an amount equal to the Dollar Amount, calculated using the applicable exchange rates, on the date such LC Disbursement is made, of such LC Disbursement.

(f) Obligations Absolute. The Company's obligation to reimburse LC Disbursements as provided in paragraph (e) of this Section shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision therein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by the Issuing Bank under a Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit, (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section, constitute a legal or equitable discharge of, or provide a right of setoff against, the Company's obligations hereunder or (v) any adverse change in the relevant exchange rates or in the availability of the relevant Foreign Currency to the Company or any Subsidiary or in the relevant currency markets generally. Neither the Credit Parties nor any of their Related Parties shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of the Issuing Bank; provided that the foregoing shall not be construed to excuse the Issuing Bank from liability to the Company to the extent of any direct damages (as opposed to special, indirect, consequential or punitive damages, claims in respect of which are hereby waived by the Company to the extent permitted by applicable law) suffered by the Company that are caused by the Issuing Bank's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence or willful misconduct on the part of the Issuing Bank (as finally determined by a court of competent jurisdiction), the Issuing Bank shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented which appear on their face to be in substantial compliance with the terms of a Letter of Credit, the Issuing Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(g) Disbursement Procedures. The Issuing Bank shall, within the time allowed by applicable law or the specific terms of the Letter of Credit following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. The Issuing Bank shall promptly notify the Administrative Agent and the Company by telephone (confirmed by telecopy) of such

demand for payment and whether the Issuing Bank has made or will make an LC Disbursement thereunder; provided that any failure to give or delay in giving such notice shall not relieve the Company of its obligation to reimburse the Issuing Bank and the Lenders with respect to any such LC Disbursement.

(h) Interim Interest. If the Issuing Bank shall make any LC Disbursement, then, unless the Company shall reimburse such LC Disbursement in full on the date such LC Disbursement is made, the unpaid amount thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date that the reimbursement is due and payable at the rate per annum then applicable to ABR Revolving Loans (or, if such LC Disbursement is denominated in a Foreign Currency, at the Overnight Rate for such Foreign Currency plus the then effective Applicable Rate with respect to ~~Eurocurrency~~ Term Benchmark Revolving Loans), and such interest shall be due and payable on the date when such reimbursement is payable; provided that, if the Company fails to reimburse such LC Disbursement when due pursuant to paragraph (e) of this Section, then Section 2.13(d) shall apply. Interest accrued pursuant to this paragraph shall be for the account of the Issuing Bank, except that interest accrued on and after the date of payment by any Lender pursuant to paragraph (e) of this Section to reimburse the Issuing Bank shall be for the account of such Lender to the extent of such payment.

(i) Replacement of the Issuing Bank. The Issuing Bank may be replaced at any time by written agreement among the Company, the Administrative Agent, the replaced Issuing Bank and the successor Issuing Bank. The Administrative Agent shall notify the Lenders of any such replacement of the Issuing Bank. At the time any such replacement shall become effective, the Company shall pay all unpaid fees accrued for the account of the replaced Issuing Bank pursuant to Section 2.12(b). From and after the effective date of any such replacement, (i) the successor Issuing Bank shall have all the rights and obligations of the Issuing Bank under this Agreement with respect to Letters of Credit to be issued thereafter and (ii) references herein to the term "Issuing Bank" shall be deemed to refer to such successor or to any previous Issuing Bank, or to such successor and all previous Issuing Banks, as the context shall require. After the replacement of an Issuing Bank hereunder, the replaced Issuing Bank shall remain a party hereto and shall continue to have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such replacement, but shall not be required to issue additional Letters of Credit. Subject to the prior appointment and acceptance of a successor Issuing Bank, any Issuing Bank may resign as an Issuing Bank at any time upon 30 days' prior written notice to the Administrative Agent, the Company and the Lenders, in which case, such Issuing Bank shall be replaced in accordance with this Section 2.06(i).

(j) Cash Collateralization. If any Event of Default shall occur and be continuing, on the Business Day that the Company receives notice from the Administrative Agent at the written request of the Required Lenders (or, if the maturity of the Loans has been accelerated, Lenders with LC Exposure representing greater than fifty percent (50%) of the total LC Exposure) demanding the deposit of cash collateral pursuant to this paragraph, the Company shall deposit in an account with the Administrative Agent, in the name of the Administrative Agent and for the benefit of the Issuing Bank and the Lenders, an amount in cash equal to the LC Exposure as of such date plus any accrued and unpaid interest thereon; provided that the obligation to deposit such cash collateral shall become effective immediately, and such deposit shall become immediately due and payable, without demand or other notice of any kind, upon the occurrence of any Event of Default with respect to any Borrower described in clause (g) or (h) of Article VII. Such deposit shall be held by the Administrative Agent as collateral for the payment and performance of the Obligations. The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account, and the Borrowers hereby grant to the Administrative Agent, for the benefit of the Issuing Bank and the Lenders, a security interest in such account. Other than any interest earned on the investment of such deposits, which investments shall be made at the option and sole discretion of the Administrative Agent and at the Company's risk and expense, such deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in such account. Moneys in

such account shall be applied by the Administrative Agent to reimburse the Issuing Bank for LC Disbursements for which it has not been reimbursed and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the Company for the LC Exposure at such time or, if the maturity of the Loans has been accelerated (but subject to the consent of Lenders with LC Exposure representing greater than fifty percent (50%) of the total LC Exposure), be applied to satisfy other Obligations. If the Company is required to provide an amount of cash collateral hereunder as a result of the occurrence of an Event of Default, such amount (to the extent not applied as aforesaid) shall be returned to the Company within three (3) Business Days after all Events of Default have been cured or waived.

SECTION 2.07 Funding of Borrowings.

(a) Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds (i) in the case of Loans denominated in U.S. Dollars, by 12:00 noon, New York City time, to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders, and (ii) in the case of Loans denominated in a Foreign Currency, by 12:00 noon, Local Time, in the city of the Administrative Agent's ~~Eurocurrency~~ Foreign Currency Payment Office for such Foreign Currency and at such ~~Eurocurrency~~ Foreign Currency Payment Office; provided that Swingline Loans shall be made as provided in Section 2.05. The Administrative Agent will make such Loans available to the applicable Borrower by promptly crediting the amounts so received, in like funds, to (x) in the case of Loans denominated in U.S. Dollars, an account of such Borrower maintained with the Administrative Agent in New York City and designated by the Company in the applicable Borrowing Request, and (y) in the case of Loans denominated in a Foreign Currency, an account of such Borrower in the relevant jurisdiction and designated by the Company in the applicable Borrowing Request; provided that ~~ABR~~ Revolving Loans made to finance the reimbursement of an LC Disbursement as provided in Section 2.06(e) shall be remitted by the Administrative Agent to the Issuing Bank.

(b) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing (or in the case of an ABR Borrowing, prior to 12:00 noon, New York City time, on the date of such Borrowing) that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section and may, in reliance upon such assumption, make available to the applicable Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the applicable Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the applicable Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, the greater of the applicable Overnight Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation or (ii) in the case of such Borrower, the interest rate applicable to ABR Loans, or in the case of Foreign Currencies, in accordance with relevant market practice, in each case, as applicable. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing.

SECTION 2.08 Interest Elections.

(a) Each Revolving Borrowing initially shall be of the Type and Agreed Currency specified in the applicable Borrowing Request and, in the case of a ~~Eurocurrency~~ Term Benchmark Revolving Borrowing, shall have an initial Interest Period as specified in such Borrowing Request. Thereafter, the Company may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a ~~Eurocurrency~~ Term Benchmark Revolving Borrowing, may elect Interest Periods therefor, all as provided in this Section. The Company may elect different options with respect to

different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing. This Section shall not apply to Swingline Borrowings, which may not be converted or continued.

(b) To make an election pursuant to this Section, the Company shall notify the Administrative Agent of such election by telecopy of a written Interest Election Request in a form approved by the Administrative Agent and signed by the Company by the time that a Borrowing Request would be required under Section 2.03 if the Company were requesting a Revolving Borrowing of the Type resulting from such election to be made on the effective date of such election. Notwithstanding any other provision of this Section, the Company shall not be permitted to (i) change the currency of any Borrowing, (ii) elect an Interest Period for Eurocurrency Term Benchmark Loans that does not comply with Section 2.02(d) or (iii) convert any Borrowing to a Borrowing of a Type not available to the applicable Borrower for such Borrowing when it was made.

(c) Each written Interest Election Request shall be irrevocable and shall specify the following information in compliance with Section 2.02:

- (i) the name of the applicable Borrower and the Agreed Currency and principal amount of the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);
- (ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;
- (iii) whether the resulting Borrowing is to be an ABR Borrowing, a Eurocurrency Term Benchmark Borrowing ~~or~~, a Canadian Prime Rate Borrowing or an RFR Borrowing, as applicable; and
- (iv) if the resulting Borrowing is a Eurocurrency Term Benchmark Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which Interest Period shall be a period contemplated by the definition of the term "Interest Period".

If any such Interest Election Request requests a Eurocurrency Term Benchmark Borrowing but does not specify an Interest Period, then the Company shall be deemed to have selected an Interest Period of one (1) month's duration.

(d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If the Company fails to deliver a timely Interest Election Request with respect to a Eurocurrency Term Benchmark Borrowing denominated in U.S. Dollars prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be ~~converted to an ABR Borrowing at the end of such Interest Period. If the Company fails to deliver a timely Interest Election Request with respect to a Eurocurrency Borrowing denominated in Canadian Dollars prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted~~

~~to an Canadian Prime Rate Borrowing at the end of such Interest Period~~ deemed to have an Interest Period that is one (1) month. If the Company fails to deliver a timely and complete Interest Election Request with respect to a Eurocurrency Term Benchmark Borrowing denominated in a Foreign Currency ~~(other than Canadian Dollars)~~ prior to the end of the Interest Period therefor, then, unless such Eurocurrency Term Benchmark Borrowing is repaid as provided herein, the Company shall be deemed to have selected that such Eurocurrency Term Benchmark Borrowing shall automatically be continued as a Eurocurrency Term Benchmark Borrowing in its original Agreed Currency with an Interest Period of one ~~(1)~~ month at the end of such Interest Period. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent, at the request of the Required Lenders, so notifies the Company, then, so long as an Event of Default is continuing (i) no outstanding Borrowing may be converted to or continued as a Eurocurrency Term Benchmark Borrowing and (ii) unless repaid, ~~(xw)~~ each Eurocurrency Term Benchmark Borrowing and each RFR Borrowing, in each case denominated in U.S. Dollars shall be converted to an ABR Borrowing ~~(in the case of a Term Benchmark Borrowing) at the end of the Interest Period applicable thereto or (in the case of an RFR Borrowing) on the next Interest Payment Date in respect thereof,~~ ~~(x)~~ each Term Benchmark Borrowing denominated in Japanese Yen shall be converted to a Loan that bears interest at the Japanese Prime Rate plus the Applicable Rate at the end of the Interest Period applicable thereto, (y) each Eurocurrency Term Benchmark Borrowing denominated in Canadian Dollars shall be converted to ~~an~~ a Loan that bears interest at the Canadian Prime Rate ~~Borrowing~~ plus the Applicable Rate at the end of the Interest Period applicable thereto and (z) each Eurocurrency Term Benchmark Borrowing and each RFR Borrowing, in each case denominated in a Foreign Currency ~~(other than Japanese Yen or Canadian Dollars)~~, shall bear interest at the Central Bank Rate for the applicable Agreed Currency plus the Applicable Rate; provided that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate for the applicable Agreed Currency ~~(or in the case of (1) Japanese Yen, the Japanese Prime Rate or (2) Canadian Dollars, the Canadian Prime Rate)~~ cannot be determined, any outstanding affected Eurocurrency Term Benchmark Loans or RFR Loans denominated in any Foreign Currency ~~(other than Canadian Dollars)~~ shall either be (A) converted to an ABR Borrowing denominated in U.S. Dollars (in an amount equal to the Dollar Amount of such Foreign Currency) at the end of the Interest Period ~~or on the Interest Payment Date, as applicable,~~ therefor or (B) prepaid at the end of the applicable Interest Period ~~or on the Interest Payment Date, as applicable,~~ in full; provided that if no election is made by the applicable Borrower by the earlier of (x) the date that is three (3) Business Days after receipt by the ~~Borrower~~ Company of such notice and (y) the last day of the current Interest Period for the applicable Eurocurrency Term Benchmark Loan, ~~the~~ such Borrower shall be deemed to have elected clause (A) above.

SECTION 2.09 Termination and Reduction of Commitments.

(a) Unless previously terminated, the Commitments shall terminate on the Maturity Date.

SECTION 2.15 Increased Costs.

- (a) If any Change in Law shall:
- (i) impose, modify or deem applicable any reserve, special deposit, liquidity or similar requirement (including any compulsory loan requirement, insurance charge or other assessment) against assets of, deposits with or for the account of, or credit extended by, any Lender (except any such reserve requirement reflected in the applicable Relevant Adjusted Rate) or the Issuing Bank;
 - (ii) impose on any Lender or the Issuing Bank or any applicable interbank market any other condition, cost or expense (other than Taxes) affecting any Loan Document or Loans made by such Lender or any Letter of Credit or participation therein; or
 - (iii) subject any Recipient to any Taxes (other than Indemnified Taxes or Excluded Taxes; provided, however, that Other Connection Taxes imposed specifically with respect to banks, financial institutions, or financial transactions by any national or international taxing authority shall not be treated as Excluded Taxes for purposes of this Section 2.15(a)(iii)) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

and the result of any of the foregoing shall be to increase the cost to such Lender or such other Recipient of making, continuing, converting or maintaining any Loan or of maintaining its obligation to make any such Loan (including pursuant to any conversion of any Borrowing denominated in an Agreed Currency to a Borrowing denominated in any other Agreed Currency) or to increase the cost to such Lender, the Issuing Bank or such other Recipient of participating in, issuing or maintaining any Letter of Credit (including pursuant to any conversion of any Borrowing denominated in an Agreed Currency to a Borrowing denominated in any other Agreed Currency) or to reduce the amount of any sum received or receivable by such Lender, the Issuing Bank or such other Recipient hereunder, whether of principal, interest or otherwise (including pursuant to any conversion of any Borrowing denominated in an Agreed Currency to a Borrowing denominated in any other Agreed Currency), then the Company will pay (or cause the applicable Designated Borrower to pay) to such Lender, the Issuing Bank or such other Recipient, as the case may be, such additional amount or amounts as will compensate such Lender, the Issuing Bank or such other Recipient, as the case may be, for such additional costs incurred or reduction suffered.

(b) If any Lender or the Issuing Bank reasonably determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's or the Issuing Bank's capital or on the capital of such Lender's or the Issuing Bank's holding company, if any, as a consequence of any Loan Document or the Loans made by, or participations in Letters of Credit held by, such Lender, or the Letters of Credit issued by the Issuing Bank, to a level below that which such Lender or the Issuing Bank or such Lender's or the Issuing Bank's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or the Issuing Bank's policies and the policies of such Lender's or the Issuing Bank's holding company with respect to capital adequacy

and liquidity), then from time to time the Company will pay (or cause the applicable Designated Borrower to pay) to such Lender or the Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Lender or the Issuing Bank or such Lender's or the Issuing Bank's holding company for any such reduction suffered.

(c) A certificate of a Lender or the Issuing Bank setting forth the amount or amounts necessary to compensate such Lender or the Issuing Bank or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section shall be delivered to the Company and shall be conclusive absent manifest error. The Company shall pay (or cause the applicable Designated Borrower to pay) such Lender or the Issuing Bank, as the case may be, the amount shown as due on any such certificate within ten (10) days after receipt thereof.

(d) Failure or delay on the part of any Lender or the Issuing Bank to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's or the Issuing Bank's right to demand such compensation; provided that no Borrower shall be required to compensate a Lender or the Issuing Bank pursuant to this Section for any increased costs or reductions incurred more than two hundred seventy (270) days prior to the date that such Lender or the Issuing Bank, as the case may be, notifies the Company of the Change in Law giving rise to such increased costs or reductions and of such Lender's or the Issuing Bank's intention to claim compensation therefor; provided further that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the two hundred seventy (270) day period referred to above shall be extended to include the period of retroactive effect thereof.

SECTION 2.16 Break Funding Payments.

(a) With respect to Loans that are ~~not RFR~~ Term Benchmark Loans, in the event of (i) the payment of any principal of any ~~Eurocurrency~~ Term Benchmark Loan, other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default or as a result of any prepayment pursuant to Section 2.11), (ii) the conversion of any ~~Eurocurrency~~ Term Benchmark Loan other than on the last day of the Interest Period applicable thereto, (iii) the failure to borrow, convert, continue or prepay any ~~Eurocurrency~~ Term Benchmark Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 2.11(b) and is revoked in accordance therewith), (iv) the assignment of any ~~Eurocurrency~~ Term Benchmark Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Company pursuant to Section 2.19 or Section 10.02(d) or (v) the failure by the applicable Borrower to make any payment of any Loan or drawing under any Letter of Credit (or interest due thereof) denominated in a Foreign Currency on its scheduled due date or any payment thereof in a different currency, then, in any such event, the Company shall compensate (or cause the applicable Designated Borrower to compensate) each Lender for the loss, cost and expense attributable to such event. Such loss, cost or expense to any Lender shall be deemed to include an amount determined by such Lender to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of such Loan had such event not occurred, at the applicable Relevant Adjusted Rate that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest which would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for deposits in the applicable currency of a comparable amount and period from other banks in the applicable offshore market for such Agreed Currency, whether or not such ~~Eurocurrency~~ Term Benchmark Loan was in fact so funded. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be delivered to the Company and shall be conclusive absent manifest error. The Company shall pay (or cause the applicable Designated Borrower to pay) such Lender the amount shown as due on any such certificate within ten (10) days after receipt thereof.

(b) With respect to RFR Loans, in the event of (i) the payment of any principal of any RFR Loan other than on the Interest Payment Date applicable thereto (including as a result of an Event of Default or as a result of any prepayment pursuant to Section 2.11), (ii) the failure to borrow, convert, continue or prepay any RFR Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 2.11(b) and is revoked in accordance therewith), (iii) the assignment of any RFR Loan other than on the Interest Payment Date applicable thereto as a result of a request by the Company pursuant to Section 2.19 or Section 10.02(d) or (iv) the failure by the applicable Borrower to make any payment of any Loan or drawing under any Letter of Credit (or interest due thereof) denominated in a Foreign Currency on its scheduled due date or any payment thereof in a different currency, then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be delivered to the Company and shall be conclusive absent manifest error. The Company shall pay (or cause the applicable Designated Borrower to pay) such Lender the amount shown as due on any such certificate within ten (10) days after receipt thereof.

SECTION 2.17 Taxes.

(a) Payments Free of Taxes. Any and all payments by or on account of any obligation of Company or any Borrower under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable withholding agent) requires the deduction or withholding of any Tax from any such payment by a withholding agent, then the applicable withholding agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by Company or the applicable Borrower shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 2.17) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(a) Payment of Other Taxes by the Borrowers. The Company and the Borrowers shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for, Other Taxes.

(b) Evidence of Payment. As soon as practicable after any payment of Taxes by the Company or any Borrower to a Governmental Authority pursuant to this Section 2.17, such Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(c) Indemnification by the Borrowers. The Company and the Borrowers shall indemnify each Recipient, within ten (10) days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the applicable Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(d) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent, within ten (10) days after demand therefor, for (i) any Indemnified Taxes attributable

to such Lender (but only to the extent that any Borrower has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Borrowers to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 10.04(c) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (e).

(e) Status of Lenders.

(i) Any Lender that is entitled to an exemption from or reduction of any applicable withholding Tax with respect to payments made under any Loan Document shall deliver to the Company and the Administrative Agent, at the time or times reasonably requested by the Company or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Company or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Company or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Company or the Administrative Agent as will enable the Company or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.17(f)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender (it being understood that providing information required under current law shall not be considered prejudicial to the position of a Recipient).

(ii) Without limiting the generality of the foregoing, in the event that any Borrower is a U.S. Person,

(A) any Lender that is a U.S. Person shall deliver to the Company and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Company or the Administrative Agent), executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Company and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Company or the Administrative Agent), whichever of the following is applicable:

- (1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed copies of IRS Form W-8BEN or Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “interest” article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “business profits” or “other income” article of such tax treaty;
- (2) in the case of a Foreign Lender claiming that its extension of credit will generate U.S. effectively connected income, executed copies of IRS Form W-8ECI;
- (3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit B-1 to the effect that such Foreign Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10 percent shareholder” of such Borrower within the meaning of Section 871(h)(3)(B) of the Code, or a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code (a “**U.S. Tax Compliance Certificate**”) and (y) executed copies of IRS Form W-8BEN; or
- (4) to the extent a Foreign Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or Form W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit B-2 or Exhibit B-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit B-4 on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Company and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Company or the Administrative Agent), executed copies of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary

documentation as may be prescribed by applicable law to permit the Company or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Company and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Company or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Company or the Administrative Agent as may be necessary for the Company and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Company and the Administrative Agent in writing of its legal inability to do so.

(f) Additional United Kingdom Withholding Tax Matters.

(i) Subject to clause (ii) below, each Lender and each UK Borrower which makes a payment to such Lender shall cooperate in completing any procedural formalities necessary for such UK Borrower to obtain authorization to make such payment without withholding or deduction for Taxes imposed under the laws of the United Kingdom.

(ii)

(A) A Lender which at any time (x) holds a passport under the HMRC DT Treaty Passport scheme and (y) wishes such scheme to apply to this Agreement, shall provide its scheme reference number and its jurisdiction of tax residence to each UK Borrower and the Administrative Agent.

(B) Upon satisfying either clause (A) above, such Lender shall have satisfied its obligation under paragraph (g)(i) above.

(iii) If a Lender has confirmed its scheme reference number and its jurisdiction of tax residence in accordance with paragraph (g)(ii) above, the UK Borrower(s) shall make a Borrower DTTP Filing with respect to such Lender, and shall promptly provide such Lender with a copy of such filing; provided that, if:

(A) each UK Borrower making a payment to such Lender has not made a Borrower DTTP Filing in respect of such Lender; or

(B) each UK Borrower making a payment to such Lender has made a Borrower DTTP Filing in respect of such Lender but:

- (1) such Borrower DTTP Filing has been rejected by HM Revenue & Customs; or
- (2) HM Revenue & Customs has not given such UK Borrower authority to make payments to such Lender without a deduction for tax within sixty (60) days of the date of such Borrower DTTP Filing;

and in each case, such UK Borrower has notified that Lender in writing of either (1) or (2) above, then such Lender and such UK Borrower shall co-operate in completing any additional procedural formalities necessary for such UK Borrower to obtain authorization to make that payment without withholding or deduction for Taxes imposed under the laws of the United Kingdom.

- (iv) If a Lender has not confirmed its scheme reference number and jurisdiction of tax residence in accordance with paragraph (g)(ii) above, no UK Borrower shall make a Borrower DTTP Filing or file any other form relating to the HMRC DT Treaty Passport scheme in respect of that Lender's Commitment or its participation in any Loan unless the Lender otherwise agrees.
- (v) Each UK Borrower shall, promptly on making a Borrower DTTP Filing, deliver a copy of such Borrower DTTP Filing to the Administrative Agent for delivery to the relevant Lender.
- (vi) Each Lender shall notify the Company and Administrative Agent if it determines in its sole discretion that it ceases to be entitled to claim the benefits of an income tax treaty to which the United Kingdom is a party with respect to payments made by any U.K. Borrower hereunder.
- (vii) If a Lender assigns or transfers any of its rights or obligations under the Loan Documents or changes its lending office, and as a result of circumstances existing at the date the assignment, transfer or change occurs, a U.K. Borrower would be obligated to make a payment to the new Lender or Lender acting through its new lending office under Section 2.17, then a new Lender or Lender acting through its new lending office is only entitled to receive payment under this Section 2.17 to the same extent as the assigning Lender or Lender acting through its previous lending office would have been if the assignment, transfer or change had not occurred.

(g) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.17 (including by the payment of additional amounts pursuant to this Section 2.17), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 2.17 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (h) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (h), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (h) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified

party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(h) Survival. Each party's obligations under this Section 2.17 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

(i) Failure or delay on the part of any Lender or the Issuing Bank to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's or the Issuing Bank's right to demand such compensation; provided that no Borrower shall be required to compensate a Lender or the Issuing Bank pursuant to this Section for any Indemnified Taxes or Other Taxes paid or payable by a Recipient pursuant to Section 2.17(d) incurred more than two hundred seventy (270) days prior to the date that such Lender or the Issuing Bank, as the case may be, notifies the Company of such Lender's or the Issuing Bank's intention to claim compensation therefor; provided further that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the two hundred seventy (270) day period referred to above shall be extended to include the period of retroactive effect thereof.

(j) Defined Terms. For purposes of this Section 2.17, the term "Lender" includes any Issuing Bank and the term "applicable law" includes FATCA.

SECTION 2.18 Payments Generally; Pro Rata Treatment; Sharing of Set-offs.

(a) Each Borrower shall make each payment required to be made by it hereunder (whether of principal, interest, fees or reimbursement of LC Disbursements, or of amounts payable under Section 2.15, 2.16 or 2.17, or otherwise) prior to 12:00 noon, Local Time, on the date when due, in immediately available funds, without set off or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent at (x) in the case of payments denominated in U.S. Dollars, its offices at 383 Madison Avenue, New York, New York, and (y) in the case of payments denominated in a Foreign Currency, its ~~Eurocurrency~~ Foreign Currency Payment Office for such Foreign Currency, in each case except payments to be made directly to the Issuing Bank or Swingline Lenders as expressly provided herein and except that payments pursuant to Sections 2.15, 2.16, 2.17 and 9.03 shall be made directly to the Persons entitled thereto. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments hereunder of principal or interest in respect of any Loan or LC Disbursement shall, except as otherwise expressly provided herein, be made in the currency of such Loan or LC Disbursement, and all other payments hereunder and under each other Loan Document shall be made in U.S. Dollars. Notwithstanding the foregoing provisions of this Section, if, after the making of any Borrowing or LC Disbursement in any Foreign Currency, currency control or exchange regulations are imposed in the country which issues such Foreign Currency with the result that such Foreign Currency no longer exists or the applicable Borrower is not able to make payment to the Administrative Agent for the account of the Lenders in such Foreign Currency, then all payments to be made by such Borrower hereunder in such Foreign Currency shall instead be made when due in U.S. Dollars in an amount equal to the Dollar Amount (as of the date of repayment) of such payment due, it being the intention of the parties

hereto that such Borrower takes all risks of the imposition of any such currency control or exchange regulations.

(b) If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, unreimbursed LC Disbursements, interest and fees then due hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, towards payment of principal and unreimbursed LC Disbursements then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal and unreimbursed LC Disbursements then due to such parties.

(c) If any Lender shall, by exercising any right of set off or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Revolving Loans or participations in LC Disbursements or Swingline Loans resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Revolving Loans and participations in LC Disbursements and Swingline Loans and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Revolving Loans and participations in LC Disbursements and Swingline Loans of other Lenders to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Revolving Loans and participations in LC Disbursements and Swingline Loans; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph shall not be construed to apply to any payment made by any Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in LC Disbursements to any assignee or participant, other than to any Borrower or any Subsidiary or Affiliate thereof (as to which the provisions of this paragraph shall apply). Each Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against such Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Borrower in the amount of such participation.

(d) Unless the Administrative Agent shall have received notice from any Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or the Issuing Bank hereunder that such Borrower will not make such payment, the Administrative Agent may assume that such Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders or the Issuing Bank, as the case may be, the amount due. In such event, if such Borrower has not in fact made such payment, then each of the Lenders or the Issuing Bank, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or Issuing Bank with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the applicable Overnight Rate.

(e) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.05(d), 2.06(d) or (e), 2.07(b), 2.18(d) or 9.03(c), then the Administrative Agent may, in its discretion and notwithstanding any contrary provision hereof, apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid, and/or (ii) hold such amounts in a segregated account over which the Administrative Agent shall have exclusive control as cash collateral for, and

application to, any future funding obligations of such Lender under any such Section, in the case of each of clause (i) and (ii) above, in any order as determined by the Administrative Agent in its discretion.

SECTION 2.19 Mitigation Obligations; Replacement of Lenders.

(a) If any Lender requests compensation under Section 2.15, or if any Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or 2.17, as the case may be, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Company hereby agrees to pay (or cause the applicable Designated Borrower to pay) all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) If (i) any Lender requests compensation under Section 2.15, (ii) any Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, (iii) any Lender becomes a Defaulting Lender, or (iv) any Lender becomes a Non-Extending Lender, then the Company may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 10.04), all its interests, rights (other than its existing rights to payments pursuant to Section 2.15 or 2.17) and obligations under the Loan Documents to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that (x) the Company shall have received the prior written consent of the Administrative Agent (and if a Commitment is being assigned, the Issuing Bank and Swingline Lenders), which consent shall not unreasonably be withheld, (y) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in LC Disbursements and Swingline Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrowers (in the case of all other amounts) and (z) in the case of any such assignment resulting from a claim for compensation under Section 2.15 or payments required to be made pursuant to Section 2.17, such assignment will result in a reduction in such compensation or payments. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Company to require such assignment and delegation cease to apply. Each party hereto agrees that (i) an assignment required pursuant to this clause (d) may be effected pursuant to an Assignment and Assumption executed by the Company, the Administrative Agent and the assignee (or, to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to a Platform as to which the Administrative Agent and such parties are participants), and (ii) the Lender required to make such assignment need not be a party thereto in order for such assignment to be effective and shall be deemed to have consented to and be bound by the terms thereof; provided that, following the effectiveness of any such assignment, the other parties to such assignment agree to execute and deliver such documents necessary to evidence such assignment as reasonably requested by the applicable Lender; provided that any such documents shall be without recourse to or warranty by the parties thereto.

SECTION 2.20 Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

- (a) fees shall cease to accrue on the Commitment of such Defaulting Lender pursuant to Section 2.12(a);
- (b) the Commitment and Revolving Credit Exposure of such Defaulting Lender shall not be included in determining whether all Lenders or the Required Lenders have taken or may take any action hereunder (including any consent to any amendment, waiver or other modification pursuant to Section 10.02); provided that any waiver, amendment or other modification requiring the consent of all Lenders or each affected Lender which affects such Defaulting Lender disproportionately when compared to the other affected Lenders, or increases or extends the Commitment of such Defaulting Lender, shall require the consent of such Defaulting Lender;
- (c) if any Swingline Exposure or LC Exposure exists at the time such Lender becomes a Defaulting Lender then:
- (i) all or any part of the Swingline Exposure and LC Exposure of such Defaulting Lender (other than the portion of such Swingline Exposure referred to in clause (b) of the definition of such term) shall be reallocated among the non-Defaulting Lenders in accordance with their respective Applicable Percentages but only (A) to the extent that the sum of all non-Defaulting Lenders' Revolving Credit Exposures plus such Defaulting Lender's Swingline Exposure and LC Exposure does not exceed the total of all non-Defaulting Lenders' Commitments, (B) to the extent that such reallocation does not cause the Revolving Credit Exposure of any non-Defaulting Lender to exceed such non-Defaulting Lender's Commitment, and (C) if the conditions set forth in Section 4.02 are satisfied at such time;
 - (ii) if the reallocation described in clause (i) above cannot, or can only partially, be effected, the Company shall within one (1) Business Day following notice by the Administrative Agent (A) first, prepay such Swingline Exposure and (B) second, cash collateralize for the benefit of the Issuing Bank only the Company's obligations corresponding to such Defaulting Lender's LC Exposure (after giving effect to any partial reallocation pursuant to clause (i) above) in accordance with the procedures set forth in Section 2.06(j) for so long as such LC Exposure is outstanding;
 - (iii) if the Company cash collateralizes any portion of such Defaulting Lender's LC Exposure pursuant to clause (ii) above, the Company shall not be required to pay any fees to such Defaulting Lender pursuant to Section 2.12(b) with respect to such Defaulting Lender's LC Exposure during the period such Defaulting Lender's LC Exposure is cash collateralized;
 - (iv) if the LC Exposure of the non-Defaulting Lenders is reallocated pursuant to clause (i) above, then the fees payable to the Lenders pursuant to Section 2.12(b) shall be adjusted in accordance with such non-Defaulting Lenders' Applicable Percentages; and
 - (v) if all or any portion of such Defaulting Lender's LC Exposure is neither reallocated nor cash collateralized pursuant to clause (i) or (ii) above, then, without prejudice to any rights or remedies of the Issuing Bank or any other Lender hereunder, all facility fees that otherwise would have been payable under Section 2.12(a) to such Defaulting Lender (solely with respect to the portion of such Defaulting Lender's Commitment that was utilized by such LC Exposure) and letter of credit fees

payable under Section 2.12(b) with respect to such Defaulting Lender's LC Exposure shall be payable to the Issuing Bank until and to the extent that such LC Exposure is reallocated and/or cash collateralized; and

(d) so long as such Lender is a Defaulting Lender, (i) no Swingline Lender shall be required to fund any Swingline Loan and the Issuing Bank shall not be required to issue, amend, renew or extend any Letter of Credit, unless it is satisfied that the related exposure and the Defaulting Lender's then outstanding LC Exposure will be one hundred percent (100%) covered by the Commitments of the non-Defaulting Lenders and/or cash collateral will be provided by the Company in accordance with clause (c) above, and (ii) Swingline Exposure related to any newly made Swingline Loan or LC Exposure related to any newly issued, amended, renewed or extended Letter of Credit shall be allocated among non-Defaulting Lenders in a manner consistent with clause (c)(i) above (and such Defaulting Lender shall not participate therein).

In the event that the Administrative Agent, the Company, each Swingline Lender and the Issuing Bank each agrees that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then the Swingline Exposure and LC Exposure of the Lenders shall be readjusted to reflect the inclusion of such Lender's Commitment and on such date such Lender shall purchase at par such of the Loans of the other Lenders (other than Swingline Loans) as the Administrative Agent shall determine may be necessary in order for such Lender to hold such Loans in accordance with its Applicable Percentage.

SECTION 2.21 Expansion Option.

(a) The Company may from time to time, but not more than five (5) times during the term of this Agreement, elect to increase the aggregate Commitments and/or enter into one or more tranches of term loans (each, an "**Incremental Term Loan**"), in each case in a minimum amount of \$10,000,000 and an integral multiple of \$5,000,000 in excess thereof so long as, after giving effect thereto, the aggregate amount of such Commitment increases and all such Incremental Term Loans does not exceed \$500,000,000. The Company may arrange for any such Commitment increase or Incremental Term Loan to be provided by one or more Lenders (each Lender so agreeing to an increase in its Commitment, or to participate in such Incremental Term Loans, an "**Increasing Lender**"), or by one or more new banks, financial institutions or other entities (each such new bank, financial institution or other entity, an "**Augmenting Lender**"), to increase their existing Commitments, or to participate in such Incremental Term Loans, or extend Commitments, as the case may be; provided that (i) each Augmenting Lender shall be subject to the approval of the Company and the Administrative Agent and, except in the case of an Incremental Term Loan, the Swingline Lenders and the Issuing Banks, which approvals shall not be unreasonably withheld and (ii) (A) in the case of an Increasing Lender, the Company and such Increasing Lender execute an agreement substantially in the form of Exhibit F, and (B) in the case of an Augmenting Lender, the Company and such Augmenting Lender execute an agreement substantially in the form of Exhibit G hereto. No consent of any Lender (other than the Lenders participating in such Commitment increase or Incremental Term Loan) shall be required for any such increase or Incremental Term Loan pursuant to this Section 2.21.

(b) Commitment increases, new Commitments and Incremental Term Loans created pursuant to this Section 2.21 shall become effective on the date agreed by the Company, the Administrative Agent and the relevant Increasing Lenders and/or Augmenting Lenders, and the Administrative Agent shall notify each Lender thereof. Notwithstanding the foregoing, no increase in the aggregate Commitments (or in the Commitment of any Lender) or Incremental Term Loan shall become effective under this paragraph unless (i) on the proposed date of the effectiveness of such Commitment increase or Incremental Term Loan, (A) the conditions set forth in paragraphs (a) and (b) of Section 4.02 shall be satisfied both before and immediately after giving effect to such Commitment increase or Incremental Term Loan or waived by

the Required Lenders, and the Administrative Agent shall have received a certificate to that effect dated such date and executed by a Financial Officer of the Company and (B) the Company shall be in pro forma compliance with the Consolidated Net Leverage Ratio covenant set forth in Section 6.05, with Consolidated Total Debt measured as of the date of and immediately after giving effect to any funding in connection with such Commitment increase or Incremental Term Loan (and the application of proceeds thereof to the repayment of any other Indebtedness) and Consolidated EBITDA measured for the Reference Period then most recently ended for which the Company has delivered financial statements pursuant to Sections 5.01(a) or (b), and (ii) the Administrative Agent shall have received documents consistent with those delivered on the Effective Date as to the corporate power and authority of the Borrowers to borrow hereunder immediately after giving effect to such Commitment increase or Incremental Term Loan.

(c) On the effective date of any increase in the aggregate Commitments or any Incremental Term Loan being made, (i) each relevant Increasing Lender and Augmenting Lender shall make available to the Administrative Agent such amounts in immediately available funds as the Administrative Agent shall determine, for the benefit of the other Lenders, as being required in order to cause, after giving effect to such Commitment increase and the use of such amounts to make payments to such other Lenders, each Lender's portion of the outstanding Revolving Loans of all the Lenders to equal its Applicable Percentage of such outstanding Revolving Loans, and (ii) the Borrowers shall be deemed to have repaid and reborrowed all outstanding Revolving Loans as of the date of any increase in the Commitments (with such reborrowing to consist of the Types of Revolving Loans, with related Interest Periods if applicable, specified in a notice delivered by the Company, in accordance with the requirements of Section 2.03). The deemed payments made pursuant to clause (ii) of the immediately preceding sentence shall be accompanied by payment of all accrued interest on the amount prepaid and, in respect of each Eurocurrency Term Benchmark Loan, Canadian Prime Rate Loan and RFR Loan, shall be subject to indemnification by the Borrowers pursuant to the provisions of Section 2.16 if the deemed payment occurs other than on the last day of the related Interest Periods (or, in the case of an RFR Loan other than on the Interest Payment Date applicable thereto).

(d) The Incremental Term Loans (i) shall rank pari passu in right of payment with the Revolving Loans, (ii) shall not mature earlier than the Maturity Date (but may have amortization prior to such date) and (iii) shall be treated substantially the same as (and in any event no more favorably than) the Revolving Loans; provided that (x) the terms and conditions applicable to any Incremental Term Loan maturing after the Maturity Date may provide for material additional or different financial or other covenants or prepayment requirements applicable only during periods after the Maturity Date and (y) the Incremental Term Loans may be priced differently than the Revolving Loans.

(e) Incremental Term Loans may be made hereunder pursuant to an amendment or restatement (an "**Incremental Term Loan Amendment**") of this Agreement and, as appropriate, the other Loan Documents, executed by the Company, each Increasing Lender participating in such Incremental Term Loan, each Augmenting Lender participating in such Incremental Term Loan, if any, and the Administrative Agent. Each Incremental Term Loan Amendment may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent, to effect the provisions of this Section 2.21. Nothing contained in this Section 2.21 shall constitute, or otherwise be deemed to be, a commitment on the part of any Lender to increase its Commitment hereunder, or provide Incremental Term Loans, at any time.

SECTION 2.22 Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due from any Borrower hereunder in the currency expressed to be payable herein (the "**specified currency**") into another currency, the parties hereto agree, to the fullest extent that they may effectively do so, that the rate of exchange used shall be that at which in accordance with normal

banking procedures the Administrative Agent could purchase the specified currency with such other currency at the Administrative Agent's main New York City office on the Business Day preceding that on which final, non-appealable judgment is given. The obligations of any Borrower in respect of any sum due to any Credit Party hereunder shall, notwithstanding any judgment in a currency other than the specified currency, be discharged only to the extent that on the Business Day following receipt by such Credit Party of any sum adjudged to be so due in such other currency such Credit Party may in accordance with normal, reasonable banking procedures purchase the specified currency with such other currency. If the amount of the specified currency so purchased is less than the sum originally due to such Credit Party in the specified currency, the applicable Borrower agrees, to the fullest extent that it may effectively do so, as a separate obligation and notwithstanding any such judgment, to indemnify such Credit Party against such loss, and if the amount of the specified currency so purchased exceeds (a) the sum originally due to any Credit Party in the specified currency and (b) any amounts shared with other Lenders as a result of allocations of such excess as a disproportionate payment to such Lender under Section 2.18, such Credit Party agrees to remit such excess to such Borrower.

SECTION 2.23 Designated Borrowers.

(a) Effective as of the date hereof, each Subsidiary identified on Schedule 2.23 shall be a Designated Borrower hereunder and may receive Revolving Loans for its account on the terms and conditions set forth in this Agreement.

(b) The Company may at any time, upon not less than fifteen (15) Business Days' notice from the Company to the Administrative Agent (or such shorter period as may be agreed by the Administrative Agent in its sole discretion), designate any additional wholly owned Subsidiary of the Company (an "**Applicant Borrower**") as a Designated Borrower to receive Revolving Loans hereunder by delivering to the Administrative Agent (which shall promptly deliver counterparts thereof to each Lender) a duly executed notice and agreement in substantially the form of Exhibit C (a "**Designated Borrower Request and Assumption Agreement**"). The parties hereto acknowledge and agree that prior to any Applicant Borrower becoming entitled to utilize the credit facilities provided for herein the Administrative Agent and the Lenders shall have (i) received such supporting resolutions, incumbency certificates, opinions of counsel and other documents or information, in form, content and scope reasonably satisfactory to the Administrative Agent, as may be required by the Administrative Agent or the Required Lenders in their reasonable discretion, and (ii) received promissory notes signed by such new Borrowers to the extent any Lenders so require. Furthermore, no Subsidiary of the Company shall become a Designated Borrower if (i) any Lender is not licensed to make Loans to such Subsidiary in the jurisdiction of its organization or (ii) it is otherwise unlawful for such Subsidiary to become a Designated Borrower or for any Lender to make Loans to such Subsidiary as provided herein. No Lender shall be obligated to make Loans to any Applicant Borrower or Designated Borrower if making such Loans by such Lender would (i) be unlawful, or (ii) cause additional costs (including Taxes) to be incurred by such Lender that would not otherwise be reimbursable under Section 2.17 or the other provisions of this Agreement. If the foregoing conditions have been satisfied, then promptly following receipt of all such requested resolutions, incumbency certificates, opinions of counsel and other documents or information, the Administrative Agent shall send a notice in substantially the form of Exhibit D (a "**Designated Borrower Notice**") to the Company and the Lenders specifying the effective date upon which the Applicant Borrower shall constitute a Designated Borrower for purposes hereof, whereupon each of the Lenders agrees to permit such Designated Borrower to receive Revolving Loans hereunder, on the terms and conditions set forth herein, and each of the parties agrees that such Designated Borrower otherwise shall be a Borrower for all purposes of this Agreement; provided that no Borrowing Request may be submitted on behalf of such Designated Borrower until the date that is five (5) Business Days after such effective date.

(c) The Obligations of the Company and each Designated Borrower that is a Domestic Subsidiary shall be joint and several in nature regardless of which Borrower actually borrows Revolving Loans hereunder or the amount of such Revolving Loans borrowed or the manner in which the Administrative Agent or any Lender accounts for such Revolving Loans on its books and records. The Obligations of all Foreign Obligors shall be several in nature, and notwithstanding any provision of this Agreement or in any other Loan Document, express or implied, in no event shall any Foreign Obligor be obligated to make any payments in respect of an Obligation of the Company or a Designated Borrower that is a Domestic Subsidiary. All provisions in this Agreement and each other Loan Document shall be interpreted and applied consistently with this Section 2.23(c), and if and where other provisions of this Agreement or any other Loan Document conflict with the provisions of this Section 2.23(c), the provisions of this Section 2.23(c) shall apply.

(d) Each Subsidiary that is or becomes a Designated Borrower pursuant to this Section 2.23 hereby irrevocably appoints the Company as its agent for all purposes relevant to the Loan Documents, including (i) the giving and receipt of notices, (ii) the execution and delivery of all documents, instruments and certificates contemplated herein and all modifications hereto, and (iii) the receipt of the proceeds of any Revolving Loans made by the Lenders to any such Designated Borrower hereunder. Any acknowledgment, consent, direction, certification or other action which might otherwise be valid or effective only if given or taken by all Borrowers, or by each Borrower acting singly, shall be valid and effective if given or taken only by the Company, whether or not any such other Borrower joins therein. Any notice, demand, consent, acknowledgment, direction, certification or other communication delivered to the Company in accordance with the terms of this Agreement shall be deemed to have been delivered to each Designated Borrower.

(e) The Company may from time to time, upon not less than fifteen (15) Business Days' notice from the Company to the Administrative Agent (or such shorter period as may be agreed by the Administrative Agent in its sole discretion), terminate a Designated Borrower's status as such, provided that there are no outstanding Revolving Loans payable by such Designated Borrower, or other amounts payable by such Designated Borrower on account of any Revolving Loans made to it, as of the effective date of such termination. The Administrative Agent will promptly notify the Lenders of any such termination of a Designated Borrower's status.

(f) If the selection of a particular Designated Borrower results (or is reasonably anticipated to result) in amounts becoming payable under Section 2.17, the Company may make a written request to the Administrative Agent for an amendment to this Agreement that would create a separate tranche of Lenders to provide credit to such Designated Borrower in a manner that would eliminate or minimize amounts payable under Section 2.17. The Administrative Agent and the Lenders agree to consider such amendment request in good faith. The Company hereby agrees to pay (or to cause the applicable Designated Borrower to pay) all reasonable costs and expenses incurred by the Administrative Agent or any Lender in connection with any such amendment, subject to compliance by the Lenders with the applicable provisions of Section 2.17(f).

(g) Illegality. If, in any applicable jurisdiction, the Administrative Agent, any Issuing Bank or any Lender determines that any law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for the Administrative Agent, any Issuing Bank or any Lender to (i) perform any of its obligations hereunder or under any other Loan Document, (ii) to fund or maintain its participation in any Loan or (iii) issue, make, maintain, fund or charge interest with respect to any Loan, in each of the foregoing cases to any Designated Borrower who is organized under the laws of a jurisdiction other than the United States, a state thereof or the District of Columbia, such Person shall promptly notify the Administrative Agent, then, upon the Administrative Agent notifying the Company, and until such notice by such Person is revoked, any obligation of such Person to issue, make, maintain, fund or charge interest

with respect to any such Loan shall be suspended, and to the extent required by applicable law, cancelled. Upon receipt of such notice, the Borrowers shall (A) repay that Person's participation in the Loans or other applicable Obligations on the last day of the Interest Period for each Loan or other Obligation occurring after the Administrative Agent has notified the Company or, if earlier, the date specified by such Person in the notice delivered to the Administrative Agent (being no earlier than the last day of any applicable grace period permitted by applicable law) and (B) take all reasonable actions requested by such Person to mitigate or avoid such illegality.

SECTION 2.24 Extension Options.

(a) Extension Requests. The Company may, by written notice to the Administrative Agent (which shall promptly deliver a copy thereof to each Lender) given not less than thirty (30) days and not more than ninety (90) days prior to each of the first and second anniversaries of the Effective Date, request a one-year extension of the Maturity Date then in effect (the Maturity Date then in effect being called the "**Existing Termination Date**"). Each Lender shall, by written notice to the Company and the Administrative Agent given not later than the twentieth (20th) day after the Administrative Agent's receipt of the applicable extension request, advise the Company and the Administrative Agent whether it agrees to such extension (each Lender agreeing to the applicable requested extension being called an "**Extending Lender**", and each Lender declining to agree to the applicable requested extension being called a "**Non-Extending Lender**"). Any Lender that has not so advised the Company and the Administrative Agent by such day shall be deemed to have declined to agree to such extension and shall be a Non-Extending Lender. If Required Lenders (including, for purposes of this calculation, each Lender that agrees to replace a Non-Extending Lender in accordance with Section 2.24(b)) agree to the applicable extension request, then the Maturity Date shall, as to the Extending Lenders, be extended to the first anniversary of the Existing Termination Date. The decision of any Lender to agree or withhold agreement to either such extension request shall be at the sole discretion of such Lender.

(b) Commitment Terminations. The Commitments of the Non-Extending Lenders shall terminate on the Existing Termination Date. The principal amount of outstanding Loans made by Non-Extending Lenders, together with accrued interest thereon and accrued fees and other amounts payable to or for the accounts of Non-Extending Lenders hereunder, shall be due and payable on the Existing Termination Date. On the Existing Termination Date the Borrowers shall also make such other prepayments of the Loans and, to the extent no Loans remain outstanding, cash collateralize, in a manner approved in writing by the Administrative Agent and the Issuing Bank, LC Exposure in an aggregate principal amount sufficient to cause the Dollar Amount of the Total Revolving Credit Exposures (calculated, with respect to Revolving Loans and LC Exposure denominated in Foreign Currencies, as of the most recent Computation Date with respect to each such Revolving Loans and LC Exposure) to be less than or equal to the total Commitments. The Company shall have the right, pursuant to and in accordance with Section 2.19(b), to replace a Non-Extending Lender with a Lender or other financial institution that will agree to the applicable extension request, and any such replacement Lender shall for all purposes constitute an Extending Lender.

(c) Rights of the Swingline Lenders and Issuing Bank. The Availability Period and the Maturity Date (without taking into consideration any extension pursuant to this Section 2.24), as such terms are used in reference to any Swingline Lender (or any Swingline Loans made by such Swingline Lender) or the Issuing Bank (or any Letters of Credit issued by the Issuing Bank), may not be extended without the prior written consent of such Swingline Lenders or each Issuing Bank, as the case may be, it being understood and agreed that, if such Swingline Lender or each Issuing Bank, as the case may be, does not consent to the applicable extension, (i) such Swingline Lender or such Issuing Bank, as the case may be, shall continue to have all the rights and obligations of a Swingline Lender or an Issuing Bank, as the case may be, hereunder through the Existing Termination Date (or the Availability Period determined on the

basis thereof, as applicable), and thereafter shall have no obligation to make any Swingline Loans or to issue, amend, extend or renew any Letters of Credit (but shall, in each case, continue to be entitled to the benefits of Sections 2.05, 2.06, 2.15, 2.17 and 10.03, as applicable, as to Swingline Loans or Letters of Credit made or issued prior to such time), (ii) the principal amount of any outstanding Swingline Loans made by such Swingline Lender, together with any accrued interest thereon, shall, to the extent outstanding or accrued but unpaid on the Existing Termination Date, be due and payable on the Existing Termination Date, and (iii) the Borrowers shall cause the LC Exposure to be cash collateralized in a manner approved in writing by the Administrative Agent and the Issuing Bank no later than the date that is five Business Days prior to the Existing Termination Date.

(d) Conditions Precedent to Extensions. No extension of the Maturity Date pursuant to this Section 2.24 shall become effective unless (i) to the extent requested by the Administrative Agent, the Administrative Agent shall have received documents consistent with those delivered on the Effective Date as to the corporate power and authority of the Borrowers to effect such extension and (ii) the Administrative Agent shall have received a certificate executed by a Financial Officer of the Company, dated as of the effective date of such extension, stating that (A) as of such date, no Default has occurred and is continuing or would result from such extension of the Maturity Date and (B) the representations and warranties of the Borrowers set forth in the Loan Documents are true in all material respects (or in all respects if the applicable representation or warranty is already qualified by concepts of materiality) on and as of such date (except to the extent any such representations or warranties are limited to an earlier date, in which case such representations and warranties shall be true in all material respects as of such earlier date).

ARTICLE III

Representations and Warranties

Except as otherwise provided in Section 3.12, each Borrower represents and warrants to the Lenders that:

SECTION 3.01 Organization; Powers. Each Borrower (a) is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization, (b) has all requisite power and authority and all requisite governmental licenses, authorizations, consents and approvals to (i) own or lease its assets and carry on its business and (ii) execute, deliver and perform its obligations under the Loan Documents to which it is a party, and (c) is qualified to do business in, and is licensed and in good standing under the laws of, every jurisdiction where such qualification is required; except in each case referred to in clause (b)(i) or (c), to the extent that failure to do so could not reasonably be expected to have a Material Adverse Effect.

SECTION 3.02 Authorization; Enforceability. The Transactions are within each Borrower's corporate powers and have been duly authorized by all necessary corporate and, if required, stockholder action. Each Loan Document has been duly executed and delivered by each Borrower that is a party thereto and constitutes a legal, valid and binding obligation of each such Borrower, enforceable in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

SECTION 3.03 Governmental Approvals; No Conflicts. The Transactions do not and will not (a) require any consent or approval of, registration or filing with, or any other action by, any Governmental Authority or any other Person, (b) violate any applicable law, rule or regulation of any Governmental Authority or any Organization Document of any Borrower, and (c) conflict with or result in any material breach or contravention of, or the creation of any material Lien under, or require any material payment to

be made under (i) any material Contractual Obligation to which any Borrower is a party or affecting any Borrower or the properties of any Borrower or any of its Subsidiaries or (ii) any order, injunction, writ or decree of any Governmental Authority or any arbitral award to which any Borrower or the properties of any Borrower or any of its Subsidiaries is subject.

SECTION 3.04 Financial Condition; No Material Adverse Change.

(a) The Company has heretofore furnished to the Lenders its consolidated balance sheet and statements of income or operations, shareholders' equity and cash flows (i) as of and for the fiscal year ended September 30, 2020, reported on by Deloitte and Touche LLP, independent public accountants, and (ii) as of and for the fiscal quarter and the portion of the fiscal year ended March 31, 2021, certified by its Financial Officer. Such financial statements present fairly, in all material respects, the financial position and results of operations and cash flows of the Company and its consolidated Subsidiaries as of such dates and for such periods in accordance with GAAP, subject to year-end audit adjustments and the absence of footnotes in the case of the statements referred to in clause (ii) above.

(b) Since September 30, 2020, there has been no development, event or circumstance, either individually or in the aggregate, that has had or could reasonably be expected to have a Material Adverse Effect.

SECTION 3.05 Litigation and Environmental Matters.

(a) There are no actions, suits, proceedings, claims or disputes pending or, to the knowledge of the Borrowers after due and diligent investigation, threatened or contemplated, at law, in equity, in arbitration or before any Governmental Authority, by or against the Company or any Subsidiary or against any of their properties or revenues that (i) except as described in the Company's 2020 Form 10-K or any subsequent Form 10-Q or Form 8-K filing prior to the Effective Date (the "**Disclosed Litigation**"), could, either individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, or (ii) purport to affect or pertain to any Loan Document or the Transactions.

(b) The Company and its Subsidiaries conduct in the ordinary course of business a review of the effect of existing Environmental Laws and claims alleging potential liability or responsibility for violation of any Environmental Law on their respective businesses, operations and properties, and as a result thereof the Borrowers have reasonably concluded that, except for the Disclosed Litigation, violation of such Environmental Laws and claims could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

SECTION 3.06 Compliance with Laws and Agreements; No Default.

(a) Each of the Borrowers and Significant Subsidiaries is in compliance with the requirements of all laws, rules and regulations and orders, writs and decrees of any Governmental Authority applicable to it or its properties, except to the extent that (i) failure to comply therewith could not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect and (ii) such requirement is being contested in good faith by appropriate proceedings diligently conducted. Each Borrower is in compliance with all material Contractual Obligations to which such Borrower is a party or affecting such Borrower or the properties of such Borrower or any of its Subsidiaries, except to the extent that failure to comply therewith could not reasonably be expected to result in a Material Adverse Effect.

(b) No Default has occurred and is continuing or would result from the consummation of the Transactions.

SECTION 3.07 Investment Company Status; Margin Regulations.

(a) Neither the Company, nor any Person Controlling the Company nor any Subsidiary is or is required to be registered as an “investment company” under the Investment Company Act of 1940.

(b) No Borrower is engaged or will engage, principally or as one of its important activities, in the business of purchasing or carrying margin stock (within the meaning of Regulation U of the Board), or extending credit for the purpose of purchasing or carrying margin stock.

SECTION 3.08 Taxes. Each of the Borrowers and Significant Subsidiaries has timely filed or caused to be filed all federal, state and other material Tax returns and reports required to have been filed and have paid or caused to be paid all federal, state and other material Taxes required to have been paid by it, except Taxes that are being contested in good faith by appropriate proceedings diligently conducted and for which such Borrower or such Significant Subsidiary, as applicable, has set aside on its books adequate reserves. There is no proposed Tax assessment against any Borrower or any Subsidiary that would, if made, have a Material Adverse Effect.

SECTION 3.09 ERISA. No ERISA Event has occurred or is reasonably expected to occur that, when taken together with all other such ERISA Events for which liability is reasonably expected to occur, could reasonably be expected to result in a Material Adverse Effect. The present value of all accumulated benefit obligations under each Plan (based on the assumptions used for purposes of Statement of Financial Accounting Standards No. 87) did not, as of the date of the most recent financial statements reflecting such amounts, exceed the fair market value of the assets of such Plan by an amount that could reasonably be expected to result in a Material Adverse Effect, and the present value of all accumulated benefit obligations of all underfunded Plans (based on the assumptions used for purposes of Statement of Financial Accounting Standards No. 87) did not, as of the date of the most recent financial statements reflecting such amounts, exceed the fair market value of the assets of all such underfunded Plans by an amount that could reasonably be expected to result in a Material Adverse Effect.

SECTION 3.10 Disclosure. All information heretofore furnished by the Borrowers to the Administrative Agent or any Lender for purposes of or in connection with the Loan Documents or the Transactions is, and all such information hereafter furnished by the Borrowers to the Administrative Agent or any Lender will be, true and accurate in all material respects on the date as of which such information is stated or certified. SECTION 3.11 Subsidiaries. Each Significant Subsidiary (a) is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization, and (b) has all requisite power and authority and all requisite governmental licenses, authorizations, consents and approvals to own or lease its assets and carry on its business, except in each case referred to in this clause (b) to the extent that failure to do so could not reasonably be expected to have a Material Adverse Effect.

SECTION 3.12 Representations as to Foreign Obligors. Each of the Company and each Foreign Obligor represents and warrants to the Lenders that:

(a) Such Foreign Obligor is subject to civil and commercial laws, rules and regulations with respect to its obligations under the Loan Documents to which it is a party (collectively, the “**Applicable Foreign Obligor Documents**”), and the execution, delivery and performance by such Foreign Obligor of

the Applicable Foreign Obligor Documents constitute and will constitute private and commercial acts and not public or governmental acts. Neither any Foreign Obligor nor any of its property has any immunity from jurisdiction of any court or from any legal process (whether through service or notice, attachment prior to judgment, attachment in aid of execution, execution or otherwise) under the laws of the jurisdiction in which such Foreign Obligor is organized and existing in respect of its obligations under the Applicable Foreign Obligor Documents.

(b) The Applicable Foreign Obligor Documents are in proper legal form under the laws, rules and regulations of the jurisdiction in which such Foreign Obligor is organized and existing for the enforcement thereof against such Foreign Obligor under the laws, rules and regulations of such jurisdiction, and to ensure the legality, validity, enforceability, priority or admissibility in evidence of the Applicable Foreign Obligor Documents. It is not necessary to ensure the legality, validity, enforceability, priority or admissibility in evidence of the Applicable Foreign Obligor Documents that the Applicable Foreign Obligor Documents be filed, registered or recorded with, or executed or notarized before, any court or other authority in the jurisdiction in which any Foreign Obligor is organized and existing or that any registration charge or stamp or similar tax be paid on or in respect of the Applicable Foreign Obligor Documents or any other document, except for (i) any such filing, registration, recording, execution or notarization as has been made or is not required to be made until the Applicable Foreign Obligor Document or any other document is sought to be enforced and (ii) any charge or tax as has been timely paid.

(c) There is no Tax imposed by any Governmental Authority in or of the jurisdiction in which such Foreign Obligor is organized and existing either (i) on or by virtue of the execution or delivery of the Applicable Foreign Obligor Documents or (ii) on any payment to be made by such Foreign Obligor pursuant to the Applicable Foreign Obligor Documents, except as has been disclosed to the Administrative Agent.

(d) The execution, delivery and performance of the Applicable Foreign Obligor Documents executed by such Foreign Obligor are, under applicable foreign exchange control regulations of the jurisdiction in which such Foreign Obligor is organized and existing, not subject to any notification or authorization except (i) such as have been made or obtained or (ii) such as cannot be made or obtained until a later date (provided that any notification or authorization described in clause (ii) shall be made or obtained as soon as is reasonably practicable).

SECTION 3.13 Use of Proceeds. The proceeds of the Loans will be used only for the purposes specified in Section 5.08.

SECTION 3.14 Anti-Corruption Laws and Sanctions. The Company has implemented and maintains in effect policies and procedures designed to ensure compliance by the Company, its Subsidiaries and their respective directors, officers, employees and agents with Anti-Corruption Laws and applicable Sanctions. The Company, its Subsidiaries and, to the knowledge of the Borrowers, their respective employees, officers, directors and agents, are in compliance with Anti-Corruption Laws and applicable Sanctions in all material respects (except to the extent that (i) such noncompliance does not involve any executive officer or similar member of senior management of the Company or such Subsidiary and does not represent a systemic failure of compliance controls, (ii) the Company or such Subsidiary is diligently taking steps to cure such noncompliance and (iii) such noncompliance would not reasonably be expected to materially and adversely affect the Company or such Subsidiary or result in a violation of Anti-Corruption Laws or applicable Sanctions by the Administrative Agent, any Lender or their Affiliates) and are not knowingly engaged in any activity that would reasonably be expected to result in any Borrower being designated as a Sanctioned Person. None of (a) the Company, any of its Subsidiaries, any of their respective officers or employees or, to the knowledge of the Borrowers, any of their respective directors, or (b) to the knowledge of the Borrowers, any agent of the Company or any of its Subsidiaries that will act

ARTICLE VIII

The Administrative Agent

Each of the Lenders and the Issuing Banks hereby irrevocably appoints the Administrative Agent as its agent and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article are solely for the benefit of the Administrative Agent and the Lenders, and neither the Company nor any other Borrower shall have rights as a third party beneficiary of any of such provisions. It is understood and agreed that the use of the term "agent" as used herein or in any other Loan Documents (or any similar term) with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties.

Any Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent, and such Person and its Affiliates may accept deposits from, lend money to and

generally engage in any kind of business with the Company or any Subsidiary or other Affiliate thereof as if it were not the Administrative Agent hereunder.

The Administrative Agent shall not have any duties or obligations except those expressly set forth herein. Without limiting the generality of the foregoing, (a) the Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing, (b) the Administrative Agent shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby that the Administrative Agent is required to exercise in writing as directed by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 10.02), and (c) except as expressly set forth herein, the Administrative Agent shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Company or any Subsidiary that is communicated to or obtained by the Person serving as Administrative Agent or any of its Affiliates in any capacity. The Administrative Agent shall not be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 10.02) or in the absence of its own gross negligence or willful misconduct as determined by a final nonappealable judgment of a court of competent jurisdiction. The Administrative Agent shall be deemed not to have knowledge of any Default or Event of Default unless and until written notice thereof is given to the Administrative Agent by the Company or a Lender, and the Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any Loan Document, (ii) the contents of any certificate, report or other document delivered under any Loan Document or in connection therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Loan Document or the occurrence of any Default or Event of Default, (iv) the validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document (including, for the avoidance of doubt, in connection with the Administrative Agent's reliance on any Electronic Signature transmitted by telecopy, emailed pdf, or any other electronic means that reproduces an image of an actual executed signature page), or (v) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing believed by it to be genuine and to have been signed or sent by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to be made by the proper Person, and shall not incur any liability for relying thereon. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrowers), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

The Administrative Agent may perform any and all its duties and exercise its rights and powers by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all its duties and exercise its rights and powers through their respective Related Parties. The exculpatory provisions of the preceding paragraphs shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.

Subject to the appointment and acceptance of a successor Administrative Agent as provided in this paragraph, the Administrative Agent may resign at any time by notifying the Lenders, the Issuing Bank and the Company. Upon any such resignation, the Required Lenders shall have the right, in consultation with

the Company, to appoint a successor. If no successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty (30) days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent may, on behalf of the Lenders and the Issuing Bank, appoint a successor Administrative Agent which shall be a bank with an office in New York, New York, or an Affiliate of any such bank. Upon the acceptance of its appointment as Administrative Agent hereunder by a successor, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent, and the retiring Administrative Agent shall be discharged from its duties and obligations hereunder. The fees payable by the Company to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Company and such successor. After the Administrative Agent's resignation hereunder, the provisions of this Article and Section 10.03 shall continue in effect for the benefit of such retiring Administrative Agent, its sub agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while it was acting as Administrative Agent.

Each Lender and each Issuing Bank represents and warrants that (i) the Loan Documents set forth the terms of a commercial lending facility, (ii) it is engaged in making, acquiring or holding commercial loans and in providing other facilities set forth herein as may be applicable to such Lender or such Issuing Bank, in each case in the ordinary course of business, and not for the purpose of purchasing, acquiring or holding any other type of financial instrument (and each Lender and each Issuing Bank agrees not to assert a claim in contravention of the foregoing), (iii) it has, independently and without reliance upon the Administrative Agent, any Arranger, any Co-Sustainability Structuring Agent, any Syndication Agent, any Co-Documentation Agent or any other Lender or other Issuing Bank, or any of the Related Parties of any of the foregoing, and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement as a Lender, and to make, acquire or hold Loans hereunder and (iv) it is sophisticated with respect to decisions to make, acquire and/or hold commercial loans and to provide other facilities set forth herein, as may be applicable to such Lender or such Issuing Bank, and either it, or the Person exercising discretion in making its decision to make, acquire and/or hold such commercial loans or to provide such other facilities, is experienced in making, acquiring or holding such commercial loans or providing such other facilities. Each Lender and each Issuing Bank also acknowledges that it will, independently and without reliance upon the Administrative Agent, any Arranger, any Co-Sustainability Structuring Agent, any Syndication Agent, any Co-Documentation Agent or any other Lender or other Issuing Bank, or any of the Related Parties of any of the foregoing, and based on such documents and information (which may contain material, non-public information within the meaning of the United States securities laws concerning the Company and its Affiliates) as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder. Each Lender and each Issuing Bank also acknowledges and agrees that (a) none of the Administrative Agent, any Arranger or any Co-Sustainability Structuring Agent acting in such capacities have made any assurances as to (i) whether the credit facility evidenced by this Agreement (the "**Facility**") meets such Lender's or such Issuing Bank's criteria or expectations with regard to environmental impact and sustainability performance, (ii) whether any characteristics of the Facility, including the characteristics of the relevant key performance indicators to which the Company will link a potential margin step-up or step-down, including their environmental and sustainability criteria, meet any industry standards for sustainability-linked credit facilities and (b) such Lender and such Issuing Bank has performed its own independent investigation and analysis of the Facility and whether the Facility meets its own criteria or expectations with regard to environmental impact and/or sustainability performance.

None of any Syndication Agent, any Co-Documentation Agent, any Arranger or any Co-Sustainability Structuring Agent shall have obligations or duties whatsoever in such capacity under this Agreement or any other Loan Document and shall incur no liability hereunder or thereunder in such capacity, but all such persons shall have the benefit of the indemnities provided for hereunder.

Each party to this Agreement agrees that neither the Administrative Agent nor any Co-Sustainability Structuring Agent shall have any responsibility for (or liability in respect of) reviewing, auditing or otherwise evaluating any calculation by the Company of any Sustainability Fee Adjustment or any Sustainability Margin Adjustment (or any of the data or computations that are part of or related to any such calculation) set forth in any Pricing Certificate (and the Administrative Agent may rely conclusively on any such certificate, without further inquiry).

Each Lender, by delivering its signature page to this Agreement on the Effective Date, or delivering its signature page to an Assignment and Assumption or any other Loan Document pursuant to which it shall become a Lender hereunder, shall be deemed to have acknowledged receipt of, and consented to and approved, each Loan Document and each other document required to be delivered to, or be approved by or satisfactory to, the Administrative Agent or the Lenders on the Effective Date.

ARTICLE IX

Guaranty

In order to induce the Lenders to extend credit to the Designated Borrowers hereunder, the Company hereby irrevocably and unconditionally guarantees, as a primary obligor and not merely as a surety, the payment when and as due of the Obligations of the Designated Borrowers. The Company further agrees that the due and punctual payment of such Obligations may be extended or renewed, in whole or in part, without notice to or further assent from it, and that it will remain bound upon its guarantee hereunder notwithstanding any such extension or renewal of any such Obligation.

The Company waives presentment to, demand of payment from and protest to any Designated Borrower of any of the Obligations, and also waives notice of acceptance of its obligations and notice of protest for nonpayment. The obligations of the Company hereunder shall not be affected by (a) the failure of any Credit Party to assert any claim or demand or to enforce any right or remedy against any Borrower under the provisions of any Loan Document or otherwise, (b) any extension or renewal of any of the Obligations, (c) any rescission, waiver, amendment or modification of, or release from, any of the terms or provisions of any Loan Document or any other agreement, (d) any default, failure or delay, willful or otherwise, in the performance of any of the Obligations, (e) any amendment or waiver of any of the Obligations, (f) any law or regulation of any jurisdiction or any other event affecting any term of the Obligations, or (g) to the fullest extent permitted by applicable law, any other act, omission or delay to do any other act which may or might in any manner or to any extent vary the risk of the Company or otherwise operate as a discharge of a guarantor as a matter of law or equity or which would impair or eliminate any right of the Company to subrogation.

The Company further agrees that its agreement hereunder constitutes a guarantee of payment when due (whether or not any bankruptcy or similar proceeding shall have stayed the accrual or collection of any of the Obligations or operated as a discharge thereof) and not merely of collection, and, to the fullest extent permitted by applicable law, waives any right to require that any resort be had by any Credit Party to any balance of any deposit account or credit on the books of any Credit Party in favor of any Borrower or any other Person.

The obligations of the Company hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason (other than the indefeasible payment in full of all the Obligations), and shall not be subject to any defense or set-off, counterclaim, recoupment or termination whatsoever, by reason of the invalidity, illegality or unenforceability of any of the Obligations, any impossibility in the performance of any of the Obligations or otherwise (other than for the indefeasible payment in full of all the Obligations), in each case, to the fullest extent permitted by applicable law.

The Company further agrees that its obligations hereunder shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of any Obligation is rescinded or must otherwise be restored by any Credit Party upon the bankruptcy or reorganization of any Borrower or otherwise.

In furtherance of the foregoing and not in limitation of any other right which any Credit Party may have at law or in equity against the Company by virtue hereof, upon the failure of any Designated Borrower to pay any Obligation when and as the same shall become due, whether at maturity, by acceleration, after notice of prepayment or otherwise, the Company hereby promises to and will, upon receipt of written demand by any Credit Party, forthwith pay, or cause to be paid, to such Credit Party in cash an amount equal to the unpaid principal amount of such Obligations then due, together with accrued and unpaid interest thereon. The Company further agrees that if payment in respect of any Obligation shall be due in a Foreign Currency and/or at a place of payment other than New York and if, by reason of any Change in Law, disruption of currency or foreign exchange markets, war or civil disturbance or other event, payment of such Obligation in such currency or at such place of payment shall be impossible or, in the reasonable judgment of any Credit Party, not consistent with the protection of its rights or interests, then, at the election of the Administrative Agent, the Company shall make payment of such Obligation in U.S. Dollars (based upon the Dollar Amount of such Obligation on the date of payment) and/or in New York, and shall indemnify the Credit Parties against any losses or reasonable out-of-pocket expenses that it shall sustain as a result of such alternative payment.

Upon payment by the Company of any sums as provided above, all rights of the Company against any Designated Borrower arising as a result thereof by way of right of subrogation or otherwise shall in all respects be subordinated and junior in right of payment to the prior indefeasible payment in full of all the Obligations.

The parties hereto agree that, notwithstanding anything to the contrary contained herein, none of the Company's Subsidiaries shall be required to provide any guarantee, pledge, or asset support arrangement that would result in any adverse tax consequences due to the application of Section 956 of the Code.

Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices sent by facsimile shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next business day for the recipient). Notices delivered through Electronic Systems, to the extent provided in paragraph (b) below, shall be effective as provided in said paragraph (b).

(b) Notices and other communications to the Lenders and the Issuing Bank hereunder may be delivered or furnished by using Electronic Systems pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices pursuant to Article II unless otherwise agreed by the Administrative Agent and the applicable Lender. The Administrative Agent or the Company may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.

Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient, at its e-mail address as described in the foregoing clause (i), of notification that such notice or communication is available and identifying the website address therefor; provided that, for both clauses (i) and (ii) above, if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient.

(c) Any party hereto may change its address or telecopy number for notices and other communications hereunder by notice to the other parties hereto.

- (d) Posting of Communications.

- (i) Each Borrower agrees that the Administrative Agent may, but shall not be obligated to, make Communications (as defined below) available to the Issuing Bank and the Lenders by posting the Communications on Debt Domain, Intralinks, Syndtrak, ClearPar or a substantially similar Electronic System chosen by the Administrative Agent to be its electronic transmission system (the “**Platform**”).
- (ii) Although the Platform and its primary web portal are secured with generally-applicable security procedures and policies implemented or modified by the Administrative Agent from time to time (including, as of the Effective Date, a user ID/password authorization system) and the Platform is secured through a per-deal authorization method whereby each user may access the Platform only on a deal-by-deal basis, each of the Lenders, the Issuing Banks and the Borrowers acknowledges and agrees that the distribution of material through an electronic medium is not necessarily secure, that the Administrative Agent is not responsible for approving or vetting the representatives or contacts of any Lender that are added to the Platform, and that there may be confidentiality and other risks associated with such distribution. Each of the Lenders, the Issuing Banks and the Borrowers hereby approves distribution of the Communications through the Platform and understands and assumes the risks of such distribution.
- (iii) The Platform and the Communications are provided “as is” and “as available.” The Agent Parties (as defined below) do not warrant the accuracy or completeness of the Communications, or the adequacy of the Platform and expressly disclaim liability for errors or omissions in the Platform and the Communications. No warranty of any kind, express, implied or statutory, including any warranty of merchantability, fitness for a particular purpose, non-infringement of third-party rights or freedom from viruses or other code defects, is made by any Agent Party in connection with the Communications or any Electronic System. In no event shall the Administrative Agent, any Arranger, any Co-Sustainability Structuring Agent or any of their respective Related Parties (collectively, the “**Agent Parties**”) have any liability to the Borrowers, any Lender, the Issuing Bank or any other Person or entity for damages of any kind, including direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of any Borrower’s or the Administrative Agent’s transmission of communications through the internet or the Platform. “**Communications**” means, collectively, any notice, demand, communication, information, document or other material provided by or on behalf of any Borrower pursuant to any Loan Document or the transactions contemplated therein which is distributed by the Administrative Agent, any Lender or any Issuing Bank by means of electronic communications pursuant to this Section, including through the Platform.
- (iv) Each Lender and each Issuing Bank agrees that notice to it (as provided in the next sentence) specifying that Communications have been posted to the Platform shall constitute effective delivery of the Communications to such Lender for purposes of the Loan Documents. Each Lender and each Issuing Bank agrees (i) to notify the Administrative Agent in writing (which could be in the form of electronic communication) from time to time of such Lender’s or such Issuing Bank’s (as applicable) email address to which the foregoing notice may be sent by electronic transmission and (ii) that the foregoing notice may be sent to such email address.

- (v) Each of the Lenders, the Issuing Banks and the Borrowers agrees that the Administrative Agent may, but (except as may be required by applicable law) shall not be obligated to, store the Communications on the Platform in accordance with the Administrative Agent's generally applicable document retention procedures and policies.
- (vi) Nothing herein shall prejudice the right of the Administrative Agent, any Lender or any Issuing Bank to give any notice or other communication pursuant to any Loan Document in any other manner specified in such Loan Document.

SECTION 10.02 Waivers; Amendments.

(a) No failure or delay by any Credit Party in exercising any right or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Credit Parties hereunder are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any Borrower therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan or issuance of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether any Credit Party may have had notice or knowledge of such Default at the time.

(b) Subject to Section 10.02(c), Section 10.02(d) and Section 10.02(e) below and except as provided in Section 2.21 with respect to an Incremental Term Loan Amendment or as provided in Section 2.24 with respect to an extension of the Maturity Date or as provided in Section 2.14(b); ~~and Section 2.14(c) and Section 2.14(d)~~, neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Borrowers and the Required Lenders or by the Borrowers and the Administrative Agent with the consent of the Required Lenders; provided that no such agreement shall (i) increase the Commitment of any Lender without the written consent of such Lender (it being understood and agreed that a waiver of any condition precedent set forth in Section 4.02 or of any Default is not considered an increase in Commitments of any Lender), (ii) reduce the principal amount of any Loan or LC Disbursement or reduce the rate of interest thereon, or reduce any fees payable hereunder, without the written consent of each Lender affected thereby, provided, however, that only the consent of the Required Lenders shall be necessary to amend the provisions with respect to the application of default rate interest described in Section 2.13(d) and the last paragraph of Article VII or waive any obligation of any Borrower to pay interest or fees at such default rate, (iii) postpone the scheduled date of payment of the principal amount of any Loan or LC Disbursement, or any interest thereon, or any fees payable hereunder, or reduce the amount of, waive or excuse any such payment (in each case excluding, for the avoidance of doubt, mandatory prepayments under Section 2.11(c)), or postpone the scheduled date of expiration of any Commitment, without the written consent of each Lender affected thereby, (iv) change Section 2.09(c) or Section 2.18(b) or (c) in a manner that would alter the ratable reduction of Commitments or the pro rata sharing of payments required thereby, without the written consent of each Lender, (v) release the Company from its obligations under the Loan Documents without the written consent of each Lender, (vi) change any of the provisions of this Section or the definition of "Required Lenders" or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder, without the written consent of each Lender (it being understood that, solely with the consent of the parties to an Incremental Term Loan Amendment, Incremental Term Loans may be included in the determination of Required Lenders on substantially the same basis as the Commitments and the Revolving Loans are included on the Effective

Date), (vii) change any of the provisions of Section 2.23, or (viii) change the definition of “Agreed Currencies” without the written consent of each Lender; provided further that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent, the Issuing Bank or the Swingline Lenders hereunder without the prior written consent of the Administrative Agent, the Issuing Bank or the Swingline Lenders, as the case may be.

(c) Notwithstanding the foregoing, this Agreement and any other Loan Document may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrowers (x) to add one or more credit facilities (in addition to the Incremental Term Loans pursuant to an Incremental Term Loan Amendment) to this Agreement and to permit extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Revolving Loans, Incremental Term Loans and the accrued interest and fees in respect thereof and (y) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders and Lenders.

(d) If, in connection with any proposed amendment, waiver or consent requiring the consent of “each Lender” or “each Lender affected thereby,” the consent of the Required Lenders is obtained, but the consent of other necessary Lenders is not obtained (any such Lender whose consent is necessary but not obtained being referred to herein as a “**Non-Consenting Lender**”), then the Company may elect to replace a Non-Consenting Lender as a Lender party to this Agreement, provided that, concurrently with such replacement, (i) another bank or other entity which is reasonably satisfactory to the Company and the Administrative Agent shall agree, as of such date, to purchase for cash the Loans and other Obligations due to the Non-Consenting Lender pursuant to an Assignment and Assumption and to become a Lender for all purposes under this Agreement and to assume all obligations of the Non-Consenting Lender to be terminated as of such date and to comply with the requirements of clause (b) of Section 10.04, (ii) each Borrower shall pay to such Non-Consenting Lender in same day funds on the day of such replacement (1) all interest, fees and other amounts then accrued but unpaid to such Non-Consenting Lender by such Borrower hereunder to and including the date of termination, including without limitation payments due to such Non-Consenting Lender under Sections 2.15 and 2.17, and (2) an amount, if any, equal to the payment which would have been due to such Lender on the day of such replacement under Section 2.16 had the Loans of such Non-Consenting Lender been prepaid on such date rather than sold to the replacement Lender and (iii) such Non-Consenting Lender shall have received the outstanding principal amount of its Loans and participations in LC Disbursements. Each party hereto agrees that (i) an assignment required pursuant to this clause (d) may be effected pursuant to an Assignment and Assumption executed by the Company, the Administrative Agent and the assignee (or, to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to a Platform as to which the Administrative Agent and such parties are participants), and (ii) the Lender required to make such assignment need not be a party thereto in order for such assignment to be effective and shall be deemed to have consented to and be bound by the terms thereof; provided that, following the effectiveness of any such assignment, the other parties to such assignment agree to execute and deliver such documents necessary to evidence such assignment as reasonably requested by the applicable Lender; provided that any such documents shall be without recourse to or warranty by the parties thereto.

(e) If the Administrative Agent and the Company acting together identify any ambiguity, omission, mistake, typographical error or other defect in any provision of this Agreement or any other Loan Document, then the Administrative Agent and the Company shall be permitted to amend, modify or supplement such provision to cure such ambiguity, omission, mistake, typographical error or other defect, and such amendment shall become effective without any further action or consent of any other party to this Agreement. If the Administrative Agent and the Company make or implement any such amendment, modification or supplement to any Loan Document, the Administrative Agent agrees (without limiting or affecting the validity of any such amendment, modification or supplement) to give prompt notice thereof

to the Lenders including (if appropriate) a copy of such Loan Document as so amended, modified or supplemented.

SECTION 10.03 Expenses; Indemnity; Damage Waiver.

(a) The Company shall pay (i) all reasonable out-of-pocket expenses incurred by the Administrative Agent, the Arrangers and their respective Affiliates, including the reasonable fees, charges and disbursements of counsel for the Administrative Agent, in connection with the syndication of the credit facilities provided for herein, the preparation and administration of the Loan Documents and any amendments or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), (ii) all reasonable out-of-pocket expenses incurred by any Issuing Bank in connection with the issuance, amendment, renewal or extension of any Letter of Credit or any demand for payment thereunder and (iii) all reasonable out-of-pocket expenses incurred by the Credit Parties, including the reasonable fees, charges and disbursements of one counsel (and one local counsel in each relevant jurisdiction) for the Administrative Agent and one counsel (and one local counsel in each relevant jurisdiction) for all other Credit Parties, in connection with the enforcement or protection of their rights in connection with any Loan Document, including their rights under this Section, or in connection with the Loans made or Letters of Credit issued hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans or Letters of Credit.

(b) The Company shall indemnify each Credit Party, each Arranger, each Co-Sustainability Structuring Agent and each of its respective Related Parties (each such Person being called an “*Indemnitee*”) against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including the fees, charges and disbursements of any counsel for any Indemnitee, incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of (i) the execution or delivery of the Loan Documents or any agreement or instrument contemplated thereby, the performance by the parties to the Loan Documents of their respective obligations thereunder or the consummation of the Transactions or any other transactions contemplated hereby, (ii) any Loan or Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), (iii) any actual or alleged presence or release of Hazardous Materials on or from any property owned or operated by the Company or any Subsidiary, or any Environmental Liability related in any way to the Company or any Subsidiary, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not such claim, litigation, investigation or proceeding is brought by any Borrower or its equity holders, Affiliates, creditors or any other third Person and whether based on contract, tort or any other theory and regardless of whether any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (x) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee, (y) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the breach by such Indemnitee of its funding obligations hereunder, to the extent caused by the inability of such Indemnitee to satisfy such funding obligations because of its status as a Defaulting Lender under clause (d) of the definition thereof, or (z) result from a claim brought by any Borrower against such Indemnitee for breach in bad faith of such Indemnitee’s obligations under any Loan Document, if such Borrower has obtained a final and nonappealable judgment in its favor on such claim as determined by a court of competent jurisdiction. This Section 10.03(b) shall not apply with respect to Taxes other than any Taxes that represent losses, claims or damages arising from any non-Tax claim.

(c) To the extent that the Company fails to pay any amount required to be paid by it to the Administrative Agent, the Issuing Banks or the Swingline Lenders under paragraph (a) or (b) of this

Section, each Lender severally agrees to pay to the Administrative Agent, the Issuing Bank or the Swingline Lenders, as the case may be, such Lender's Applicable Percentage (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent, the Issuing Bank or the Swingline Lenders in their capacity as such.

(d) To the extent permitted by applicable law, no party hereto shall assert, and each party hereto hereby waives, any claim against any other party hereto, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, any Loan Document or any agreement or instrument contemplated hereby, the Transactions, any Loan or Letter of Credit or the use of the proceeds thereof; provided, that nothing in this clause (d) shall relieve the Company of any obligation it may have to indemnify an Indemnitee against special, indirect, consequential or punitive damages asserted against such Indemnitee by a third party.

(e) All amounts due under this Section shall be payable promptly after written demand therefor.

SECTION 10.04 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of the Issuing Bank that issues any Letter of Credit), except that (i) no Borrower may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by any Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of the Issuing Bank that issues any Letter of Credit), Participants (to the extent provided in paragraph (c) of this Section) and, to the extent expressly contemplated hereby, the Related Parties of each of the Credit Parties) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more Persons (other than an Ineligible Assignee) all or a portion of its rights and obligations under the Loan Documents (including all or a portion of its Commitment, participations in Letters of Credit and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld, conditioned or delayed) of:

(A) the Company, provided that, the Company shall be deemed to have consented to an assignment unless it shall have objected thereto by written notice to the Administrative Agent within five (5) Business Days after having received notice thereof; provided further that no consent of the Company shall be required for an assignment to a Lender (other than a Defaulting Lender), an Affiliate of a Lender (other than a Defaulting Lender), an Approved Fund or, if an Event of Default has occurred and is continuing, any other assignee;

(B) the Administrative Agent, provided that no consent of the Administrative Agent shall be required for an assignment to a Lender (other than a Defaulting Lender) or an Affiliate of a Lender (other than a Defaulting Lender);

(C) the Issuing Bank; and

(D) each Swingline Lender.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender or an Affiliate of a Lender or an Approved Fund, or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than \$5,000,000 unless each of the Company and the Administrative Agent otherwise consent, provided that no such consent of the Company shall be required if an Event of Default has occurred and is continuing;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under the Loan Documents;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent (x) an Assignment and Assumption or (y) to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to a Platform as to which the Administrative Agent and the parties to the Assignment and Assumption are participants), together with a processing and recordation fee of \$3,500;

(D) the assignee shall deliver to the Administrative Agent, withholding agent and/or Company, as applicable, any documentation required by Sections 2.17(f) and (g); and

(E) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire in which the assignee designates one or more credit contacts to whom all syndicate-level information (which may contain material non-public information about the Borrowers and their Related Parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including Federal and state securities laws.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(iv) of this Section, from and after the effective date specified in each Assignment and Assumption the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under the Loan Documents (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under the Loan Documents, such Lender shall cease to be a party thereto but shall continue to be entitled to the benefits of Sections 2.15, 2.16, 2.17 and 9.03). Any assignment or transfer by a Lender of rights or obligations under the Loan Documents that does not comply with this Section 10.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section.

- (iv) The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrowers, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal amount (and stated interest) of the Loans and LC Disbursements owing to, each Lender pursuant to the terms hereof from time to time (the “**Register**”). The entries in the Register shall be conclusive absent manifest error, and the Borrowers and the Credit Parties shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Company, the Issuing Bank and any Lender, at any reasonable time and from time to time upon reasonable prior notice.
- (v) Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an assignee (or, to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to a Platform as to which the Administrative Agent and the parties to the Assignment and Assumption are participants), any documentation required by Sections 2.17(f) and (g), the assignee’s completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section and any written consent to such assignment required by paragraph (b) of this Section, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register; provided that if either the assigning Lender or the assignee shall have failed to make any payment required to be made by it pursuant to Section 2.05(d), 2.06(d) or (e), 2.07(b), 2.18(d) or 9.03(c), the Administrative Agent shall have no obligation to accept such Assignment and Assumption and record the information therein in the Register unless and until such payment shall have been made in full, together with all accrued interest thereon. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(c) Any Lender may, without the consent of any Borrower, the Administrative Agent, the Issuing Bank or the Swingline Lenders, sell participations to one or more banks or other entities (a “**Participant**”), other than an Ineligible Assignee, in all or a portion of such Lender’s rights and obligations under the Loan Documents (including all or a portion of its Commitment and the Loans owing to it); provided that (A) such Lender’s obligations under the Loan Documents shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrowers, the Administrative Agent, the Issuing Bank and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under the Loan Documents. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce the Loan Documents and to approve any amendment, modification or waiver of any provision of the Loan Documents; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 10.02(b) that affects such Participant. Each Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 (subject to the requirements and limitations therein, including the requirements under Sections 2.17(f) and (g) (it being understood that the documentation required under Section 2.17(f) and (g) shall be delivered to the Participant) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section; provided that such Participant (A) agrees to be subject to the provisions of Section 2.19 as if it were an assignee under paragraph (b) of this Section; and

(B) shall not be entitled to receive any greater payment under Sections 2.15 or 2.17, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. Each Lender that sells a participation agrees, at the Company's request and expense, to use reasonable efforts to cooperate with the Company to effectuate the provisions of Section 2.19(b) with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 10.08 as though it were a Lender, provided such Participant agrees to be subject to Section 2.18(c) as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrowers, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "**Participant Register**"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans, Letters of Credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Commitment, Loan, Letter of Credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations and Proposed Treasury Regulations Section 1.163-5(b) (or, in each case, any amended or successor version). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under the Loan Documents to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

SECTION 10.05 Survival. All covenants, agreements, representations and warranties made by the Borrowers herein and in the certificates or other instruments delivered in connection with or pursuant to any Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that any Credit Party may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid or any Letter of Credit is outstanding and so long as the Commitments have not expired or terminated. The provisions of Sections 2.15, 2.16, 2.17 and 9.03 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration, termination, cash collateralization or other securing of the Letters of Credit, the expiration or termination of the Commitments or the termination of this Agreement or any provision hereof.

SECTION 10.06 Counterparts; Integration; Effectiveness; Electronic Execution.

(a) This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the Administrative Agent or the Issuing Bank constitute the entire contract

among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

(b) Delivery of an executed counterpart of a signature page of (x) this Agreement, (y) any other Loan Document and/or (z) any document, amendment, approval, consent, information, notice (including, for the avoidance of doubt, any notice delivered pursuant to Section 10.01), certificate, request, statement, disclosure or authorization related to this Agreement, any other Loan Document and/or the transactions contemplated hereby and/or thereby (each an “**Ancillary Document**”) that is an Electronic Signature transmitted by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page shall be effective as delivery of a manually executed counterpart of this Agreement, such other Loan Document or such Ancillary Document, as applicable. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to this Agreement, any other Loan Document and/or any Ancillary Document shall be deemed to include Electronic Signatures, deliveries or the keeping of records in any electronic form (including deliveries by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page), each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act or any similar state laws based on the Uniform Electronic Transactions Act; provided that, without limiting the foregoing, (i) the Administrative Agent and each of the Lenders shall be entitled to rely on such Electronic Signature purportedly given by or on behalf of the Borrowers without further verification thereof and without any obligation to review the appearance or form of any such Electronic Signature and (ii) upon the reasonable request of the Administrative Agent or any Lender, any Electronic Signature shall be promptly followed by a manually executed counterpart. Without limiting the generality of the foregoing, each Borrower hereby (i) agrees that, for all purposes, including without limitation, in connection with any workout, restructuring, enforcement of remedies, bankruptcy proceedings or litigation among the Administrative Agent, the Lenders, and the Borrowers, Electronic Signatures transmitted by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page and/or any electronic images of this Agreement, any other Loan Document and/or any Ancillary Document shall have the same legal effect, validity and enforceability as any paper original, (ii) agrees that the Administrative Agent and each of the Lenders may, at its option, create one or more copies of this Agreement, any other Loan Document and/or any Ancillary Document in the form of an imaged electronic record in any format, which shall be deemed created in the ordinary course of such Person’s business, and destroy the original paper document (and all such electronic records shall be considered an original for all purposes and shall have the same legal effect, validity and enforceability as a paper record), (iii) waives any argument, defense or right to contest the legal effect, validity or enforceability of this Agreement, any other Loan Document and/or any Ancillary Document based solely on the lack of paper original copies of this Agreement, such other Loan Document and/or such Ancillary Document, respectively, including with respect to any signature pages thereto and (iv) waives any claim against the Administrative Agent, any Arranger, any Co-Sustainability Structuring Agent, any Issuing Bank and any Lender, and any Related Parties of any of the foregoing Persons for any Liabilities arising solely from the Administrative Agent’s and/or any Lender’s reliance on or use of Electronic Signatures and/or transmissions by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page, including any Liabilities arising as a result of the failure of the Borrowers to use any available security measures in connection with the execution, delivery or transmission of any Electronic Signature.

SECTION 10.07 Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

SECTION 10.08 Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender and each of its Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final and in whatever currency denominated) at any time held and other obligations at any time owing by such Lender or Affiliate to or for the credit or the account of any Borrower against any of and all the Obligations of such Borrower now or hereafter existing held by such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement and although such obligations may be unmatured. The rights of each Lender under this Section are in addition to other rights and remedies (including other rights of setoff) which such Lender may have.

SECTION 10.09 Governing Law; Jurisdiction; Consent to Service of Process.

(a) This Agreement shall be construed in accordance with and governed by the law of the State of New York.

(b) Each Borrower hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of the Supreme Court of the State of New York sitting in the Borough of Manhattan, and of the United States District Court for the Southern District of New York sitting in the Borough of Manhattan, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that any Credit Party may otherwise have to bring any action or proceeding relating to this Agreement against any Borrower or its properties in the courts of any jurisdiction.

(c) Each Borrower hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement in any court referred to in paragraph (b) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 10.01. Nothing in this Agreement will affect the right of any party to this Agreement to serve process in any other manner permitted by applicable law.

(e) Without limiting the foregoing, each Designated Borrower hereby irrevocably designates the Company, at its address set forth in Section 10.01, as the designee, appointee and agent of such Designated Borrower to receive, for and on behalf of such Designated Borrower, service of process in such respective jurisdictions in any legal action or proceeding with respect to this Agreement or any other Loan Document.

SECTION 10.10 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

SECTION 10.11 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

SECTION 10.12 Confidentiality.

(a) Each Credit Party agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (i) to its and its Affiliates' directors, officers, employees and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (ii) to the extent requested by any Governmental Authority (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (iii) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (iv) to any other party to this Agreement, (v) in connection with the exercise of any remedies hereunder or any suit, action or proceeding relating to this Agreement or the enforcement of rights hereunder, (vi) subject to an agreement containing provisions substantially the same as those of this Section, to (A) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (B) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to any Borrower and its obligations, (vii) with the consent of the Company or (viii) to the extent such Information (A) becomes publicly available other than as a result of a breach of this Section or (B) becomes available to any Credit Party on a non-confidential basis from a source other than any Borrower. For the purposes of this Section, "**Information**" means all information received from any Borrower relating to such Borrower or its business, other than any such information that is available to any Credit Party on a non-confidential basis prior to disclosure by such Borrower and other than information pertaining to this Agreement routinely provided by arrangers to data service providers, including league table providers, that serve the lending industry; provided that, in the case of information received from such Borrower after the date hereof, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

(b) **EACH LENDER ACKNOWLEDGES THAT INFORMATION AS DEFINED IN SECTION 10.12(a) FURNISHED TO IT PURSUANT TO THIS AGREEMENT MAY INCLUDE MATERIAL NON-PUBLIC INFORMATION CONCERNING THE BORROWERS AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES, AND CONFIRMS THAT IT HAS DEVELOPED COMPLIANCE PROCEDURES REGARDING THE USE OF MATERIAL NON-PUBLIC INFORMATION AND THAT IT WILL HANDLE SUCH MATERIAL NON-PUBLIC**

INFORMATION IN ACCORDANCE WITH THOSE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

(c) ALL INFORMATION, INCLUDING REQUESTS FOR WAIVERS AND AMENDMENTS, FURNISHED BY THE BORROWERS OR THE ADMINISTRATIVE AGENT PURSUANT TO, OR IN THE COURSE OF ADMINISTERING, THIS AGREEMENT WILL BE SYNDICATE-LEVEL INFORMATION, WHICH MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION ABOUT THE BORROWERS AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES. ACCORDINGLY, EACH LENDER REPRESENTS TO THE BORROWERS AND THE ADMINISTRATIVE AGENT THAT IT HAS IDENTIFIED IN ITS ADMINISTRATIVE QUESTIONNAIRE A CREDIT CONTACT WHO MAY RECEIVE INFORMATION THAT MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH ITS COMPLIANCE PROCEDURES AND APPLICABLE LAW.

SECTION 10.13 Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts which are treated as interest on such Loan under applicable law (collectively the “**Charges**”), shall exceed the maximum lawful rate (the “**Maximum Rate**”) which may be contracted for, charged, taken, received or reserved by the Lender holding such Loan in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan but were not payable as a result of the operation of this Section shall be cumulated and the interest and Charges payable to such Lender in respect of other Loans or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the applicable Overnight Rate to the date of repayment, shall have been received by such Lender.

SECTION 10.14 USA PATRIOT Act. Each Lender that is subject to the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the “**Act**”) and the requirements of the Beneficial Ownership Regulation hereby notifies the Borrowers that pursuant to the requirements of the Act and the Beneficial Ownership Regulation, it is required to obtain, verify and record information that identifies the Borrowers, which information includes the names, addresses and tax identification numbers of the Borrowers and other information that will allow such Lender to identify the Borrowers in accordance with the Act and the Beneficial Ownership Regulation and other applicable “know your customer” and anti-money laundering rules and regulations.

SECTION 10.15 No Advisory or Fiduciary Responsibility.

(a) Each Borrower acknowledges and agrees, and acknowledges its Subsidiaries’ understanding, that no Credit Party will have any obligations except those obligations expressly set forth herein and in the other Loan Documents and each Credit Party is acting solely in the capacity of an arm’s length contractual counterparty to such Borrower with respect to the Loan Documents and the transactions contemplated herein and therein and not as a financial advisor or a fiduciary to, or an agent of, such Borrower or any other person. Each Borrower agrees that it will not assert any claim against any Credit Party based on an alleged breach of fiduciary duty by such Credit Party in connection with this Agreement and the transactions contemplated hereby. Additionally, each Borrower acknowledges and agrees that no Credit Party is advising such Borrower as to any legal, tax, investment, accounting, regulatory or any other matters in any jurisdiction. Each Borrower shall consult with its own advisors concerning such matters and shall be responsible for making its own independent investigation and appraisal of the transactions contemplated herein or in the other Loan Documents, and the Credit Parties shall have no responsibility or liability to any Borrower with respect thereto.

(b) Each Borrower further acknowledges and agrees, and acknowledges its Subsidiaries' understanding, that each Credit Party, together with its Affiliates, is a full service securities or banking firm engaged in securities trading and brokerage activities as well as providing investment banking and other financial services. In the ordinary course of business, any Credit Party may provide investment banking and other financial services to, and/or acquire, hold or sell, for its own accounts and the accounts of customers, equity, debt and other securities and financial instruments (including bank loans and other obligations) of, such Borrower, its Subsidiaries and other companies with which such Borrower or any of its Subsidiaries may have commercial or other relationships. With respect to any securities and/or financial instruments so held by any Credit Party or any of its customers, all rights in respect of such securities and financial instruments, including any voting rights, will be exercised by the holder of the rights, in its sole discretion.

(c) In addition, each Borrower acknowledges and agrees, and acknowledges its Subsidiaries' understanding, that each Credit Party and its Affiliates may be providing debt financing, equity capital or other services (including financial advisory services) to other companies in respect of which such Borrower or any of its Subsidiaries may have conflicting interests regarding the transactions described herein and otherwise. No Credit Party will use confidential information obtained from any Borrower by virtue of the transactions contemplated by the Loan Documents or its other relationships with such Borrower in connection with the performance by such Credit Party of services for other companies, and no Credit Party will furnish any such information to other companies. Each Borrower also acknowledges that no Credit Party has any obligation to use in connection with the transactions contemplated by the Loan Documents, or to furnish to such Borrower or any of its Subsidiaries, confidential information obtained from other companies.

SECTION 10.16 Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

- (a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and
- (b) the effects of any Bail-In Action on any such liability, including, if applicable:
 - (i) a reduction in full or in part or cancellation of any such liability;
 - (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or
 - (iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

SECTION 10.17 Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Swap Agreements or any other agreement or instrument that is a QFC (such support "**QFC Credit Support**") and each such QFC a

“**Supported QFC**”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “**U.S. Special Resolution Regimes**”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

In the event a Covered Entity that is party to a Supported QFC (each, a “**Covered Party**”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S.

Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

SECTION 10.18 Certain ERISA Matters. (a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, and each Arranger and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Company or any other Borrower, that at least one of the following is and will be true:

- (i) such Lender is not using “plan assets” (within the meaning of the Plan Asset Regulations) of one or more Benefit Plans with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit or the Commitments,
- (ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement,

- (iii) (A) such Lender is an investment fund managed by a “Qualified Professional Asset Manager” (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or
- (iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or such Lender has provided another representation, warranty and covenant as provided in sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, and each Arranger and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Company or any other Borrower, that none of the Administrative Agent, or any Arranger, any syndication agent, any co-documentation agent or any of their respective Affiliates is a fiduciary with respect to the assets of such Lender (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related to hereto or thereto).

SECTION 10.19 Erroneous Payments.

(a) Each Lender hereby agrees that (x) if the Administrative Agent notifies such Lender that the Administrative Agent has determined in its sole discretion that any funds received by such Lender from the Administrative Agent or any of its Affiliates (whether as a payment, prepayment or repayment of principal, interest, fees or otherwise; individually and collectively, a “**Payment**”) were erroneously transmitted to such Lender (whether or not known to such Lender), and demands the return of such Payment (or a portion thereof), such Lender shall promptly, but in no event later than one (1) Business Day thereafter, return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect, and (y) to the extent permitted by applicable law, such Lender shall not assert, and hereby waives, as to the Administrative Agent, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Payments received, including without limitation any defense based on “discharge for value” or any similar doctrine. A notice of the Administrative Agent to any Lender under this Section 10.19 shall be conclusive, absent manifest error.

(b) Each Lender hereby further agrees that if it receives a Payment from the Administrative Agent or any of its Affiliates (x) that is in a different amount than, or on a different date from, that specified in a notice of payment sent by the Administrative Agent (or any of its Affiliates) with

respect to such Payment (a "**Payment Notice**") or (y) that was not preceded or accompanied by a Payment Notice, it shall be on notice, in each such case, that an error has been made with respect to such Payment. Each Lender agrees that, in each such case, or if it otherwise becomes aware a Payment (or portion thereof) may have been sent in error, such Lender shall promptly notify the Administrative Agent of such occurrence and, upon demand from the Administrative Agent, it shall promptly, but in no event later than one (1) Business Day thereafter, return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect.

(c) The Company and each other Borrower hereby agrees that (x) in the event an erroneous Payment (or portion thereof) are not recovered from any Lender that has received such Payment (or portion thereof) for any reason, the Administrative Agent shall be subrogated to all the rights of such Lender with respect to such amount and (y) an erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Company or any other Borrower, except to the extent such erroneous Payment is, and solely with respect to the amount of such erroneous Payment that is, comprised of funds received by the Administrative Agent from the Company or any other Borrower for the purpose of making a payment to satisfy any of the Obligations. Notwithstanding anything to the contrary herein or in any other Loan Document, the provisions of this Section 10.19 relating to Payments (including the preceding two paragraphs and this paragraph) will not constitute, create or otherwise alter any Obligations on the part of the Borrowers under the Loan Documents or otherwise.

(d) Each party's obligations under this Section 10.19 shall survive the resignation or replacement of the Administrative Agent or any transfer of rights or obligations by, or the replacement of, a Lender, the termination of the Commitments or the repayment, satisfaction or discharge of all Obligations under any Loan Document.

SECTION 10.20 Termination of Commitments under the Existing Credit Agreement. Each of the signatories hereto that is also a party to the Existing Credit Agreement hereby agrees that, as of the Effective Date, all of the commitments to extend credit under the Existing Credit Agreement to which such signatory is a party will be terminated and cancelled automatically and any and all required notice periods in connection with such termination are hereby waived and of no further force and effect.

<u>I</u>	≥ A2 / A	0.680%	0%	0.070%

For purposes of the foregoing, (i) if either Moody's or S&P shall not have in effect a rating for the Index Debt (other than by reason of the circumstances referred to in the last sentence of this definition), then such rating agency shall be deemed to have established a rating equivalent to the Moody's or S&P, as applicable, rating then in effect (unless the absence of any such rating is due to the termination of the rating engagement by the Company with Moody's or S&P, as applicable, in which case the applicable rating shall be deemed to be Tier V); (ii) if the ratings established or deemed to have been established by Moody's and S&P for the Index Debt shall fall within different Tiers, the Applicable Rate shall be based on the higher of the two ratings unless one of the two ratings is two or more Tiers lower than the other, in which case the Applicable Rate shall be determined by reference to the Tier next above that of the lower of the two ratings; and (iii) if the ratings established or deemed to have been established by Moody's and S&P for the Index Debt shall be changed (other than as a result of a change in the rating system of Moody's or S&P), such change shall be effective as of the date on which it is first announced by the applicable rating agency, irrespective of when notice of such change shall have been furnished by the Company to the Administrative Agent and the Lenders pursuant to Section 5.01 or otherwise. Each change in the Applicable Rate shall apply during the period commencing on the effective date of such change and ending on the date immediately preceding the effective date of the next such change. The Administrative Agent will promptly advise the Swingline Lenders of any such notice received from the Company, on behalf of the Borrowers. Each Swingline Lender shall make its ratable portion of the requested Swingline Loan (such ratable portion to be calculated based upon such Swingline Lender's Swingline Commitment in proportion to the total Swingline Commitments of all of the Swingline Lenders) available to the applicable Borrower by means of a credit to an account of the applicable Borrower with the Administrative Agent designated for such purpose by 3:00 p.m., New York City time, on the requested date of such Swingline Loan.

(c) The failure of any Swingline Lender to make its ratable portion of a Swingline Loan shall not relieve any other Swingline Lender of its obligation hereunder to make its ratable portion of such Swingline Loan on the date of such Swingline Loan, but no Swingline Lender shall be responsible for the failure of any other Swingline Lender to make the ratable portion of a Swingline Loan to be made by such other Swingline Lender on the date of any Swingline Loan.

(d) Any Swingline Lender may by written notice given to the Administrative Agent require the Lenders to acquire participations in all or a portion of its Swingline Loans outstanding. Such notice shall specify the aggregate amount of Swingline Loans in which Lenders will participate. Promptly upon receipt of such notice, the Administrative Agent will give notice thereof to each Lender, specifying in such notice such Lender's Applicable Percentage of such Swingline Loans. Each Lender hereby absolutely and unconditionally agrees, promptly upon receipt of such notice from the Administrative Agent (and in any event, if such notice is received by 12:00 Noon, New York City time, on a Business Day, then no later than 5:00 p.m., New York City time, on such Business Day, and if received after 12:00 Noon, New York City time, on a Business Day, then no later than 10:00 a.m., New York City time, on the immediately succeeding Business Day), to pay to the Administrative Agent, for the account of such Swingline Lender, such Lender's Applicable Percentage of such Swingline Loans. Each Lender acknowledges and agrees that its obligation to acquire participations in Swingline Loans pursuant to this paragraph is absolute and unconditional and shall not be affected by any circumstance whatsoever, including the occurrence and continuance of a Default or reduction or termination of the Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Each Lender shall comply with its obligation under this paragraph by wire transfer of immediately available funds, in the same manner as provided in Section 2.07 with respect to

Loans made by such Lender (and Section 2.07 shall apply, mutatis mutandis, to the payment obligations of the Lenders), and the Administrative Agent shall promptly pay to such Swingline Lender the amounts so received by it from the Lenders. The Administrative Agent shall notify the Company of any participations in any Swingline Loan acquired pursuant to this paragraph, and thereafter payments in respect of such Swingline Loan shall be made to the Administrative Agent and not to such Swingline Lender. Any amounts received by a Swingline Lender from the Borrowers (or other party on behalf of the Borrowers) in respect of a Swingline Loan after receipt by such Swingline Lender of the proceeds of a sale of participations therein shall be promptly remitted to the Administrative Agent; any such amounts received by the Administrative Agent shall be promptly remitted by the Administrative Agent to the Lenders that shall have made their payments pursuant to this paragraph and to such Swingline Lender, as their interests may appear; provided that any such payment so remitted shall be repaid to such Swingline Lender or to the Administrative Agent, as applicable, if and to the extent such payment is required to be refunded to the Borrowers for any reason. The purchase of participations in a Swingline Loan pursuant to this paragraph shall not relieve the Borrowers of any default in the payment thereof.

(e) Any Swingline Lender may be replaced at any time by written agreement among the Company (on behalf of the Borrowers), the Administrative Agent, the replaced Swingline Lender and the successor Swingline Lender. The Administrative Agent shall notify the Lenders of any such replacement of a Swingline Lender. At the time any such replacement shall become effective, the Borrowers (or the Company, on behalf of the Borrowers) shall pay all unpaid interest accrued for the account of the replaced Swingline Lender pursuant to Section 2.13(a). From and after the effective date of any such replacement, (x) the successor Swingline Lender shall have all the rights and obligations of the replaced Swingline Lender under this Agreement with respect to Swingline Loans made thereafter and (y) references herein to the term "Swingline Lender" shall be deemed to refer to such successor or to any previous Swingline Lender, or to such successor and all previous Swingline Lenders, as the context shall require. After the replacement of a Swingline Lender hereunder, the replaced Swingline Lender shall remain a party hereto and shall continue to have all the rights and obligations of a Swingline Lender under this Agreement with respect to Swingline Loans made by it prior to its replacement, but shall not be required to make additional Swingline Loans.

(f) Subject to the prior appointment and acceptance of a successor Swingline Lender, any Swingline Lender may resign as a Swingline Lender at any time upon thirty days' prior written notice to the Administrative Agent, the Company (on behalf of the Borrowers) and the Lenders, in which case, such Swingline Lender shall be replaced in accordance with Section 2.05(e) above.

SECTION 2.06 [Reserved].

SECTION 2.07 Funding of Borrowings.

(a) Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds (i) in the case of Loans denominated in U.S. Dollars, by 12:00 noon, New York City time, to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders, and (ii) in the case of Loans denominated in a Foreign Currency, by 12:00 noon, Local Time, in the city of the

Administrative Agent's Foreign Currency Payment Office for such Foreign Currency and at such Foreign Currency Payment Office; provided that Swingline Loans shall be made as provided in Section 2.05. The Borrowers hereby irrevocably authorize the Administrative Agent to disburse the proceeds of each borrowing requested pursuant to this Section in immediately available funds by crediting or wiring such proceeds to the deposit account of the Borrowers identified in the most recent notice substantially in the form attached as Exhibit G (a "**Notice of Account Designation**") delivered by the Borrowers (or the Company, on behalf of the Borrowers) to the Administrative Agent or as may be otherwise agreed upon by the Borrowers (or the Company, on behalf of the Borrowers) and the Administrative Agent from time to time. The Administrative Agent will make such Loans available to the applicable Borrower by promptly crediting the amounts so received, in like funds, to (x) in the case of Loans denominated in U.S. Dollars, an account of such Borrower designated in the Notice of Account Designation, and (y) in the case of Loans denominated in a Foreign Currency, an account of such Borrower designated in the Notice of Account Designation.

(b) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing (or in the case of an ABR Borrowing, prior to 12:00 noon, New York City time, on the date of such Borrowing) that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section and may, in reliance upon such assumption, make available to the applicable Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the applicable Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the applicable Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, the greater of the applicable Overnight Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation or (ii) in the case of such Borrower, the interest rate applicable to ABR Loans, or in the case of Foreign Currencies, in accordance with relevant market practice, in each case, as applicable. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing.

SECTION 2.08 Interest Elections.

(a) Each Revolving Borrowing initially shall be of the Type specified in the applicable Borrowing Request and, in the case of a Term Benchmark Revolving Borrowing, shall have an initial Interest Period as specified in such Borrowing Request. Thereafter, the Borrowers or the Company, on behalf of the Borrowers, may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a Term Benchmark Revolving Borrowing, may elect Interest Periods therefor, all as provided in this Section. The Borrowers or the Company, on behalf of the Borrowers, may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing. This Section shall not apply to Swingline Loans, which may not be converted or continued.

(b) To make an election pursuant to this Section, the Borrowers or the Company, on behalf of the Borrowers, shall notify the Administrative Agent of such election by electronic mail of a written Interest Election Request in a form approved by the Administrative Agent and signed by the Borrowers or the Company, on behalf of the Borrowers (or, in the case of a Revolving Borrowing denominated in U.S. Dollars, by telephone confirmed promptly by hand delivery or electronic mail to the Administrative Agent of a written Interest Election Request in a form approved by the Administrative Agent and signed by the Borrowers or the Company, on behalf of the Borrowers) by the time that a Borrowing Request would be required under Section 2.03 if the Borrowers or the Company, on behalf of the Borrowers, were requesting a Revolving Borrowing of the Type resulting from such election to be made on the effective date of such election. Notwithstanding any other provision of this Section, the Borrowers or the Company shall not be permitted to (i) change the currency of any Borrowing, (ii) elect an Interest Period for Term Benchmark Loans that does not comply with Section 2.02(d) or (iii) convert any Borrowing to a Borrowing of a Type not available to the applicable Borrower for such Borrowing when it was made.

(c) Each telephonic and written Interest Election Request shall be irrevocable and shall specify the following information in compliance with Section 2.02:

(i) the name of the applicable Borrower and the Agreed Currency and principal amount of the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing, Term Benchmark Borrowing or an RFR Borrowing, as applicable; and

(iv) if the resulting Borrowing is a Term Benchmark Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which Interest Period shall be a period contemplated by the definition of the term "Interest Period".

If any such Interest Election Request requests a Term Benchmark Borrowing, but does not specify an Interest Period, then the Borrowers and the Company shall be deemed to have selected an Interest Period of one (1) month's duration.

(d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If the Company or the Borrowers fail to deliver a timely Interest Election Request with respect to a Term Benchmark Borrowing denominated in U.S. Dollars prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be deemed to have an Interest Period that is one (1) month. If the Company or the Borrowers fail to deliver a timely and complete

Interest Election Request with respect to a Term Benchmark Borrowing denominated in a Foreign Currency prior to the end of the Interest Period therefor, then, unless such Term Benchmark Borrowing is repaid as provided herein, the Company or the applicable Borrower shall be deemed to have selected that such Term Benchmark Borrowing shall automatically be continued as a Term Benchmark Borrowing in its original Agreed Currency with an Interest Period of one month at the end of such Interest Period. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent, at the request of the Required Lenders, so notifies the Company, then, so long as an Event of Default is continuing (i) no outstanding Borrowing may be converted to or continued as a Term Benchmark Borrowing and (ii) unless repaid, (x) each Term Benchmark Borrowing and each RFR Borrowing, in each case denominated in U.S. Dollars shall be converted to an ABR Borrowing (in the case of a Term Benchmark Borrowing) at the end of the Interest Period applicable thereto or (in the case of an RFR Borrowing) on the next Interest Payment Date in respect thereof and (y) each Term Benchmark Borrowing and each RFR Borrowing, in each case denominated in a Foreign Currency shall bear interest at the Central Bank Rate for the applicable Agreed Currency plus the Applicable Rate; provided that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate for the applicable Agreed Currency cannot be determined, any outstanding affected Term Benchmark Loans or RFR Loans denominated in any Foreign Currency shall either be (A) converted to an ABR Borrowing denominated in U.S. Dollars (in an amount equal to the Dollar Amount of such Foreign Currency) at the end of the Interest Period or on the Interest Payment Date, as applicable, therefor or (B) prepaid at the end of the applicable Interest Period or on the Interest Payment Date, as applicable, in full; provided that if no election is made by the applicable Borrower by the earlier of (x) the date that is three (3) Business Days after receipt by the Company of such notice and (y) the last day of the current Interest Period for the applicable Term Benchmark Loan, such Borrower shall be deemed to have elected clause (A) above.

SECTION 2.09 Termination and Reduction of Commitments.

(a) Unless previously terminated, the Commitments shall terminate on the Maturity Date.

(b) The Borrowers may at any time terminate, or from time to time reduce, the Commitments; provided that (i) each reduction of the Commitments shall be in an amount that is an integral multiple of \$1,000,000 and not less than \$1,000,000 and (ii) the Borrowers shall not terminate or reduce the Commitments if, after giving effect to any concurrent prepayment of the Loans in accordance with Section 2.11, the Euro Amount of the Total Revolving Credit Exposures would exceed the total Commitments.

(c) The Company, on behalf of the Borrowers, shall notify the Administrative Agent of any election to terminate or reduce the Commitments under paragraph (b) of this Section at least three (3) Business Days prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any such notice, the Administrative Agent shall advise the Lenders of the contents thereof. Each notice delivered by the Company pursuant to this Section shall be irrevocable; provided that a notice of termination of the Commitments delivered by the Company may state that such notice is conditioned upon the effectiveness of other credit facilities, in which case such notice may be

revoked by the Company (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Any termination or reduction of the Commitments shall be permanent. Each reduction of the Commitments shall be made ratably among the Lenders in accordance with their respective Commitments.

SECTION 2.10 Repayment of Loans; Evidence of Debt.

(a) Each Borrower hereby unconditionally promises to pay (i) to the Administrative Agent for the account of each Lender the then unpaid principal amount of each Revolving Loan made to such Borrower on the Maturity Date in the currency of such Loan and (ii) to the Administrative Agent for the account of the Swingline Lenders the then unpaid principal amount of each Swingline Loan on the earlier of the Maturity Date and the fifth (5th) Business Day after such Swingline Loan is made; provided that on each date that a Revolving Borrowing is made to a Borrower, such Borrower shall repay all Swingline Loans then outstanding, and the proceeds of any such Borrowing shall be applied by the Administrative Agent to repay any Swingline Loans outstanding.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of each Borrower to such Lender resulting from each Loan made to such Borrower by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(c) The Administrative Agent shall maintain the Register pursuant to Section 10.04(b)(iv) in which it shall record (i) the amount of each Loan made hereunder, the Class, Agreed Currency and Type thereof and the Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from each Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof.

(d) The entries made in the accounts maintained pursuant to paragraph (b) or (c) of this Section shall be prima facie evidence of the existence and amounts of the Obligations recorded therein; provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of each Borrower to repay the Loans made to such Borrower in accordance with the terms of this Agreement.

(e) Any Lender may request that Loans made by it be evidenced by a Note. In such event, the Borrowers shall prepare, execute and deliver to such Lender a Note payable to such Lender (or, if requested by such Lender, to such Lender and its registered assigns) and in a form approved by the Administrative Agent. Thereafter, the Loans evidenced by such Note and interest thereon shall at all times (including after assignment pursuant to Section 10.04) be represented by one or more Notes in such form payable to the payee named therein (or to such payee and its registered assigns).

SECTION 2.11 Prepayment of Loans.

(a) The Borrowers shall have the right at any time and from time to time to prepay any Borrowing in whole or in part, subject to prior notice in accordance with paragraph (b) of this Section; provided that each prepayment shall be in an aggregate amount that is (i) an integral

multiple of (A) in the case of an ABR Revolving Borrowing, \$100,000, (B) in the case of a Term Benchmark Revolving Borrowing denominated in U.S. Dollars, \$1,000,000, and (C) in the case of a Term Benchmark Revolving Borrowing denominated in any Foreign Currency, the smallest amount of such Foreign Currency that has an Equivalent Amount in excess of \$1,000,000, and (ii) not less than (A) in the case of a Borrowing of a Swingline Loan, \$100,000, (B) in the case of an ABR Revolving Borrowing, \$1,000,000, (C) in the case of a Term Benchmark Revolving Borrowing denominated in U.S. Dollars, \$1,000,000, and (D) in the case of a Term Benchmark Revolving Borrowing denominated in any Foreign Currency, the smallest amount of such Foreign Currency that has an Equivalent Amount in excess of \$1,000,000.

(b) The Company, on behalf of the Borrowers, shall notify the Administrative Agent (and, in the case of prepayment of Swingline Loans, the Company shall notify the Swingline Lenders) by telecopy or electronic mail of a written notice signed by the Company, on behalf of the Borrowers (or, in the case of a prepayment of a Borrowing denominated in U.S. Dollars, by telephone confirmed promptly by hand delivery or telecopy or electronic mail to the Administrative Agent of a written notice signed by the Company, on behalf of the Borrowers) of any prepayment hereunder (i) in the case of prepayment of a Term Benchmark Revolving Borrowing denominated in U.S. Dollars, not later than 11:00 a.m., New York City time, three (3) Business Days before the date of prepayment, (ii) in the case of prepayment of a Term Benchmark Revolving Borrowing denominated in a Foreign Currency, not later than 11:00 a.m., Local Time, four (4) Business Days before the date of prepayment, (iii) in the case of prepayment of an RFR Borrowing denominated in Pounds Sterling or Swiss Francs, not later than 11:00 a.m., Local Time (5) Business Days before the date of prepayment, (iv) in the case of prepayment of an ABR Revolving Borrowing, not later than 11:00 a.m., New York City time, on the date of prepayment or (v) in the case of prepayment of a Swingline Loan, not later than 12:00 noon, New York City time, on the date of prepayment. Each such telephonic and written notice shall be irrevocable and shall specify the prepayment date and the principal amount of each Borrowing or portion thereof to be prepaid; provided that, if a notice of prepayment is given in connection with a conditional notice of termination of the Commitments as contemplated by Section 2.09, then such notice of prepayment may be revoked if such notice of termination is revoked in accordance with Section 2.09. Promptly following receipt of any such notice relating to a Revolving Borrowing, the Administrative Agent shall advise the Lenders of the contents thereof. Each partial prepayment of any Revolving Borrowing shall be in an amount that would be permitted in the case of an advance of a Revolving Borrowing of the same Type as provided in Section 2.02. Each prepayment of a Revolving Borrowing shall be applied ratably to the Loans included in the prepaid Borrowing. Prepayments shall be accompanied by accrued interest to the extent required by Section 2.13 and break funding payments to the extent required by Section 2.16.

(c) If at any time, (i) other than as a result of fluctuations in currency exchange rates, the sum of the aggregate principal Euro Amount of the Total Revolving Credit Exposures (calculated, with respect to Revolving Loans denominated in Foreign Currencies, as of the most recent Computation Date with respect to each such Revolving Loans) exceeds the total Commitments or (ii) solely as a result of fluctuations in currency exchange rates, the aggregate principal Euro Amount of the Total Revolving Credit Exposures (so calculated), as of the most recent Computation Date, exceeds one hundred five percent (105%) of the total Commitments, then the Borrowers shall, in each case, immediately repay Borrowings in an aggregate principal

amount sufficient to cause the Euro Amount of the Total Revolving Credit Exposures (so calculated) to be less than or equal to the total Commitments.

SECTION 2.12 Fees.

(a) The Borrowers agree to pay to the Administrative Agent for the account of each Lender a facility fee, which shall accrue at the Applicable Rate on the daily amount of the Commitment of such Lender (whether used or unused) during the period from and including the Effective Date to but excluding the date on which such Commitment terminates; provided that, if such Lender continues to have any Revolving Credit Exposure after its Commitment terminates, then such facility fee shall continue to accrue on the daily amount of such Lender's Revolving Credit Exposure from and including the date on which its Commitment terminates to but excluding the date on which such Lender ceases to have any Revolving Credit Exposure. Facility fees accrued through and including the last day of March, June, September and December of each year shall be payable in arrears on the fifteenth (15th) day following such last day and on the date on which the Commitments terminate; provided that any facility fees accruing after the date on which the Commitments terminate shall be payable on demand. All facility fees shall be computed on the basis of a year of three hundred sixty (360) days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

(b) The Borrowers agree to pay to the Administrative Agent and the Arranger, for its own respective accounts, currency, fees payable in the amounts and at the times separately agreed upon between such Borrower, on the one hand, and the Administrative Agent or the Arranger, on the other.

(c) All fees payable hereunder shall be paid on the dates due, in Euros (unless otherwise specified) and immediately available funds, to the Administrative Agent for distribution, in the case of facility fees and participation fees, to the Lenders. Fees paid shall not be refundable under any circumstances.

SECTION 2.13 Interest.

(a) The Loans comprising each ABR Borrowing (including each Swingline Loan) shall bear interest at the Alternate Base Rate plus the Applicable Rate.

(b) The Loans comprising each Term Benchmark Borrowing shall bear interest at the applicable Relevant Adjusted Rate for the Interest Period in effect for such Borrowing plus the Applicable Rate.

(c) Each RFR Loan shall bear interest at a rate per annum equal to the applicable Adjusted Daily Simple RFR plus the Applicable Rate.

(d) Notwithstanding the foregoing, if any principal of or interest on any Loan or any fee or other amount payable by the Borrowers hereunder (in each case, with several liability to the extent on account of such Borrower or to the extent of Loans made to such Borrower) is not paid when due, whether at stated maturity, upon acceleration or otherwise, such overdue amount shall bear interest, after as well as before judgment, at a rate per annum equal to (i) in the case of overdue principal of any Loan, two percent (2%) plus the rate otherwise applicable to such Loan

as provided in the preceding paragraphs of this Section or (ii) in the case of any other amount, two percent (2%) plus the rate applicable to ABR Loans as provided in paragraph (a) of this Section.

(e) Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan and, in the case of Revolving Loans, upon termination of the Commitments; provided that (i) interest accrued pursuant to paragraph (d) of this Section shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan (other than a prepayment of an ABR Revolving Loan prior to the end of the Availability Period), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any Term Benchmark Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion. All interest shall be payable in the currency in which the applicable Loan is denominated.

(f) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the Daily Simple RFR with respect to Pounds Sterling or the Alternate Base Rate at times when the Alternate Base Rate is based on the Prime Rate shall be computed on the basis of a year of three hundred sixty-five (365) days (or three hundred sixty-six (366) days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). All interest hereunder shall be computed on a daily basis based upon the outstanding principal amount of such Loan as of the applicable date of determination. A determination of the applicable Alternate Base Rate, Relevant Adjusted Rate, Relevant Rate, Daily Simple RFR or Central Bank Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

SECTION 2.14 Alternate Rate of Interest.

(a) Subject to clauses (b), (c), (d), (e) and (f) of this Section 2.14 if:

(i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) (A) prior to the commencement of any Interest Period for a Term Benchmark Borrowing, that adequate and reasonable means do not exist for ascertaining the applicable Relevant Adjusted Rate (including because the Relevant Screen Rate is not available or published on a current basis) for the applicable Agreed Currency and such Interest Period or (B) at any time, that adequate and reasonable means do not exist for ascertaining the applicable Adjusted Daily Simple RFR for the applicable Agreed Currency; or

(ii) the Administrative Agent is advised by the Required Lenders that (A) prior to the commencement of any Interest Period for a Term Benchmark Borrowing, the applicable Relevant Adjusted Rate for the applicable Agreed Currency and such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Borrowing for the applicable Agreed Currency and such Interest Period or (B) at any time, the applicable Adjusted Daily Simple RFR for the applicable Agreed Currency will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Borrowing for the applicable Agreed Currency,

then the Administrative Agent shall promptly give notice thereof to the Company and the Lenders by telephone, telecopy or electronic mail as promptly as practicable thereafter and, until (x) the Administrative Agent notifies the Company and the Lenders that the circumstances giving rise to such notice no longer exist with respect to the relevant Benchmark, which the Administrative Agent agrees promptly to do, and (y) the applicable Borrower delivers a new Interest Election Request in accordance with the terms of Section 2.08 or a new Borrowing Request in accordance with the terms of Section 2.03, (A) for Loans denominated in U.S. Dollars, any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Term Benchmark Borrowing and any Borrowing Request that requests a Term Benchmark Revolving Borrowing shall instead be deemed to be an Interest Election Request or a Borrowing Request, as applicable, for (x) an RFR Borrowing denominated in U.S. Dollars so long as the Adjusted Daily Simple RFR for U.S. Dollar Borrowings is not also the subject of Section 2.14(a)(i) or (ii) above or (y) an ABR Borrowing if the Adjusted Daily Simple RFR for U.S. Dollar Borrowings also is the subject of Section 2.14(a)(i) or (ii) above and (B) for Loans denominated in a Foreign Currency, any Interest Election Request that requests the conversion of any Revolving Borrowing to, or continuation of any Revolving Borrowing as, a Term Benchmark Borrowing and any Borrowing Request that requests a Term Benchmark Borrowing or an RFR Borrowing, in each case, for the relevant Benchmark, shall be ineffective; provided that if the circumstances giving rise to such notice affect only one Type of Borrowing, then all other Types of Borrowings shall be permitted. Furthermore, if any Term Benchmark Loan or RFR Loan in any Agreed Currency is outstanding on the date of the Company's receipt of the notice from the Administrative Agent referred to in this Section 2.14(a) with respect to a Relevant Adjusted Rate applicable to such Term Benchmark Loan or RFR Loan, then until (x) the Administrative Agent notifies the Company and the Lenders that the circumstances giving rise to such notice no longer exist with respect to the relevant Benchmark and (y) the applicable Borrower delivers a new Interest Election Request in accordance with the terms of Section 2.08 or a new Borrowing Request in accordance with the terms of Section 2.03, (A) for Loans denominated in U.S. Dollars, any Term Benchmark Loan shall on the last day of the Interest Period applicable to such Loan, be converted by the Administrative Agent to, and shall constitute, (x) an RFR Borrowing denominated in U.S. Dollars so long as the Adjusted Daily Simple RFR for U.S. Dollar Borrowings is not also the subject of Section 2.14(a)(i) or (ii) above or (y) an ABR Loan if the Adjusted Daily Simple RFR for U.S. Dollar Borrowings also is the subject of Section 2.14(a)(i) or (ii) above, on such day and (B) for Loans denominated in a Foreign Currency, (1) any Term Benchmark Loan shall, on the last day of the Interest Period applicable to such Loan bear interest at the Central Bank Rate for the applicable Foreign Currency plus the Applicable Rate; provided that, if the Administrative Agent determines, in consultation with the Company, (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate for the applicable Foreign Currency cannot be determined, any outstanding affected Term Benchmark Loans denominated in such Foreign Currency shall, at the Company's election prior to such day: (A) be prepaid by the applicable Borrower on such day or (B) solely for the purpose of calculating the interest rate applicable to such Term Benchmark Loan, such Term Benchmark Loan denominated in such Foreign Currency shall be deemed to be a Term Benchmark Loan denominated in U.S. Dollars and shall accrue interest at the same interest rate applicable to Term Benchmark Loans denominated in U.S. Dollars at such time and (2) any RFR Loan shall bear interest at the Central Bank Rate for the applicable Foreign Currency plus the Applicable Rate; provided that, if the Administrative Agent determines, in consultation with the Company, (which determination shall

be conclusive and binding absent manifest error) that the Central Bank Rate for the applicable Foreign Currency cannot be determined, any outstanding affected RFR Loans denominated in any Foreign Currency, at the Company's election, shall either (A) be converted into ABR Loans denominated in U.S. Dollars (in an amount equal to the Dollar Amount of such Foreign Currency) immediately or (B) be prepaid in full immediately.

(b) Notwithstanding anything to the contrary herein or in any other Loan Document, if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m., New York City time, on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action (other than any Benchmark Replacement Conforming Changes made pursuant to clause (c) below) or consent of any other party to, this Agreement or any other Loan Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders.

(c) Notwithstanding anything to the contrary herein or in any other Loan Document, the Administrative Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document; provided that the Administrative Agent shall deliver a copy of any such amendment to the Company for consultation at least five (5) Business Days prior to the effectiveness thereof (or such shorter period as agreed by the Company).

(d) The Administrative Agent will promptly notify the Company and the Lenders of (i) any occurrence of a Benchmark Transition Event, (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Benchmark Replacement Conforming Changes, (iv) the removal or reinstatement of any tenor of a Benchmark pursuant to clause (e) below and (v) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 2.14, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 2.14.

(e) Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including any Relevant Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion after consultation with the Company or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information

announcing that any tenor for such Benchmark is or will be no longer representative, then the Administrative Agent may modify the definition of “Interest Period” for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of “Interest Period” for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(f) Upon the Company’s receipt of notice of the commencement of a Benchmark Unavailability Period, the applicable Borrower may revoke any request for a Term Benchmark Borrowing or RFR Borrowing of, conversion to or continuation of Term Benchmark Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, either (x) such Borrower will be deemed to have converted any request for a Term Benchmark Borrowing denominated in U.S. Dollars into a request for a Borrowing of or conversion to (A) an RFR Borrowing denominated in U.S. Dollars so long as the Adjusted Daily Simple RFR for U.S. Dollar Borrowings is not the subject of a Benchmark Transition Event or (B) an ABR Borrowing if the Adjusted Daily Simple RFR for U.S. Dollar Borrowings is the subject of a Benchmark Transition Event or (y) any Term Benchmark Borrowing or RFR Borrowing denominated in a Foreign Currency shall be ineffective. During any Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of the Alternate Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of the Alternate Base Rate. Furthermore, if any Term Benchmark Loan or RFR Loan in any Agreed Currency is outstanding on the date of the Company’s receipt of notice of the commencement of a Benchmark Unavailability Period with respect to a Relevant Adjusted Rate applicable to such Term Benchmark Loan or RFR Loan, then until such time as a Benchmark Replacement for such Agreed Currency is implemented pursuant to this Section 2.14, (A) for Loans denominated in U.S. Dollars any Term Benchmark Loan shall on the last day of the Interest Period applicable to such Loan, be converted by the Administrative Agent to, and shall constitute, (x) an RFR Borrowing denominated in U.S. Dollars so long as the Adjusted Daily Simple RFR for U.S. Dollar Borrowings is not the subject of a Benchmark Transition Event or (y) an ABR Loan if the Adjusted Daily Simple RFR for U.S. Dollar Borrowings is the subject of a Benchmark Transition Event, on such day and (B) for Loans denominated in a Foreign Currency, (1) any Term Benchmark Loan shall, on the last day of the Interest Period applicable to such Loan bear interest at the Central Bank Rate for the applicable Foreign Currency plus the Applicable Rate; provided that, if the Administrative Agent determines, in consultation with the Company, (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate for the applicable Foreign Currency cannot be determined, any outstanding affected Term Benchmark Loans denominated in any Foreign Currency shall, at the Company’s election prior to such day: (A) be prepaid by the applicable Borrower on such day or (B) solely for the purpose of calculating the interest rate applicable to such Term Benchmark Loan, such Term Benchmark Loan denominated in any Foreign Currency shall be deemed to be a Term Benchmark Loan denominated in U.S. Dollars and shall accrue interest at the same interest rate applicable to Term Benchmark Loans denominated in U.S. Dollars at such time and (2) any RFR Loan shall bear interest at the Central Bank Rate for the applicable Foreign Currency plus the Applicable Rate; provided that, if the Administrative Agent determines,

in consultation with the Company, (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate for the applicable Foreign Currency cannot be determined, any outstanding affected RFR Loans denominated in any Foreign Currency, at the Company's election, shall either (A) be converted into ABR Loans denominated in U.S. Dollars (in an amount equal to the Dollar Amount of such Foreign Currency) immediately or (B) be prepaid in full immediately.

SECTION 2.15 Increased Costs.

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, liquidity or similar requirement (including any compulsory loan requirement, insurance charge or other assessment) against assets of, deposits with or for the account of, or credit extended by, any Lender (except any such reserve requirement reflected in the applicable Relevant Adjusted Rate);

(ii) impose on any Lender any applicable interbank market any other condition, cost or expense (other than Taxes) affecting any Loan Document or Loans made by such Lender; or

(iii) subject any Recipient to any Taxes (other than Indemnified Taxes or Excluded Taxes; provided, however, that Other Connection Taxes imposed specifically with respect to banks, financial institutions, or financial transactions by any national or international taxing authority shall not be treated as Excluded Taxes for purposes of this Section 2.15(a)(iii)) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

and the result of any of the foregoing shall be to increase the cost to such Lender or such other Recipient of making, continuing, converting or maintaining any Loan or of maintaining its obligation to make any such Loan (including pursuant to any conversion of any Borrowing denominated in an Agreed Currency to a Borrowing denominated in any other Agreed Currency) or to reduce the amount of any sum received or receivable by such Lender or such other Recipient hereunder, whether of principal, interest or otherwise (including pursuant to any conversion of any Borrowing denominated in an Agreed Currency to a Borrowing denominated in any other Agreed Currency), then the applicable Borrower will pay to such Lender or such other Recipient, as the case may be, such additional amount or amounts as will compensate such Lender or such other Recipient, as the case may be, for such additional costs incurred or reduction suffered.

(b) If any Lender reasonably determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of any Loan Document or the Loans made by such Lender to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy and liquidity), then from time to time the applicable Borrower shall

pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section shall be delivered to the Borrowers and shall be conclusive absent manifest error. The applicable Borrower shall pay such Lender the amount shown as due on any such certificate within ten (10) days after receipt thereof.

(d) Failure or delay on the part of any Lender to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's right to demand such compensation; provided that no Borrower shall be required to compensate a Lender pursuant to this Section for any increased costs or reductions incurred more than two hundred seventy (270) days prior to the date that such Lender notifies the Borrowers of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor; provided further that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the two hundred seventy (270) day period referred to above shall be extended to include the period of retroactive effect thereof.

SECTION 2.16 Break Funding Payments.

(a) With respect to Loans that are Term Benchmark Loans, in the event of (i) the payment of any principal of any Term Benchmark Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default or as a result of any prepayment pursuant to Section 2.11), (ii) the conversion of any Term Benchmark Loan other than on the last day of the Interest Period applicable thereto, (iii) the failure to borrow, convert, continue or prepay any Term Benchmark Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 2.11(b) and is revoked in accordance therewith), (iv) the assignment of any Term Benchmark Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrowers pursuant to Section 2.19 or (v) the failure by the applicable Borrower to make any payment of any Loan (or interest due thereof) on its scheduled due date or any payment thereof in a different currency, then, in any such event, the Company shall compensate (or cause the applicable Borrower to compensate) each Lender for the loss, cost and expense attributable to such event. Such loss, cost or expense to any Lender shall be deemed to include an amount determined by such Lender to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of such Loan had such event not occurred at the applicable Relevant Adjusted Rate that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest which would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for deposits in the applicable currency of a comparable amount and period from other banks in the applicable offshore market for such Agreed Currency, whether or not such Term Benchmark Loan was in fact so funded. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be delivered to the Company and shall be conclusive absent manifest

error. The Company shall pay (or cause the applicable Borrower to pay) such Lender the amount shown as due on any such certificate within ten (10) days after receipt thereof.

(b) With respect to RFR Loans, in the event of (i) the payment of any principal of any RFR Loan other than on the Interest Payment Date applicable thereto (including as a result of an Event of Default or as a result of any prepayment pursuant to Section 2.11), (ii) the failure to borrow, convert, continue or prepay any RFR Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 2.11(b) and is revoked in accordance therewith), (iii) the assignment of any RFR Loan other than on the Interest Payment Date applicable thereto as a result of a request by the Company pursuant to Section 2.19 or (iv) the failure by the applicable Borrower to make any payment of any Loan (or interest due thereof) denominated in a Foreign Currency on its scheduled due date or any payment thereof in a different currency, then, in any such event, the applicable Borrower shall compensate each Lender for the loss, cost and expense attributable to such event. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be delivered to the Company and shall be conclusive absent manifest error. The Company shall pay (or cause the applicable Borrower to pay) such Lender the amount shown as due on any such certificate within ten (10) days after receipt thereof.

SECTION 2.17 Taxes.

(a) Payments Free of Taxes. Any and all payments by or on account of any obligation of any Borrower under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable withholding agent) requires the deduction or withholding of any Tax from any such payment, then the person required by law to make such deduction or withholding shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Borrower shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 2.17) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) Payment of Other Taxes by the Borrowers. A Borrower shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for, Other Taxes relating to a Borrowing by such Borrower.

(c) Evidence of Payment. As soon as practicable after any payment of Taxes by any Borrower to a Governmental Authority pursuant to this Section 2.17, such Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(d) Indemnification by the Borrowers. Subject to Section 9.11, each Borrower shall indemnify each Recipient, with several liability, to the extent on account of such Borrower

or Loans made to such Borrower, within ten (10) days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the applicable Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(e) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent, within ten (10) days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that any Borrower has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Borrowers to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 10.04(c) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph(e).

(f) Status of Lenders.

(i) Any Lender that is entitled to an exemption from or reduction of any applicable withholding Tax, under the law of the jurisdiction imposing such withholding tax or under any treaty to which such jurisdiction is a party, with respect to payments made under any Loan Document shall deliver to the Company and the Administrative Agent, at the time or times reasonably requested by the Company or the Administrative Agent, such properly completed and executed documentation (including any Tax confirmations) reasonably requested by the Company or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Company or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Company or the Administrative Agent as will enable the Company or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.17(f)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing, in the event that any Borrower is organized in the US and treated as a U.S. Person,

(A) any Lender that is a U.S. Person shall deliver to the Company and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Company or the Administrative Agent), executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Company and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Company or the Administrative Agent), whichever of the following is applicable:

- (1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed copies of IRS Form W-8BEN or Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “interest” article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “business profits” or “other income” article of such tax treaty;
- (2) in the case of a Foreign Lender claiming that its extension of credit will generate U.S. effectively connected income, executed copies of IRS Form W-8ECI;
- (3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit B-1 to the effect that such Foreign Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10 percent shareholder” of such Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code (a “**U.S. Tax Compliance Certificate**”) and (y) executed copies of IRS Form W-8BEN or Form W-8BEN-E; or
- (4) to the extent a Foreign Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or Form W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit B-2 or Exhibit B-3,

IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit B-4 on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Company and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Company or the Administrative Agent), executed copies of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Company or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Company and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Company or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Company or the Administrative Agent as may be necessary for the Company and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification, provide such successor form or promptly notify the Company and the Administrative Agent in writing of its legal inability to do so.

(g) Additional United Kingdom Withholding Tax Matters or Swiss Withholding Tax Matters.

(i) Subject to clause (ii) below, each Lender, each UK Borrower and each Swiss Borrower which makes a payment to such Lender shall cooperate in completing any procedural formalities necessary for such UK Borrower and such Swiss Borrower to obtain

authorization to make such payment without withholding or deduction for Taxes imposed under the laws of the United Kingdom or Switzerland.

(ii)

(A) A Lender which at any time (x) holds a passport under the HMRC DT Treaty Passport scheme and (y) wishes such scheme to apply to this Agreement, shall: (i) in the case of any Lender which is a party to this Agreement on the day on which this Agreement is entered into, confirm for the benefit of each UK Borrower and Administrative Agent its valid scheme reference number and its jurisdiction of tax residence opposite its name in the signature page to this Agreement; and (ii) in the case of any Lender which becomes a party to this Agreement after the date of this Agreement, confirm for the benefit of each UK Borrower and the Administrative Agent its valid scheme reference number and its jurisdiction of tax residence in the Assignment and Assumption or other document which it executes on becoming a party.

(B) Upon satisfying clause (A) above, such Lender shall have satisfied its obligation under paragraph (g)(i) above in respect of any withholding or deduction for Taxes imposed under the laws of the United Kingdom.

(iii) If a Lender has confirmed its scheme reference number and its jurisdiction of tax residence in accordance with paragraph (g)(ii) above, the UK Borrower(s) shall make a Borrower DTTP Filing with respect to such Lender, and shall promptly provide such Lender with a copy of such filing; provided that, if:

(A) each UK Borrower making a payment to such Lender has not made a Borrower DTTP Filing in respect of such Lender; or

(B) each UK Borrower making a payment to such Lender has made a Borrower DTTP Filing in respect of such Lender but:

- (1) such Borrower DTTP Filing has been rejected by HM Revenue & Customs; or
- (2) HM Revenue & Customs has not given such UK Borrower authority to make payments to such Lender without a deduction for tax within sixty (60) days of the date of such Borrower DTTP Filing; or
- (3) HM Revenue & Customs has given authority for the UK Borrower to make payment to that Lender without a Tax Deduction and that authority expires or is withdrawn by HM Revenue & Customs; or

(C) that Lender's HMRC DT Treaty Passport scheme passport has expired, and in each case, such UK Borrower has notified that Lender in writing of either (A), (B) or (C) above, then such Lender and such UK Borrower shall co-operate in completing any additional procedural formalities necessary for such UK

Borrower to obtain authorization to make that payment without withholding or deduction for Taxes imposed under the laws of the United Kingdom.

- (iv) If a Lender has not confirmed its scheme reference number and jurisdiction of tax residence in accordance with paragraph (g)(ii) above, no UK Borrower shall make a Borrower DTTP Filing or file any other form relating to the HMRC DT Treaty Passport scheme in respect of that Lender's Commitment or its participation in any Loan unless the Lender otherwise agrees.
- (v) Each UK Borrower shall, promptly on making a Borrower DTTP Filing, deliver a copy of such Borrower DTTP Filing to the Administrative Agent for delivery to the relevant Lender.
- (vi) Each Lender which becomes a party to this Agreement after the date of this Agreement and which is a UK Non-Bank Lender in respect of a UK Borrower, shall provide a UK Tax Confirmation to each UK Borrower and Administrative Agent in the Assignment and Assumption or other document which it executes on becoming a Party as Lender.
- (vii) A UK Non-Bank Lender shall promptly notify the Company and the Administrative Agent if there is any change in the position from that set out in the UK Tax Confirmation.
- (viii) Each Lender which becomes a party to this Agreement by transfer or assignment under Section 10.04 after the day on which this Agreement is entered into shall indicate, in the Assignment and Assumption or other document which it executes on becoming a party, and for the benefit of the Administrative Agent and each UK Borrower and each Swiss Borrower, which of the following categories it falls in:
 - (A) in respect of a UK Borrower:
 - (i) a UK Qualifying Lender;
 - (ii) a UK Qualifying Lender (other than a UK Treaty Lender); or
 - (iii) a UK Treaty Lender; and
 - (B) in respect of a Swiss Borrower:
 - (i) a Swiss Qualifying Bank; or
 - (ii) not a Swiss Qualifying Bank
- (ix) If a Lender which becomes a party after the day on which this Agreement is entered into fails to indicate its status in accordance with Section 2.17(g)(viii) then such Lender shall be treated for the purposes of this

Agreement as if it is not a UK Qualifying Lender and not a Swiss Qualifying Bank until such time as it notifies the Administrative Agent which category applies (and the Administrative Agent, upon receipt of such notification, shall inform the Company for the benefit of each UK Borrower and each Swiss Borrower). For the avoidance of doubt, an Assignment and Assumption shall not be invalidated by any failure of a Lender to comply with Section 2.17(g)(viii).

- (x) A copy of the Assignment and Assumption or other document executed by a relevant Lender and containing the confirmations or indications (as applicable) relating to UK Tax and Swiss Withholding Tax as set out in this Section 2.17(g) shall be delivered to the Company (for the benefit of each UK Borrower and each Swiss Borrower) by such Lender on the same day such document is delivered to the Administrative Agent.
- (xi) Each Lender shall notify the Company and Administrative Agent if it determines in its sole discretion that it ceases to be (a) entitled to claim the benefits of an income tax treaty to which the United Kingdom is a party with respect to payments made by any UK Borrower hereunder or (b) a Qualifying Lender (other than a UK Treaty Lender) in respect of a UK Borrower or (c) a Swiss Qualifying Bank in respect of a Swiss Borrower.
- (xii) If a Lender assigns or transfers any of its rights or obligations under the Loan Documents or changes its lending office, and as a result of circumstances existing at the date the assignment, transfer or change occurs, a Borrower not incorporated in the U.S. would be obligated to make a payment to the new Lender or Lender acting through its new lending office under Section 2.17, then a new Lender or Lender acting through its new lending office is only entitled to receive payment under this Section 2.17 to the same extent as the assigning Lender or Lender acting through its previous lending office would have been if the assignment, transfer or change had not occurred.

(h) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.17 (including by the payment of additional amounts pursuant to this Section 2.17), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 2.17 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (h) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (h), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (h) the payment of which would place the indemnified party in a less favorable

net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(i) Survival. Each party's obligations under this Section 2.17 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

(j) Failure or delay on the part of any Lender to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's right to demand such compensation; provided that no Borrower shall be required to compensate a Lender pursuant to this Section for any Indemnified Taxes or Other Taxes paid or payable by a Recipient pursuant to Section 2.17(d) incurred more than two hundred seventy (270) days prior to the date that such Lender, as the case may be, notifies the Company of such Lender's intention to claim compensation therefor; provided further that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the two hundred seventy (270) day period referred to above shall be extended to include the period of retroactive effect thereof.

(k) Minimum Interest Rates and Payments Recalculation. When entering into this Agreement, the parties have assumed in *bona fide* that the interest payments are minimum interest payments not subject to any Swiss Withholding Tax. Nevertheless, if a Tax deduction is required by Swiss law to be made by a Swiss Borrower in respect of any interest payable by it under this Agreement and should it be unlawful for such Swiss Borrower to comply with Section 2.17(a) the applicable interest rate in relation to that interest payment shall be: (i) the interest rate which would have applied to that interest payment in the absence of this Section 2.17(k) divided by (ii) one (1) minus the rate at which the relevant Tax deduction is required to be made (where the rate at which the relevant Tax deduction is required to be made is for this purpose expressed as a fraction of one (1) rather than as a percentage) and (a) that the Swiss Borrower shall be obliged to pay the relevant interest at the adjusted rate in accordance with this Section 2.17(k), (b) that the Swiss Borrower shall make the Tax deduction on the interest so recalculated and (c) all references to a rate of interest in this Agreement shall be construed accordingly. No recalculation of interest shall be made under this Section 2.17(k) if the Tax deduction on such interest is due as a result of a breach of the Swiss Non-Bank Rules and such breach is the result of a Lender, which is not a Swiss Permitted Non-Qualifying Bank, (i) ceasing to be a Swiss Qualifying Bank other than as a result of any change of law after the date it became a Lender or (ii) having failed to comply with its obligations under Section 10.04. For the avoidance of doubt, no Swiss Borrower shall be required to pay any additional amounts under this Section 2.17 if a recalculation of interest is made pursuant to this Section 2.17. The relevant Swiss Borrower shall provide the Lenders with such documents and information required for applying for a refund of any Swiss Withholding Tax paid. In the event that Swiss Withholding Tax is refunded to a Lender by the Swiss Federal Tax Administration, the relevant Lender shall forward, after deduction of corresponding and reasonable costs, the amount in excess of what is owed to that Lender under this Agreement or any Loan Document to the relevant Swiss Borrower, unless an Event of Default is continuing. Nothing in

this Section 2.17(k) shall interfere with each Lender's right to arrange its tax affairs in whatever manner it thinks fit and, without limiting the foregoing, no Lender shall be under any obligation to claim any Swiss Withholding Tax refund in priority to any other claims, relieves, credits or deductions available to it.

- (l) Defined Terms. For purposes of this Section 2.17, the term “applicable law” includes FATCA.

SECTION 2.18 Payments Generally; Pro Rata Treatment; Sharing of Set-offs.

(a) Each Borrower shall make each payment required to be made by it hereunder (whether of principal, interest, fees, or of amounts payable under Section 2.15, 2.16 or 2.17, or otherwise) prior to 12:00 noon, Local Time, on the date when due, in immediately available funds, without set off or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent at (x) in the case of payments denominated in U.S. Dollars, its offices at 500 First Avenue, Pittsburgh, PA 15219 and (y) in the case of payments denominated in a Foreign Currency, its Foreign Currency Payment Office for such Foreign Currency, in each case except payments to be made directly to the Swingline Lenders as expressly provided herein and except that payments pursuant to Sections 2.15, 2.16, 2.17 and 10.03 shall be made directly to the Persons entitled thereto. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments hereunder of principal or interest in respect of any Loan shall, except as otherwise expressly provided herein, be made in the currency of such Loan, and all other payments hereunder and under each other Loan Document shall be made in Euro or such other currency otherwise agreed. Notwithstanding the foregoing provisions of this Section, if, after the making of any Borrowing in any Foreign Currency, currency control or exchange regulations are imposed in the country which issues such Foreign Currency with the result that such Foreign Currency no longer exists or the applicable Borrower is not able to make payment to the Administrative Agent for the account of the Lenders in such Foreign Currency, then all payments to be made by such Borrower hereunder in such Foreign Currency shall instead be made when due in Euros in an amount equal to the Euro Amount (as of the date of repayment) of such payment due, it being the intention of the parties hereto that such Borrower takes all risks of the imposition of any such currency control or exchange regulations.

(b) If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, interest and fees then due hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, towards payment of principal then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal then due to such parties.

(c) If any Lender shall, by exercising any right of set off or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Revolving Loans or participations in Swingline Loans resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Revolving Loans and participations in Swingline Loans and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Revolving Loans and participations in Swingline Loans of other Lenders to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Revolving Loans and participations in Swingline Loans; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph shall not be construed to apply to any payment made by any Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant, other than to any Loan Party or any Subsidiary or Affiliate thereof (as to which the provisions of this paragraph shall apply). Each Loan Party consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against such Loan Party rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Loan Party in the amount of such participation.

(d) Unless the Administrative Agent shall have received notice from any Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders hereunder that such Borrower will not make such payment, the Administrative Agent may assume that such Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders the amount due. In such event, if such Borrower has not in fact made such payment, then each of the Lenders severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the applicable Overnight Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(e) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.05(d), 2.07(b), 2.18(d) or 10.03(c), then the Administrative Agent may, in its discretion and notwithstanding any contrary provision hereof, (i) apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid, and/or (ii) hold such amounts in a segregated account over which the Administrative Agent shall have exclusive control as cash collateral for, and application to, any future funding obligations of such Lender under any such Section, in the case of each of clause (i) and (ii) above, in any order as determined by the Administrative Agent in its discretion.

SECTION 2.19 Mitigation Obligations; Replacement of Lenders.

(a) If any Lender requests compensation under Section 2.15, or if any Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or 2.17, as the case may be, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The applicable Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) If (i) any Lender requests compensation under Section 2.15, (ii) any Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, or (iii) any Lender becomes a Defaulting Lender, then the Company, on behalf of the Borrowers, may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 10.04), all its interests, rights (other than its existing rights to payments pursuant to Section 2.15 or 2.17) and obligations under the Loan Documents to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that (x) the Company, on behalf of the Borrowers, shall have received the prior written consent of the Administrative Agent (and if a Commitment is being assigned, the Swingline Lenders), which consent shall not unreasonably be withheld, (y) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in Swingline Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrowers (in the case of all other amounts) and (z) in the case of any such assignment resulting from a claim for compensation under Section 2.15 or payments required to be made pursuant to Section 2.17, such assignment will result in a reduction in such compensation or payments. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrowers to require such assignment and delegation cease to apply. Each party hereto agrees that (i) an assignment required pursuant to this clause (b) may be effected pursuant to an Assignment and Assumption executed by the Company, on behalf of the Borrowers, the Administrative Agent and the assignee (or, to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to a Platform as to which the Administrative Agent and such parties are participants), and (ii) the Lender required to make such assignment need not be a party thereto in order for such assignment to be effective and shall be deemed to have consented to and be bound by the terms thereof; provided that, following the effectiveness of any such assignment, the other parties to such assignment agree to execute and deliver such documents necessary to evidence such assignment as reasonably requested by the applicable Lender; provided that any such documents shall be without recourse to or warranty by the parties thereto.

SECTION 2.20 Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) fees shall cease to accrue on the Commitment of such Defaulting Lender pursuant to Section 2.12(a);

(b) any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 10.08 shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder; second, to the payment on a pro rata basis of any amounts owing by such Defaulting Lender to any Swingline Lender hereunder; third, as the Borrowers may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; fourth, if so determined by the Administrative Agent and the Borrowers, to be held in a deposit account and released pro rata in order to satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement; fifth, to the payment of any amounts owing to the Lenders or Swingline Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender or Swingline Lenders against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement or under any other Loan Document; sixth, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrowers as a result of any judgment of a court of competent jurisdiction obtained by the Borrowers against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement or under any other Loan Document; and seventh, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loans in respect of which such Defaulting Lender has not fully funded its appropriate share, and (y) such Loans were made at a time when the conditions set forth in Section 4.02 were satisfied or waived, such payment shall be applied solely to pay the Loans of all non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of such Defaulting Lender until such time as all Loans and funded and unfunded participations in the Borrowers' obligations corresponding to such Defaulting Lender's Swingline Loans are held by the Lenders pro rata in accordance with the Commitments without giving effect to clause (d) below. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post cash collateral pursuant to this Section shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(c) the Commitment and Revolving Credit Exposure of such Defaulting Lender shall not be included in determining whether all Lenders or the Required Lenders have taken or may take any action hereunder (including any consent to any amendment, waiver or other modification pursuant to Section 10.02); provided that any waiver, amendment or other modification requiring the consent of all Lenders or each affected Lender which affects such Defaulting Lender disproportionately when compared to the other affected Lenders, or increases or extends the Commitment of such Defaulting Lender, shall require the consent of such Defaulting Lender;

(d) if any Swingline Exposure exists at the time such Lender becomes a Defaulting Lender then:

- (i) all or any part of the Swingline Exposure of such Defaulting Lender (other than the portion of such Swingline Exposure referred to in clause (b) of the definition of such term) shall be reallocated among the non-Defaulting Lenders in accordance with their respective Applicable Percentages but only (A) to the extent that the sum of all non-Defaulting Lenders' Revolving Credit Exposures plus such Defaulting Lender's Swingline Exposure does not exceed the total of all non-Defaulting Lenders' Commitments, (B) to the extent that such reallocation does not cause the Revolving Credit Exposure of any non-Defaulting Lender to exceed such non-Defaulting Lender's Commitment, and (C) if the conditions set forth in Section 4.02 are satisfied at such time; and
- (ii) if the reallocation described in clause (i) above cannot, or can only partially, be effected, the Borrowers shall within one (1) Business Day following notice by the Administrative Agent prepay such Swingline Exposure;
- (e) so long as such Lender is a Defaulting Lender, no Swingline Lender shall be required to fund any Swingline Loan unless it is satisfied that the related exposure will be one hundred percent (100%) covered by the Commitments of the non-Defaulting Lenders;

In the event that the Administrative Agent, the Company, on behalf of the Borrowers, and each Swingline Lender each agrees that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then the Swingline Exposure of the Lenders shall be readjusted to reflect the inclusion of such Lender's Commitment and on such date such Lender shall purchase at par such of the Loans of the other Lenders (other than Swingline Loans) as the Administrative Agent shall determine may be necessary in order for such Lender to hold such Loans in accordance with its Applicable Percentage.

SECTION 2.21 [Reserved].

SECTION 2.22 Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due from any Borrower hereunder in the currency expressed to be payable herein (the "**specified currency**") into another currency, the parties hereto agree, to the fullest extent that they may effectively do so, that the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the specified currency with such other currency at the Administrative Agent's main New York City office on the Business Day preceding that on which final, non-appealable judgment is given. The obligations of any Borrower in respect of any sum due to any Credit Party hereunder shall, notwithstanding any judgment in a currency other than the specified currency, be discharged only to the extent that on the Business Day following receipt by such Credit Party of any sum adjudged to be so due in such other currency such Credit Party may in accordance with normal, reasonable banking procedures purchase the specified currency with such other currency. If the amount of the specified currency so purchased is less than the sum originally due to such Credit Party in the specified currency, the applicable Borrower agrees, to the fullest extent that it may effectively do so, as a separate obligation and notwithstanding any such judgment, to indemnify such Credit Party against such loss, and if the amount of the specified currency so purchased exceeds (a) the sum originally due to any Credit Party in the specified currency and (b) any amounts shared with other

Lenders as a result of allocations of such excess as a disproportionate payment to such Lender under Section 2.18, such Credit Party agrees to remit such excess to such Borrower.

SECTION 2.23 Designated Borrowers.

(a) [Reserved].

(b) The Company may at any time, upon not less than fifteen (15) Business Days' notice from the Company to the Administrative Agent (or such shorter period as may be agreed by the Administrative Agent in its sole discretion), designate any additional Subsidiary that the Company owns, directly or indirectly, greater than 90% of the Equity Interest of such Subsidiary (an "**Applicant Borrower**"), as a Designated Borrower to receive Revolving Loans hereunder by delivering to the Administrative Agent (which shall promptly deliver counterparts thereof to each Lender) a duly executed notice and agreement in substantially the form of Exhibit C (a "**Designated Borrower Request and Assumption Agreement**"). The parties hereto acknowledge and agree that prior to any Applicant Borrower becoming entitled to utilize the credit facilities provided for herein the Administrative Agent and the Lenders shall have (i) received such supporting resolutions, incumbency certificates, opinions of counsel and other documents or information, in form, content and scope reasonably satisfactory to the Administrative Agent, as may be required by the Administrative Agent or the Required Lenders in their reasonable discretion, and (ii) received promissory notes signed by such new Borrowers to the extent any Lenders so require. Furthermore, no Subsidiary of the Company shall become a Designated Borrower if (i) any Lender is not licensed to make Loans to such Subsidiary in the jurisdiction of its organization or (ii) it is otherwise unlawful for such Subsidiary to become a Designated Borrower or for any Lender to make Loans to such Subsidiary as provided herein. No Lender shall be obligated to make Loans to any Applicant Borrower or Designated Borrower if making such Loans by such Lender would (i) be unlawful, or (ii) cause additional costs (including Taxes) to be incurred by such Lender that would not otherwise be reimbursable under Section 2.17 or the other provisions of this Agreement. If the foregoing conditions have been satisfied, then promptly following receipt of all such requested resolutions, incumbency certificates, opinions of counsel and other documents or information, the Administrative Agent shall send a notice in substantially the form of Exhibit D (a "**Designated Borrower Notice**") to the Company and the Lenders specifying the effective date upon which the Applicant Borrower shall constitute a Designated Borrower for purposes hereof, whereupon each of the Lenders agrees to permit such Designated Borrower to receive Revolving Loans hereunder, on the terms and conditions set forth herein, and each of the parties agrees that such Designated Borrower otherwise shall be a Borrower for all purposes of this Agreement; provided that no Borrowing Request may be submitted on behalf of such Designated Borrower until the date that is five (5) Business Days after such effective date.

(c) The Obligations of each Designated Borrower that is a Domestic Subsidiary shall be joint and several in nature regardless of which Designated Borrower that is a Domestic Subsidiary actually borrows Revolving Loans hereunder or the amount of such Revolving Loans borrowed or the manner in which the Administrative Agent or any Lender accounts for such Revolving Loans on its books and records. The Obligations of all Foreign Obligors shall be several in nature. All provisions in this Agreement and each other Loan Document shall be interpreted and applied consistently with this Section 2.23(c), and if and where other provisions of this

Agreement or any other Loan Document conflict with the provisions of this Section 2.23(c), the provisions of this Section 2.23(c) shall apply.

(d) In accordance with Section 2.24, each Subsidiary that becomes a Designated Borrower pursuant to this Section 2.23 hereby irrevocably appoints the Company as its agent for all purposes relevant to the Loan Documents, including (i) the giving and receipt of notices and (ii) the execution and delivery of all documents, instruments and certificates contemplated herein and all modifications hereto. Any acknowledgment, consent, direction, certification or other action which might otherwise be valid or effective only if given or taken by all Borrowers, or by each Borrower acting singly, shall be valid and effective if given or taken only by the Company, whether or not any such other Borrower joins therein. Any notice, demand, consent, acknowledgement, direction, certification or other communication delivered to the Company in accordance with the terms of this Agreement shall be deemed to have been delivered to each Borrower.

(e) The Company may from time to time, upon not less than fifteen (15) Business Days' notice from the Company to the Administrative Agent (or such shorter period as may be agreed by the Administrative Agent in its sole discretion), terminate a Designated Borrower's status as such, provided that there are no outstanding Revolving Loans payable by such Designated Borrower, or other amounts payable by such Designated Borrower on account of any Revolving Loans made to it, as of the effective date of such termination. The Administrative Agent will promptly notify the Lenders of any such termination of a Designated Borrower's status.

(f) If the selection of a particular Designated Borrower results (or is reasonably anticipated to result) in amounts becoming payable under Section 2.17, the Company, on behalf of the Borrowers, may make a written request to the Administrative Agent for an amendment to this Agreement that would create a separate tranche of Lenders to provide credit to such Designated Borrower in a manner that would eliminate or minimize amounts payable under Section 2.17. The Administrative Agent and the Lenders agree to consider such amendment request in good faith. The Company and the applicable Designated Borrower hereby agree to pay (or to cause the applicable Borrower to pay) all reasonable costs and expenses incurred by the Administrative Agent or any Lender in connection with any such amendment, subject to compliance by the Lenders with the applicable provisions of Section 2.17(f).

(g) Illegality. If, in any applicable jurisdiction, the Administrative Agent or any Lender determines that any law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for the Administrative Agent or any Lender to (i) perform any of its obligations hereunder or under any other Loan Document, (ii) fund or maintain its participation in any Loan or (iii) issue, make, maintain, fund or charge interest with respect to any Loan, in each of the foregoing cases to any Designated Borrower who is organized under the laws of a jurisdiction other than the United States, a state thereof or the District of Columbia, such Person shall promptly notify the Administrative Agent, then, upon the Administrative Agent notifying the Company, and until such notice by such Person is revoked, any obligation of such Person to issue, make, maintain, fund or charge interest with respect to any such Loan shall be suspended, and to the extent required by applicable law, cancelled. Upon receipt of such notice, the Loan Parties shall (A) repay that Person's participation in the Loans or other applicable Obligations on the last day of the Interest Period for each Loan or other Obligation occurring after the Administrative

Agent has notified the Company or, if earlier, the date specified by such Person in the notice delivered to the Administrative Agent (being no earlier than the last day of any applicable grace period permitted by applicable law) and (B) take all reasonable actions requested by such Person to mitigate or avoid such illegality.

SECTION 2.24 Designation of Company as the Agent for the Borrowers. For purposes of this Agreement, each of the Borrowers hereby designates the Company as its agent and representative for all purposes hereunder (including with respect to (i) any notices, demands, communications or requests under this Agreement or the other Loan Documents and (ii) the execution and delivery of all documents, instruments and certificates contemplated herein and all modifications hereto) and the Company hereby accepts each such appointment. The Administrative Agent and each Lender may regard any notice or other communication pursuant to any Loan Document from the Company as a notice or communication from all the Borrowers, and may give any notice or communication required or permitted to be given to any Borrower or the Borrowers hereunder to the Company on behalf of such Borrower or the Borrowers, with a copy to the applicable Borrower. Each Borrower agrees that each notice, election, representation and warranty, covenant, agreement and undertaking made on its behalf by the Company shall be deemed for all purposes to have been made by such Borrower and shall be binding upon and enforceable against such Borrower to the same extent as if the same had been made directly by such Borrower. The Borrowers hereby empower and authorize the Company, on behalf of the Borrowers, to execute and deliver to the Administrative Agent and the Lenders the Loan Documents and all related agreements, certificates, documents, or instruments as shall be necessary or appropriate to effect the purposes of the Loan Documents, including, without limitation, the Compliance Certificates. Each Borrower agrees that any action taken by the Company or the Borrowers in accordance with the terms of this Agreement or the other Loan Documents, and the exercise by the Company of its powers set forth therein or herein, together with such other powers that are reasonably incidental thereto, shall be binding upon all of the Borrowers.

SECTION 2.25 Foreign Obligor Obligations. The obligations of each Foreign Obligor shall be several and not joint with respect to any other Foreign Obligor.

ARTICLE III

Representations and Warranties

The Company (and each Borrower, solely as to itself and solely with respect to Sections 3.01, 3.02, 3.03, 3.06(b), 3.12, 3.13, 3.15 and 3.16 (solely with respect to the penultimate sentence therein and limited to such laws applicable to such Borrower individually and its Subsidiaries)) represents and warrants to the Lenders that:

SECTION 3.02 Authorization; Enforceability. The Transactions are within its corporate or other organizational powers and have been duly authorized by all necessary corporate or other organizational action and, if required, stockholder action. Each Loan Document has been duly executed and delivered by it and constitutes a legal, valid and binding obligation of it, enforceable in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

SECTION 3.03 Governmental Approvals; No Conflicts. The Transactions do not and will not (a) require any consent or approval of, registration or filing with, or any other action by, any Governmental Authority (other than the required reporting to the Bank Indonesia by each Indonesian Borrower, which shall be obtained or completed prior to any applicable Indonesian Borrower submitting a Borrowing Request) or any other Person, (b) violate any applicable law, rule or regulation of any Governmental Authority or any Organization Document of it, and (c) conflict with or result in any material breach or contravention of, or the creation of any material Lien under, or require any material payment to be made under (i) any material Contractual Obligation to which it is a party or affecting it or its properties or any of its Subsidiaries or (ii) any order, injunction, writ or decree of any Governmental Authority or any arbitral award to which it or its properties or any of its Subsidiaries is subject.

SECTION 3.04 Financial Condition; No Material Adverse Change.

Such financial statements in clauses (i) and (ii) above present fairly, in all material respects, the financial position and results of operations and cash flows of the Company and its consolidated Subsidiaries as of such dates and for such periods in accordance with GAAP, subject to year-end audit adjustments and the absence of footnotes in the case of the statements referred to in clause (ii) above.

(b) Since September 30, 2022, there has been no development, event or circumstance, either individually or in the aggregate, that has had or could reasonably be expected to have a Material Adverse Effect.

SECTION 3.05 Litigation and Environmental Matters.

(a) There are no actions, suits, proceedings, claims or disputes pending or, to the knowledge of the Company after due and diligent investigation, threatened or contemplated, at law, in equity, in arbitration or before any Governmental Authority, by or against the Company or any of its Subsidiaries or against any of their properties or revenues that (i) except as described in the Company's 2022 Form 10-K or any subsequent Form 10-Q or Form 8-K filing prior to the Effective Date (the "**Disclosed Litigation**"), could, either individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, or (ii) purport to affect or pertain to any Loan Document or the Transactions.

(b) The Company and its Subsidiaries conduct in the ordinary course of business a review of the effect of existing Environmental Laws and claims alleging potential liability or responsibility for violation of any Environmental Law on their respective businesses, operations and properties, and as a result thereof the Company and its Subsidiaries have reasonably concluded that, except for the Disclosed Litigation, violation of such Environmental Laws and claims could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

SECTION 3.06 Compliance with Laws and Agreements; No Default.

(a) Each of the Loan Parties and their Significant Subsidiaries is in compliance with the requirements of all laws, rules and regulations and orders, writs and decrees of any Governmental Authority applicable to it or its properties, except to the extent that (i) failure to comply therewith could not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect and (ii) such requirement is being contested in good faith by appropriate proceedings diligently conducted. Each Loan Party is in compliance with all material Contractual Obligations to which such Loan Party is a party or affecting such Loan Party or the properties of such Loan Party or any of their respective Subsidiaries, except to the extent that failure to comply therewith could not reasonably be expected to result in a Material Adverse Effect.

(b) No Default has occurred and is continuing or would result from the consummation of the Transactions.

SECTION 3.07 Investment Company Status; Margin Regulations.

(a) Neither the Loan Parties, nor any Person Controlling the Company nor any of its Subsidiaries is or is required to be registered as an "investment company" under the Investment Company Act of 1940.

(b) No Loan Party is engaged or will engage, principally or as one of its important activities, in the business of purchasing or carrying margin stock (within the meaning of Regulation U of the Board), or extending credit for the purpose of purchasing or carrying margin stock.

SECTION 3.08 Taxes. Each of the Loan Parties and their Significant Subsidiaries has timely filed or caused to be filed all federal, state and other material Tax returns and reports required to have been filed and have paid or caused to be paid all federal, state and other material Taxes required to have been paid by it, except Taxes that are being contested in good faith by appropriate proceedings diligently conducted and for which such Loan Party or such Significant Subsidiary, as applicable, has set aside on its books adequate reserves. There is no proposed Tax

assessment against any Loan Party or any of their respective Subsidiaries that would, if made, have a Material Adverse Effect.

SECTION 3.09 ERISA. No ERISA Event has occurred or is reasonably expected to occur that, when taken together with all other such ERISA Events for which liability is reasonably expected to occur, could reasonably be expected to result in a Material Adverse Effect. The present value of all accumulated benefit obligations under each Plan (based on the assumptions used for purposes of Statement of Financial Accounting Standards No. 87) did not, as of the date of the most recent financial statements reflecting such amounts, exceed the fair market value of the assets of such Plan by an amount that could reasonably be expected to result in a Material Adverse Effect, and the present value of all accumulated benefit obligations of all underfunded Plans (based on the assumptions used for purposes of Statement of Financial Accounting Standards No. 87) did not, as of the date of the most recent financial statements reflecting such amounts, exceed the fair market value of the assets of all such underfunded Plans by an amount that could reasonably be expected to result in a Material Adverse Effect.

SECTION 3.10 Disclosure. All information heretofore furnished by the Loan Parties to the Administrative Agent or any Lender for purposes of or in connection with the Loan Documents or the Transactions is, and all such information hereafter furnished by the Loan Parties to the Administrative Agent or any Lender will be, true and accurate in all material respects on the date as of which such information is stated or certified. The Loan Parties have disclosed to the Lenders in writing any and all facts known to the Company's management and known in good faith to the Loan Parties' management which could reasonably be expected to result in a Material Adverse Effect. As of the Effective Date, to the best knowledge of the Company, the information included in the Beneficial Ownership Certification provided on or prior to the Effective Date is true and correct.

SECTION 3.11 Subsidiaries. Each Significant Subsidiary (a) is duly organized or incorporated, validly existing and in good standing under the laws of the jurisdiction of its organization or incorporation, and (b) has all requisite power and authority and all requisite governmental licenses, authorizations, consents and approvals to own or lease its assets and carry on its business, except in each case referred to in this clause (b) to the extent that failure to do so could not reasonably be expected to have a Material Adverse Effect.

SECTION 3.12 Representations as to Foreign Obligors. Each of the Company and each Borrower (solely as to itself) represents and warrants to the Lenders that:

(a) Such Borrower is subject to civil and commercial laws, rules and regulations with respect to its obligations under the Loan Documents to which it is a party (collectively, the "**Applicable Foreign Borrower Documents**"), and the execution, delivery and performance by such Borrower of the Applicable Foreign Borrower Documents constitute and will constitute private and commercial acts and not public or governmental acts. (a) any Subsidiary (i) that is not a Borrower may merge with the Company, provided that the Company shall be the continuing or surviving Person, (ii) may merge with any Borrower, provided that such Borrower shall be the continuing or surviving Person, or (iii) that is not a Borrower may merge with or into any other Subsidiary that is not a Borrower;

(b) any Subsidiary may sell, transfer, lease or otherwise dispose of all or substantially all of its assets (upon voluntary liquidation or otherwise) to the Company or to another Subsidiary; provided that if the transferor in such a transaction is a Borrower, then the transferee must be a Borrower; and

(c) the Company may sell, transfer, lease or otherwise dispose of its assets, or any Subsidiary may sell, transfer, lease or otherwise dispose of all or substantially all of its assets, so long as the aggregate net book value of all such assets sold, transferred, leased or otherwise disposed of by the Company and its Subsidiaries in all transactions occurring from and after the date of this Agreement shall not exceed an amount equal to twenty-five percent (25%) of Consolidated Total Tangible Assets, measured as the sum of the percentages for each such transaction, in each case based upon the Consolidated Total Tangible Assets as of the end of the most recently completed fiscal year prior to the applicable sale, transfer, lease or other disposition.

(h) an involuntary proceeding shall be commenced or an involuntary petition shall be filed seeking (i) liquidation, reorganization or other relief in respect of any Loan Party or any Significant Subsidiary or its debts, or of a substantial part of its assets, under any Federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect or (ii) the appointment of a receiver, trustee, custodian, sequestrator, conservator or similar official for any Loan Party or any Significant Subsidiary or for a substantial part of its assets, and, in any such case, such proceeding or petition shall continue undismissed or unstayed for sixty (60) days or an order or decree approving or ordering any of the foregoing shall be entered;

ARTICLE VIII

The Administrative Agent

SECTION 8.01 Appointment and Authority. Each of the Lenders hereby irrevocably appoints PNC Bank, National Association to act on its behalf as the Administrative Agent hereunder and under the other Loan Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. Except as provided in Section 8.06(b) the provisions of this Article are solely for the benefit of the Administrative Agent and the Lenders, and no Loan Party nor any Subsidiary thereof shall have rights as a third-party beneficiary of any of such provisions. It is understood and agreed that the use of the term “agent” herein or in any other Loan Documents (or any other similar term) with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.

SECTION 8.02 Rights as a Lender. The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Administrative Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Loan Parties or any Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders.

SECTION 8.03 Exculpatory Provisions.

(a) The Administrative Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents, and its duties hereunder and thereunder shall be administrative in nature. Without limiting the generality of the foregoing, the Administrative Agent:

- (i) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;
- (ii) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), provided that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Loan Document or applicable law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any Debtor Relief Law or that may affect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any Debtor Relief Law; and
- (iii) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Loan Parties or any of their respective Subsidiaries or Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent or any of its Affiliates in any capacity.

(b) The Administrative Agent shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, under the circumstances as provided in Section 7.01 and Section 10.02) or (ii) in the absence of its own gross negligence or willful misconduct as determined by a court of competent jurisdiction by final non-appealable judgment. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given to the Administrative Agent by a Loan Party or a Lender.

(c) The Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or (v) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

SECTION 8.04 Reliance by the Administrative Agent. The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. The Administrative Agent may consult with legal counsel (who may be counsel for the Loan Parties), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

SECTION 8.05 Delegation of Duties. The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the Credit Facility as well as activities as Administrative Agent. The Administrative Agent shall not be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and non-appealable judgment that the Administrative Agent acted with gross negligence or willful misconduct in the selection of such sub-agents.

SECTION 8.06 Resignation of Administrative Agent.

(a) The Administrative Agent may at any time give notice of its resignation to the Lenders and the Borrowers (or the Company, on behalf of the Borrowers). Upon receipt of any such notice of resignation, the Required Lenders shall have the right, in consultation with the Borrowers (or the Company, on behalf of the Borrowers), to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation (or such earlier day as shall be agreed by the Required Lenders) (the "Resignation Effective Date"), then the retiring Administrative Agent may (but shall not be obligated to), on behalf of the Lenders, appoint a successor Administrative Agent meeting the qualifications set forth above; provided that in no event shall any such successor Administrative Agent be a Defaulting Lender. Whether or not a successor has been appointed, such resignation shall become effective in accordance with such notice on the Resignation Effective Date.

(b) If the Person serving as Administrative Agent is a Defaulting Lender pursuant to clause (d) of the definition thereof, the Required Lenders may, to the extent permitted by applicable law, by notice in writing to the Company, on behalf of the Borrowers, and such Person,

remove such Person as Administrative Agent and, in consultation with the Company, on behalf of the Borrowers, appoint a successor. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days (or such earlier day as shall be agreed by the Required Lenders) (the “Removal Effective Date”), then such removal shall nonetheless become effective in accordance with such notice on the Removal Effective Date.

(c) With effect from the Resignation Effective Date or the Removal Effective Date (as applicable), (i) the retiring or removed Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents and (ii) except for any indemnity payments owed to the retiring or removed Administrative Agent, all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly, until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided for above. Upon the acceptance of a successor’s appointment as Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring or removed Administrative Agent (other than any rights to indemnity payments owed to the retiring or removed Administrative Agent), and the retiring or removed Administrative Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents. The fees payable by the Borrowers to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrowers and such successor. After the retiring or removed Administrative Agent’s resignation or removal hereunder and under the other Loan Documents, the provisions of this Article and Section 10.03 shall continue in effect for the benefit of such retiring or removed Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring or removed Administrative Agent was acting as Administrative Agent.

(d) Any resignation by, or removal of, PNC Bank, National Association as Administrative Agent pursuant to this Section shall also constitute its resignation as a Swingline Lender. Upon the acceptance of a successor’s appointment as Administrative Agent hereunder, (i) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring Swingline Lender, and (ii) the retiring Swingline Lender shall be discharged from all of their respective duties and obligations hereunder or under the other Loan Documents.

SECTION 8.07 Non-Reliance on Administrative Agent and Other Lenders. Each Lender acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder. Each Lender, by delivering its signature page to this Agreement on the Effective Date, or delivering its signature page to an Assignment and Assumption or any other Loan Document pursuant to which it shall become a Lender hereunder, shall be deemed to have acknowledged receipt of, and consented to and approved, each Loan Document and each other document required to be delivered

to, or be approved by or satisfactory to, the Administrative Agent or the Lenders on the Effective Date.

SECTION 8.08 No Other Duties, Etc. Anything herein to the contrary notwithstanding, none of the syndication agents, documentation agents, co-agents, arrangers or bookrunners listed on the cover page hereof shall have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity, as applicable, as the Administrative Agent or a Lender hereunder.

SECTION 8.09 Administrative Agent May File Proofs of Claim. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan or L/C Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on any Loan Party) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders and the Administrative Agent under Sections 2.12, 2.13, 2.15, 2.17 and 10.03) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due to it, in its capacity as the Administrative Agent, under the Loan Documents (including under Section 10.03). Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

SECTION 8.10 Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, the Arranger and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of any Loan Party, that at least one of the following is and will be true:

- (i) such Lender is not using “plan assets” (within the meaning of Plan Asset Regulations) of one or more Benefit Plans with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans or the Commitments;
- (ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement;
- (iii) (A) such Lender is an investment fund managed by a “Qualified Professional Asset Manager” (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement; or
- (iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless either (1) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or (2) a Lender has provided another representation, warranty and covenant in accordance with sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrowers or any other Loan Party, that the Administrative Agent is not a fiduciary with respect to the assets of such Lender involved in such Lender’s entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related hereto or thereto).

ARTICLE IX

Guaranty

SECTION 9.01 Guaranty. The Guarantor hereby absolutely, irrevocably and unconditionally guarantees as a primary obligor and not merely as a surety to the Administrative Agent for the benefit of the Credit Parties, and their respective permitted successors, endorsees, transferees and assigns, the prompt payment and performance of all Obligations of the Borrowers and their Subsidiaries, whether primary or secondary (whether by way of endorsement or otherwise), whether now existing or hereafter arising, whether or not from time to time reduced or extinguished (except by payment thereof) or hereafter increased or incurred, whether enforceable or unenforceable as against the Borrowers or any of their Subsidiaries, whether or not discharged, stayed or otherwise affected by any Debtor Relief Law or proceeding thereunder, whether created directly with the Administrative Agent or any other Credit Party or acquired by the Administrative Agent or any other Credit Party through assignment or endorsement or otherwise, whether matured or unmatured, whether joint or several, as and when the same become due and payable (whether at maturity or earlier, by reason of acceleration, mandatory repayment or otherwise), in accordance with the terms of any such instruments evidencing any such obligations, including all renewals, extensions or modifications thereof (all of the foregoing being hereafter collectively referred to as the "Guaranteed Obligations").

SECTION 9.02 Bankruptcy Limitations on the Guarantor. Notwithstanding anything to the contrary contained in Section 9.01, it is the intention of the Guarantor and the Credit Parties that, in any proceeding involving the bankruptcy, reorganization, arrangement, adjustment of debts, relief of debtors, dissolution or insolvency or any similar proceeding with respect to the Guarantor or its assets, the amount of the Guarantor's obligations with respect to the Guaranteed Obligations (or any other obligations of the Guarantor to the Credit Parties) shall be equal to, but not in excess of, the maximum amount thereof not subject to avoidance or recovery by operation of Debtor Relief Laws. To that end, the Guarantor's obligations with respect to the Guaranteed Obligations (or any other obligations of the Guarantor to the Credit Parties) or any payment made pursuant to such Guaranteed Obligations (or any other obligations of the Guarantor to the Credit Parties) would, but for the operation of the first sentence of this Section 9.02, be subject to avoidance or recovery in any such proceeding under Debtor Relief Laws, the amount of the Guarantor's obligations with respect to the Guaranteed Obligations (or any other obligations of the Guarantor to the Credit Parties) shall be limited to the largest amount which, after giving effect thereto, would not, under Debtor Relief Laws, render the Guarantor's obligations with respect to the Guaranteed Obligations (or any other obligations of the Guarantor to the Credit Parties) unenforceable or avoidable or otherwise subject to recovery under Debtor Relief Laws. To the extent any payment actually made pursuant to the Guaranteed Obligations exceeds the limitation of the first sentence of this Section 9.02 and is otherwise subject to avoidance and recovery in any such proceeding under Debtor Relief Laws, the amount subject to avoidance shall in all events be limited to the amount by which such actual payment exceeds such limitation and the Guaranteed Obligations as limited by the first sentence of this Section 9.02 shall in all events remain in full force and effect and be fully enforceable against the Guarantor. The first sentence of this Section 9.02 is intended solely to preserve the rights of the Credit Parties hereunder against the Guarantor in such proceeding to the maximum extent permitted by Debtor Relief Laws and neither the Guarantor, the Borrowers, any other Guarantor nor any other Person shall have any right or claim

under such sentence that would not otherwise be available under Debtor Relief Laws in such proceeding.

SECTION 9.03 No Subrogation. Notwithstanding any payment or payments by the Guarantor hereunder, or any setoff or application of funds of the Guarantor by the Administrative Agent or any other Credit Party, or the receipt of any amounts by the Administrative Agent or any other Credit Party with respect to any of the Guaranteed Obligations, the Guarantor shall not be entitled to be subrogated to any of the rights of the Administrative Agent or any other Credit Party against the Borrowers or against any collateral security held by the Administrative Agent or any other Credit Party for the payment of the Guaranteed Obligations nor shall the Guarantor seek any reimbursement or contribution from the Borrowers in respect of payments made by the Guarantor in connection with the Guaranteed Obligations, until all amounts owing to the Administrative Agent and the Credit Parties on account of the Guaranteed Obligations (other than contingent indemnification obligations) are indefeasibly paid in full in cash and the Commitments are terminated. If any amount shall be paid to the Guarantor on account of such subrogation reimbursement or contribution rights at any time when all of such Guaranteed Obligations shall not have been indefeasibly paid in full, such amount shall be held by the Guarantor in trust for the Administrative Agent, segregated from other funds of the Guarantor, and shall, forthwith upon receipt by the Guarantor, be turned over to the Administrative Agent in the exact form received by the Guarantor (duly endorsed by the Guarantor to the Administrative Agent, if required) to be applied against the Guaranteed Obligations, whether matured or unmatured, in such order as set forth in this Agreement.

SECTION 9.04 Nature of Guaranty.

(a) The Guarantor agrees that this Guaranty is a continuing, unconditional guaranty of payment and performance and not of collection, and that its obligations under this Guaranty shall be primary, absolute and unconditional, irrespective of, and unaffected by:

- (i) the genuineness, legality, validity, regularity, enforceability or any future amendment of, or change in, or supplement to, this Agreement or any other Loan Document, or any other agreement, document or instrument to which the Borrowers, the Guarantor or any of its respective Subsidiaries or Affiliates is or may become a party, (including any increase in the Obligations resulting from any extension of additional credit or otherwise);
- (ii) any action under or in respect of this Agreement or any other Loan Document in the exercise of any remedy, power or privilege contained therein or available to any of them at law, in equity or otherwise, or waiver or refraining from exercising any such remedies, power or privileges (including any manner of sale, disposition or any application of any sums by whomever paid or however realized to any Guaranteed Obligations owing by the Borrowers or the Guarantor to the Administrative Agent or any other Credit Party in such manner as the Administrative Agent or any other Credit Party shall determine in its reasonable discretion);

- (iii) the absence of any action to enforce this Guaranty, this Agreement, or any other Loan Document or the waiver or consent by the Administrative Agent or any other Credit Party with respect to any of the provisions of this Guaranty, this Agreement or any other Loan Document;
- (iv) the existence, value or condition of, or failure to perfect its Lien against, any security for, if any, or other guaranty of the Guaranteed Obligations or any action, or the absence of any action, by the Administrative Agent or any other Credit Party in respect of such security, if any, or guaranty (including, without limitation, the release of any such security or guaranty);
- (v) any structural change in, restructuring of or other similar organizational change of the Borrowers, the Guarantor, any other guarantors or any of their respective Subsidiaries or Affiliates; or
- (vi) any other action or circumstances which might otherwise constitute a legal or equitable discharge or defense of a surety or guarantor;
- (vii) it being agreed by the Guarantor that, subject to the first sentence of Section 9.02, its obligations under this Guaranty shall not be discharged until the final indefeasible payment and performance, in full, of the Guaranteed Obligations (other than contingent indemnification obligations) and the termination of the Commitments.

(b) The Guarantor represents, warrants and agrees that the Guaranteed Obligations and its obligations under this Guaranty are not and shall not be subject to any counterclaims, offsets or defenses of any kind (other than the defense of payment) against the Administrative Agent, the other Credit Parties or the Borrowers whether now existing or which may arise in the future.

(c) The Guarantor hereby agrees and acknowledges that the Guaranteed Obligations, and any of them, shall conclusively be deemed to have been created, contracted or incurred, or renewed, extended, amended or waived, in reliance upon this Guaranty, and all dealings among the Borrowers and the Guarantor, on the one hand, and the Administrative Agent and the other Credit Parties, on the other hand, likewise shall be conclusively presumed to have been had or consummated in reliance upon this Guaranty.

SECTION 9.05 Waivers. To the extent permitted by applicable law, the Guarantor expressly waives all of the following rights and defenses (and agrees not to take advantage of or assert any such right or defense):

(a) any rights it may now or in the future have under any statute, or at law or in equity, or otherwise, to compel the Administrative Agent or any other Credit Party to proceed in respect of the Guaranteed Obligations against the Borrowers or any other Person or against any security for or other guaranty of the payment and performance of the Guaranteed Obligations before proceeding against, or as a condition to proceeding against, the Guarantor;

(b) any defense based upon the failure of the Administrative Agent or any other Credit Party to commence an action in respect of the Guaranteed Obligations against the Borrowers, the Guarantor, any other guarantor or any other Person or any security for the payment and performance of the Guaranteed Obligations;

(c) any right to insist upon, plead or in any manner whatever claim or take the benefit or advantage of, any appraisal, valuation, stay, extension, marshalling of assets or redemption laws, or exemption, whether now or at any time hereafter in force, which may delay, prevent or otherwise affect the performance by the Guarantor of its obligations under, or the enforcement by the Administrative Agent or the other Credit Parties of this Guaranty;

(d) any right of diligence, presentment, demand, protest and notice (except as specifically required herein or in the other Loan Documents) of whatever kind or nature with respect to any of the Guaranteed Obligations or any requirement that any Credit Party protect, secure, perfect or insure any Lien or any property subject thereto and waives, to the fullest extent permitted by applicable law, the benefit of all provisions of applicable law which are or might be in conflict with the terms of this Guaranty, and also waives notice of acceptance of its obligations and notice of protest for nonpayment;

(e) any failure of any Credit Party to disclose to any Loan Party any information relating to the business, condition (financial or otherwise), operations, performance, properties or prospects of any other Loan Party now or hereafter known to such Credit Party; the Guarantor waiving any duty of the Credit Party to disclose such information;

(f) any and all right to notice of the creation, renewal, extension or accrual of any of the Guaranteed Obligations and notice of or proof of reliance by the Administrative Agent or any other Credit Party upon, or acceptance of, this Guaranty; and

(g) any right of setoff or recoupment or counterclaim against or in respect of the Guaranteed Obligations

The Guarantor agrees that any notice or directive given at any time to the Administrative Agent or any other Credit Party which is inconsistent with any of the foregoing waivers shall be null and void and may be ignored by the Administrative Agent or such Credit Party, and, in addition, may not be pleaded or introduced as evidence in any litigation relating to this Guaranty for the reason that such pleading or introduction would be at variance with the written terms of this Guaranty, unless the Administrative Agent and the Required Lenders have specifically agreed otherwise in writing. The foregoing waivers are of the essence of the transaction contemplated by this Agreement and the other Loan Documents and, but for this Guaranty and such waivers, the Administrative Agent and other Credit Parties would decline to enter into this Agreement and the other Loan Documents.

SECTION 9.06 Modification of Loan Documents, etc. Neither the Administrative Agent nor any other Credit Party shall incur any liability to the Guarantor as a result of any of the following, and none of the following shall impair or release this Guaranty or any of the obligations of the Guarantor under this Guaranty:

(a) any change or extension of the manner, place or terms of payment of, or renewal or alteration of all or any portion of, the Guaranteed Obligations;

(b) any action under or in respect of this Agreement or any other Loan Document in the exercise of any remedy, power or privilege contained therein or available to any of them at law, in equity or otherwise, or waiver or refraining from exercising any such remedies, powers or privileges;

(c) any amendment to, or modification of, in any manner whatsoever, any Loan Document;

(d) any extension or waiver of the time for performance by the Guarantor, any other guarantor, the Borrowers or any other Person of, or compliance with, any term, covenant or agreement on its part to be performed or observed under a Loan Document, or waiver of such performance or compliance or consent to a failure of, or departure from, such performance or compliance;

(e) the taking and holding of security or collateral for the payment of the Guaranteed Obligations or the sale, exchange, release, disposal of, or other dealing with, any property pledged, mortgaged or conveyed, or in which the Administrative Agent or the other Credit Parties have been granted a Lien, to secure any Indebtedness of the Guarantor, any other guarantor or the Borrowers to the Administrative Agent or the other Credit Parties;

(f) the release of anyone who may be liable in any manner for the payment of any amounts owed by the Guarantor, any other guarantor or the Borrowers to the Administrative Agent or any other Credit Party;

(g) any modification or termination of the terms of any intercreditor or subordination agreement pursuant to which claims of other creditors of the Guarantor, any other guarantor or the Borrowers are subordinated to the claims of the Administrative Agent or any other Credit Party; or

(h) any application of any sums by whomever paid or however realized to any Guaranteed Obligations owing by the Guarantor, any other guarantor or the Borrowers to the Administrative Agent or any other Credit Party in such manner as the Administrative Agent or any other Credit Party shall determine in its reasonable discretion.

SECTION 9.07 Demand by the Administrative Agent. In addition to the terms set forth in this Article IX and in no manner imposing any limitation on such terms, if all or any portion of the then outstanding Guaranteed Obligations are declared to be immediately due and payable, then the Guarantor shall, upon demand in writing therefor by the Administrative Agent to the Guarantor, pay all or such portion of the outstanding Guaranteed Obligations due hereunder then declared due and payable.

SECTION 9.08 Remedies. Upon the occurrence and during the continuance of any Event of Default, with the consent of the Required Lenders, the Administrative Agent may, or upon the request of the Required Lenders, the Administrative Agent shall, enforce against the Guarantor its obligations and liabilities hereunder and exercise such other rights and remedies as may be

available to the Administrative Agent hereunder, under this Agreement, the other Loan Documents or otherwise.

SECTION 9.09 Benefits of Guaranty. The provisions of this Guaranty are for the benefit of the Administrative Agent and the other Credit Parties and their respective permitted successors, transferees, endorsees and assigns, and nothing herein contained shall impair, as between the Borrowers and their Subsidiaries, the Administrative Agent and the other Credit Parties, the obligations of the Borrowers and their Subsidiaries under the Loan Documents. In the event all or any part of the Guaranteed Obligations are transferred, endorsed or assigned by the Administrative Agent or any other Credit Party to any Person or Persons as permitted under this Agreement, any reference to an "Administrative Agent", or "Credit Party" herein shall be deemed to refer equally to such Person or Persons.

SECTION 9.10 Termination; Reinstatement.

(a) Subject to clause (c) below, this Guaranty shall remain in full force and effect until all the Guaranteed Obligations (other than contingent indemnification obligations) and all the obligations of the Guarantor shall have been indefeasibly paid in full in cash and the Commitments terminated.

(b) No payment made by the Borrowers, the Guarantor, any other guarantor or any other Person received or collected by the Administrative Agent or any other Credit Party from the Borrowers, the Guarantor, any other guarantor or any other Person by virtue of any action or proceeding or any setoff or appropriation or application at any time or from time to time in reduction of or in payment of the Guaranteed Obligations shall be deemed to modify, reduce, release or otherwise affect the liability of the Guarantor hereunder which shall, notwithstanding any such payment (other than any payment made by the Guarantor in respect of the obligations of the Guarantor or any payment received or collected from the Guarantor in respect of the obligations of the Guarantor), remain liable for the obligations of the Guarantor up to the maximum liability of the Guarantor hereunder until the Guaranteed Obligations (other than contingent indemnification obligations) and all the obligations of the Guarantor shall have been indefeasibly paid in full in cash and the Commitments terminated.

(c) The Guarantor agrees that, if any payment made by the Borrowers or any other Person applied to the Guaranteed Obligations is at any time avoided, annulled, set aside, rescinded, invalidated, declared to be fraudulent or preferential or otherwise required to be refunded or repaid, or is repaid in whole or in part pursuant to a good faith settlement of a pending or threatened avoidance claim, or the proceeds of any collateral are required to be refunded by the Administrative Agent or any other Credit Party to the Borrowers, its estate, trustee, receiver or any other Person, including, without limitation, the Guarantor, under any applicable law or equitable cause, then, to the extent of such payment or repayment, the Guarantor's liability hereunder (and any Lien or collateral securing such liability, if any) shall be and remain in full force and effect, as fully as if such payment had never been made, and, if prior thereto, this Guaranty shall have been canceled or surrendered (and if any Lien or collateral securing the Guarantor's liability hereunder shall have been released or terminated by virtue of such cancellation or surrender), this Guaranty (and such Lien or collateral, if any) shall be reinstated in full force and effect, and such prior cancellation or surrender shall not diminish, release, discharge, impair or otherwise affect the obligations of the

Guarantor in respect of the amount of such payment (or any Lien or collateral securing such obligation, if any).

SECTION 9.11 Payments. Any payments by the Guarantor shall be made to the Administrative Agent, to be credited and applied to the Guaranteed Obligations in accordance with Section 2.18, in immediately available U.S. Dollars or such other currency specified by the Administrative Agent to an account designated by the Administrative Agent or at any address that may be specified in writing from time to time by the Administrative Agent. The Guarantor further agrees that if payment in respect of any Obligation shall be due in a Foreign Currency and/or at a place of payment other than New York and if, by reason of any Change in Law, disruption of currency or foreign exchange markets, war or civil disturbance or other event, payment of such Obligation in such currency or at such place of payment shall be impossible or, in the reasonable judgment of any Credit Party, not consistent with the protection of its rights or interests, then, at the election of the Administrative Agent, the Guarantor shall make payment of such Obligation in U.S. Dollars (based upon the applicable Exchange Rate in effect on the date of payment) and/or in New York, and shall indemnify the Credit Parties against any losses or reasonable out-of-pocket expenses that it shall sustain as a result of such alternative payment. The Guarantor shall pay and indemnify each Indemnitee against Indemnified Taxes and Other Taxes to the extent the Borrowers would be required to do so pursuant to Section 2.17.

SECTION 9.12 Injunctive Relief. The Guarantor and Borrowers recognize that, in the event the Guarantor and Borrowers fail to perform, observe or discharge any of its obligations or liabilities under this Guaranty, this Agreement or any other Loan Document, any remedy of law may prove to be inadequate relief to the Administrative Agent and the other Credit Parties. Therefore, the Guarantor and Borrowers agree that the Administrative Agent and the other Credit Parties, at the option of the Administrative Agent and the other Credit Parties, shall be entitled to temporary and permanent injunctive relief in any such case without the necessity of proving actual damages.

SECTION 9.13 No Waiver by Course of Conduct. No course of dealing between the Loan Parties, the Administrative Agent or any Credit Party or their respective agents or employees shall be effective to change, modify or discharge any provision of this Guaranty or any other Loan Documents or to constitute a waiver of any Default. The enumeration of the rights and remedies of the Administrative Agent and the other Credit Parties set forth in this Guaranty is not intended to be exhaustive and the exercise by the Administrative Agent and the other Credit Parties of any right or remedy shall not preclude the exercise of any other rights or remedies, all of which shall be cumulative, and shall be in addition to any other right or remedy given hereunder or under the other Loan Documents or that may now or hereafter exist at law or in equity or by suit or otherwise.

SECTION 9.14 Subordination of Intercompany Indebtedness. Any Indebtedness of any Borrowers or any other Credit Party now or hereafter held by the Guarantor is hereby subordinated in right of payment to the prior indefeasible payment in full in cash of all of the Guaranteed Obligations. Notwithstanding the foregoing, prior to the occurrence of a Default, any Borrowers or any other Credit Party may make any payments (whether principal, interest, fees, expenses or any other payment of any kind) to the Guarantor on account of any such Indebtedness. After the occurrence and during the continuance of a Default, the Guarantor will not demand, sue for, or otherwise attempt to collect any such Indebtedness until the indefeasible payment in full in cash

of the Guaranteed Obligations and termination or expiration of the Commitments under this Agreement. If any amount shall erroneously be paid to the Guarantor on account of any such Indebtedness of any Credit Party, such amount shall be held in trust for the benefit of the Credit Parties and shall forthwith be paid to the Administrative Agent to be credited against the payment of the Guaranteed Obligations, whether matured or unmatured, in accordance with the terms of this Agreement.

SECTION 9.15 Advice of Counsel, No Strict Construction; Acknowledgements. Each of the parties represents to each other party hereto that it has discussed this Guaranty with its counsel. The parties hereto have participated jointly in the negotiation and drafting of this Guaranty. In the event an ambiguity or question of intent or interpretation arises, this Guaranty shall be construed as if drafted jointly by the parties hereto and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provisions of this Guaranty. The Guarantor hereby acknowledges that no joint venture is created hereby or by the other Loan Documents or otherwise exists by virtue of the transactions contemplated hereby or thereby among the Credit Parties or among the Guarantor and the Credit Parties.

The Administrative Agent or the Company may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications. Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient, at its e-mail address as described in the foregoing clause (i), of notification that such notice or communication is available and identifying the website address therefor; provided that, for both clauses (i) and (ii) above, if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient.

- (i) Each Loan Party agrees that the Administrative Agent may, but shall not be obligated to, make the Borrower Materials available to the other Lenders by posting the Borrower Materials on the Platform.
- (ii) The Platform is provided “as is” and “as available.” The Agent Parties (as defined below) do not warrant the accuracy or completeness of the Borrower Materials or the adequacy of the Platform, and expressly disclaim liability for errors or omissions in the Borrower Materials. No warranty of any kind, express, implied or statutory, including any warranty of merchantability, fitness for a particular purpose, non-infringement of third-party rights or freedom from viruses or other code defects, is made by any Agent Party in connection with the Borrower Materials or the Platform. In no event shall the Administrative Agent or any of its Related Parties (collectively, the “Agent Parties”) have any liability to any Loan Party, any Lender or any other Person or entity for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of any Loan Party’s or the Administrative Agent’s transmission of communications through the Internet (including the Platform), except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by final and non-appealable judgment to have resulted from the gross negligence or willful misconduct of such Agent Party; provided that in no event shall any Agent Party have any liability to any Loan Party, any Lender, any or other Person for indirect, special, incidental, consequential or punitive damages, losses or expenses (as opposed to actual damages, losses or expenses).

SECTION 10.02 Waivers; Amendments.

(a) No failure or delay by any Credit Party in exercising any right or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Credit Parties hereunder are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any Borrower therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan shall not be construed as a waiver of any Default, regardless of whether any Credit Party may have had notice or knowledge of such Default at the time.

Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Loan Parties or any of them shall be vested exclusively in, and all actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, the

Administrative Agent in accordance with Section 7.01 for the benefit of all the Lenders; provided that the foregoing shall not prohibit (i) the Administrative Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as Administrative Agent) hereunder and under the other Loan Documents, (ii) each Swingline Lender from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as a Swingline Lender, as applicable) hereunder and under the other Loan Documents, (iii) any Lender from exercising setoff rights in accordance with Section 10.08 (subject to the terms of Section 2.18) or (iv) any Lender from filing proofs of claim or appearing and filing pleadings on its own behalf during the pendency of a proceeding relative to any Loan Party under any Debtor Relief Law; provided, further, that if at any time there is no Person acting as Administrative Agent hereunder and under the other Loan Documents, then (x) the Required Lenders shall have the rights otherwise provided to the Administrative Agent pursuant to Section 7.01 and (y) in addition to the matters set forth in clauses (ii), (iii), and (iv) of the preceding proviso and subject to Section 2.18, any Lender may, with the consent of the Required Lenders, enforce any rights or remedies available to it and as authorized by the Required Lenders.

(b) Subject to Section 10.02(c) below and except as provided in Section 2.14(b) and Section 2.14(c), neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Borrowers and the Required Lenders or by the Borrowers and the Administrative Agent with the consent of the Required Lenders; provided that no such agreement shall (i) increase the Commitment of any Lender without the written consent of such Lender (it being understood and agreed that a waiver of any condition precedent set forth in Section 4.02 or of any Default is not considered an increase in Commitments of any Lender), (ii) reduce the principal amount of any Loan or reduce the rate of interest thereon, or reduce any fees payable hereunder, without the written consent of each Lender affected thereby, provided, however, that only the consent of the Required Lenders shall be necessary to amend the provisions with respect to the application of default rate interest described in Section 2.13(d) and the last paragraph of Article VII or waive any obligation of any Borrower to pay interest or fees at such default rate, (iii) postpone the scheduled date of payment of the principal amount of any Loan, or any interest thereon, or any fees payable hereunder, or reduce the amount of, waive or excuse any such payment (in each case excluding, for the avoidance of doubt, mandatory prepayments under Section 2.11(c)), or postpone the scheduled date of expiration of any Commitment, without the written consent of each Lender affected thereby, (iv) change Section 2.18(b) or (c) in a manner that would alter the pro rata sharing of payments required thereby, without the written consent of each Lender, (v) release the Company from its obligations under the Loan Documents without the written consent of each Lender, (vi) change any of the provisions of this Section or the definition of “Required Lenders” or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder, without the written consent of each Lender, (vii) change any of the provisions of Section 2.23, or (viii) change the definition of “Agreed Currencies” without the written consent of each Lender; provided further that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent or the Swingline Lenders hereunder without the prior written consent of the Administrative Agent or the Swingline Lenders, as the case may be.

(c) If the Administrative Agent and the Loan Parties acting together identify any ambiguity, omission, mistake, typographical error or other defect in any provision of this

Agreement or any other Loan Document, then the Administrative Agent and the Loan Parties shall be permitted to amend, modify or supplement such provision to cure such ambiguity, omission, mistake, typographical error or other defect, and such amendment shall become effective without any further action or consent of any other party to this Agreement. If the Administrative Agent and the Loan Parties make or implement any such amendment, modification or supplement to any Loan Document, the Administrative Agent agrees (without limiting or affecting the validity of any such amendment, modification or supplement) to give prompt notice thereof to the Lenders including (if appropriate) a copy of such Loan Document as so amended, modified or supplemented.

SECTION 10.03 Expenses; Indemnity; Damage Waiver.

(a) Each Borrower (in each case with several liability to the extent on account of such Borrower or to the extent of Loans made to such Borrower) and the Company shall pay (i) all reasonable out-of-pocket expenses incurred by the Administrative Agent, the Arranger and their respective Affiliates, including the reasonable fees, charges and disbursements of counsel for the Administrative Agent, in connection with the syndication of the credit facilities provided for herein, the preparation and administration of the Loan Documents and any amendments or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated) and (ii) all reasonable out-of-pocket expenses incurred by the Credit Parties, including the reasonable fees, charges and disbursements of one counsel (and one local counsel in each relevant jurisdiction) for the Administrative Agent and one counsel (and one local counsel in each relevant jurisdiction) for all other Credit Parties, in connection with the enforcement or protection of their rights in connection with any Loan Document, including their rights under this Section, or in connection with the Loans hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans.

(b) Each Borrower (in each case with several liability to the extent on account of such Borrower or to the extent of Loans made to such Borrower) and the Company shall indemnify each Credit Party and its Related Parties (each such Person being called an “*Indemnitee*”) against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including the fees, charges and disbursements of any counsel for any Indemnitee, incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of (i) the execution or delivery of the Loan Documents or any agreement or instrument contemplated thereby, the performance by the parties to the Loan Documents of their respective obligations thereunder or the consummation of the Transactions or any other transactions contemplated hereby, (ii) any Loan or the use of the proceeds therefrom, (iii) any actual or alleged presence or release of Hazardous Materials on or from any property owned or operated by the Company or any Subsidiary, or any Environmental Liability related in any way to the Company or any Subsidiary, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not such claim, litigation, investigation or proceeding is brought by any Loan Party or its equity holders, Affiliates, creditors or any other third Person and whether based on contract, tort or any other theory and regardless of whether any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (x) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross

negligence or willful misconduct of such Indemnitee, (y) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the breach by such Indemnitee of its funding obligations hereunder, to the extent caused by the inability of such Indemnitee to satisfy such funding obligations because of its status as a Defaulting Lender under clause (d) of the definition thereof, or (z) result from a claim brought by any Loan Party against such Indemnitee for breach in bad faith of such Indemnitee's obligations under any Loan Document, if such Loan Party has obtained a final and nonappealable judgment in its favor on such claim as determined by a court of competent jurisdiction. This Section 10.03(b) shall not apply with respect to Taxes other than any Taxes that represent losses, claims or damages arising from any non-Tax claim.

(c) To the extent that the Company or any Borrower fails to pay any amount required to be paid by it to the Administrative Agent or the Swingline Lenders under paragraph (a) or (b) of this Section, each Lender severally agrees to pay to the Administrative Agent, each Swingline Lender, such Lender's Applicable Percentage (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent or the Swingline Lenders in their capacity as such.

(d) To the extent permitted by applicable law, no party hereto shall assert, and each party hereto hereby waives, any claim against any other party hereto, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, any Loan Document or any agreement or instrument contemplated hereby, the Transactions, any Loan or the use of the proceeds thereof; provided, that nothing in this clause (d) shall relieve the Loan Parties of any obligation it may have to indemnify an Indemnitee against special, indirect, consequential or punitive damages asserted against such Indemnitee by a third party.

(e) All amounts due under this Section shall be payable promptly after written demand therefor.

SECTION 10.04 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) no Loan Party may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by any Loan Party without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants (to the extent provided in paragraph (c) of this Section) and, to the extent expressly contemplated hereby, the Related Parties of each of the Credit Parties) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more Persons (other than an Ineligible Assignee) all or a portion of its rights and obligations under the Loan Documents (including all or a portion of its Commitment and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld, conditioned or delayed) of:

(A) the Company, provided that, the Company shall be deemed to have consented to an assignment unless it shall have objected thereto by written notice to the Administrative Agent within five (5) Business Days after having received notice thereof; provided further that no consent of the Company shall be required for an assignment to a Lender (other than a Defaulting Lender), an Affiliate of a Lender (other than a Defaulting Lender), an Approved Fund or, if an Event of Default has occurred and is continuing, any other assignee;

(B) the Administrative Agent, provided that no consent of the Administrative Agent shall be required for an assignment to a Lender (other than a Defaulting Lender) or an Affiliate of a Lender (other than a Defaulting Lender); and

(C) each Swingline Lender.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender or an Affiliate of a Lender or an Approved Fund, or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than \$5,000,000 unless each of the Company and the Administrative Agent otherwise consent, provided that no such consent of the Company shall be required if an Event of Default has occurred and is continuing;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under the Loan Documents;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent (x) an Assignment and Assumption or (y) to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to a Platform as to which the Administrative Agent and the parties to the Assignment and Assumption are participants, together with a processing and recordation fee of \$3,500;

(D) the assignee shall deliver to the Administrative Agent, withholding agent and/or the Loan Parties, as applicable, any documentation required by Sections 2.17(f) and (g); and

(E) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire in which the assignee designates one or more credit contacts to whom all syndicate-level information (which may contain material non-public information about the Loan Parties and their Related Parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including Federal and state securities laws.

- (iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(iv) of this Section, from and after the effective date specified in each Assignment and Assumption the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under the Loan Documents (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under the Loan Documents, such Lender shall cease to be a party thereto but shall continue to be entitled to the benefits of Sections 2.15, 2.16, 2.17 and 10.03). Any assignment or transfer by a Lender of rights or obligations under the Loan Documents that does not comply with this Section 10.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section.
- (iv) The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrowers, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal amount (and stated interest) of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive absent manifest error, and the Borrowers and the Credit Parties shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Company and the Borrowers and any Lender, at any reasonable time and from time to time upon reasonable prior notice.
- (v) Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an assignee (or, to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to a Platform as to which the Administrative Agent and the parties to the Assignment and Assumption are participants), any documentation required by Sections 2.17(f) and (g), the assignee's completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and

recordation fee referred to in paragraph (b) of this Section and any written consent to such assignment required by paragraph (b) of this Section, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register; provided that if either the assigning Lender or the assignee shall have failed to make any payment required to be made by it pursuant to Sections 2.05(d), 2.07(b), 2.18(d) or 10.03(c), the Administrative Agent shall have no obligation to accept such Assignment and Assumption and record the information therein in the Register unless and until such payment shall have been made in full, together with all accrued interest thereon. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(c) Any Lender may, without the consent of any Loan Party, the Administrative Agent, or the Swingline Lenders, sell participations to one or more banks or other entities (a “**Participant**”), other than an Ineligible Assignee, in all or a portion of such Lender’s rights and obligations under the Loan Documents (including all or a portion of its Commitment and the Loans owing to it); provided that (A) such Lender’s obligations under the Loan Documents shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrowers, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under the Loan Documents. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce the Loan Documents and to approve any amendment, modification or waiver of any provision of the Loan Documents; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 10.02(b) that affects such Participant. Each Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 (subject to the requirements and limitations therein, including the requirements under Sections 2.17(f) and (g) (it being understood that the documentation required under Section 2.17(f) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section; provided that such Participant (A) agrees to be subject to the provisions of Section 2.19 as if it were an assignee under paragraph (b) of this Section; and (B) shall not be entitled to receive any greater payment under Sections 2.15 or 2.17, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. Each Lender that sells a participation agrees, at the Company’s request and expense, to use reasonable efforts to cooperate with the Company to effectuate the provisions of Section 2.19(b) with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 10.08 as though it were a Lender, provided such Participant agrees to be subject to Section 2.18(c) as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Loan Parties, maintain a register complying with the provisions of Sections 163(f), 871(h) and 881(c)(2) of the Code and the Treasury regulations issued thereunder on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant’s interest in the

Loans or other obligations under the Loan Documents (the “**Participant Register**”); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant’s interest in any Commitments, Loans, or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Commitment, Loan, or other obligation is in registered form under Section 5f.103-1(c) or Proposed Section 1.163-5(b) of the United States Treasury Regulations (or, in each case, any amended, successor or final version). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under the Loan Documents to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(e) Notwithstanding the above, unless an Event of Default is continuing,

(i) A Lender under this Agreement shall give each Swiss Borrower notice of any assignment or transfer of any rights or obligations hereunder in whole or in part (along with confirmation as to whether the assignee or transferee is (1) a Swiss Qualifying Bank or (2) not a Swiss Qualifying Bank) at least ten (10) Business Days prior to such assignment or transfer; and

(ii) A Swiss Borrower may make a written objection to such Lender under this Agreement prior to such assignment or transfer based on such Swiss Borrower’s reasonable belief that such assignment or transfer would violate the Swiss 10 Non-Bank Rule; and

(iii) if such objection is made, such assignment or transfer shall be effected only with such Swiss Borrower’s consent, not to be unreasonably withheld or delayed (it being unreasonable to withhold consent unless such assignment or transfer would violate the Swiss 10 Non-Bank Rule and assuming, for the avoidance of doubt, that at any time during the term of this Agreement there may be up to ten Swiss Permitted Non-Qualifying Banks as Lenders (whether or not there are, at any time, any or less of such Swiss Permitted Non-Qualifying Banks as Lenders)).

(iv) Each Person that becomes a party to this Agreement shall confirm prior to becoming a party to this Agreement which of the following categories it falls in: (1) a Swiss Qualifying Bank, or (2) not a Swiss Qualifying Bank.

SECTION 10.05 Survival. All covenants, agreements, representations and warranties made by the Loan Parties herein and in the other Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to any Loan Document shall be considered

to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans regardless of any investigation made by any such other party or on its behalf and notwithstanding that any Credit Party may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid and so long as the Commitments have not expired or terminated. The provisions of Sections 2.15, 2.16, 2.17 and 10.03 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Commitments or the termination of this Agreement or any provision hereof.

SECTION 10.06 Counterparts; Integration; Effectiveness; Electronic Execution.

(a) This Agreement (including the Indonesian version of this Agreement) may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the Administrative Agent constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

(b) Delivery of an executed counterpart of a signature page of this Agreement by telecopy, emailed pdf. or any other electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of a manually executed counterpart of this Agreement. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to any document to be signed in connection with this Agreement and the transactions contemplated hereby shall be deemed to include Electronic Signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

(c) The Indonesian version of this Agreement, when it is executed, shall not be construed by any Party as creating different rights and obligations, or duplications or multiplication of the rights and obligations of the Parties under any version of this Agreement, and shall be deemed to be effective from the date of execution of the English language version.

SECTION 10.07 Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and

enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

SECTION 10.08 Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender and each of its respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by applicable law, to setoff and apply any and all deposits (general or special, time or demand, provisional or final, and in whatever currency denominated) at any time held and other obligations (in whatever currency) at any time owing by such Lender or any such Affiliate to or for the credit or the account of a Borrower or any other Loan Party against any and all of the Obligations of such Borrower or such Loan Party, as applicable, now or hereafter existing under this Agreement or any other Loan Document to such Lender or any of its respective Affiliates, irrespective of whether or not such Lender or any such Affiliate shall have made any demand under this Agreement or any other Loan Document and although such obligations of a Borrower or any other Loan Party may be contingent or unmaturing or are owed to a branch or office of such Lender or such Affiliate different from the branch, office or Affiliate holding such deposit or obligated on such indebtedness; provided that in the event that any Defaulting Lender or any Affiliate thereof shall exercise any such right of setoff, (x) all amounts so setoff shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.20 and, pending such payment, shall be segregated by such Defaulting Lender or Affiliate of a Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders, and (y) the Defaulting Lender or its Affiliate shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender or any of its Affiliates as to which such right of setoff was exercised. The rights of each Lender and its respective Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender or its respective Affiliates may have. Each Lender agrees to notify the Borrowers, the Company and the Administrative Agent promptly after any such setoff and application; provided that the failure to give such notice shall not affect the validity of such setoff and application.

SECTION 10.09 Governing Law; Jurisdiction; Consent to Service of Process; Language Choice.

(a) This Agreement and the other Loan Documents and any claims, controversy, dispute or cause of action (whether in contract or tort or otherwise) based upon, arising out of or relating to this Agreement or any other Loan Document (except, as to any other Loan Document, as expressly set forth therein) and the transactions contemplated hereby and thereby shall be governed by, and construed in accordance with, the law of the State of New York.

(b) Each Loan Party hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of the Supreme Court of the State of New York sitting in the Borough of Manhattan, and of the United States District Court for the Southern District of New York sitting in the Borough of Manhattan, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court.

Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that any Credit Party may otherwise have to bring any action or proceeding relating to this Agreement against any Loan Party or its properties in the courts of any jurisdiction and with respect to the Luxembourg Loan Parties only, in any courts having jurisdiction where any assets of the Luxembourg Loan Parties are situated or where the head office, central administration, centre of main interests, place of effective management, domicile and/or establishment of the Luxembourg Loan Parties are situated.

(c) Each Loan Party hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement in any court referred to in paragraph (b) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 10.01. Nothing in this Agreement will affect the right of any party to this Agreement to serve process in any other manner permitted by applicable law.

(e) Without limiting the foregoing, each Borrower hereby irrevocably designates the Company, at its address set forth in Section 10.01, as the designee, appointee and agent of such Borrower to receive, for and on behalf of such Borrower, service of process in such respective jurisdictions in any legal action or proceeding with respect to this Agreement or any other Loan Document.

(f) The parties hereto have requested that this Agreement and any document relating thereto be drafted in English. In the event this Agreement is translated in order to comply with the laws and regulations of the Indonesian Borrowers and in the event that there is a discrepancy between the interpretation of English text with the translation, the parties agree that the English text will prevail.

SECTION 10.10 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

SECTION 10.11 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

SECTION 10.12 Confidentiality.

(a) Each Credit Party agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (i) to its and its Affiliates' directors, officers, employees and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (ii) to the extent requested by any Governmental Authority (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (iii) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (iv) to any other party to this Agreement, (v) in connection with the exercise of any remedies hereunder or under any other Loan Document or any suit, action or proceeding relating to this Agreement or the enforcement of rights hereunder or under any other Loan Document, (vi) subject to an agreement containing provisions substantially the same as those of this Section, to (A) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (B) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to any Loan Party and its obligations, (vii) with the consent of the Company or (viii) to the extent such Information (A) becomes publicly available other than as a result of a breach of this Section or (B) becomes available to any Credit Party on a non-confidential basis from a source other than any Loan Party. For the purposes of this Section, "**Information**" means all information received from any Loan Party relating to such Loan Party or its business, other than any such information that is available to any Credit Party on a non-confidential basis prior to disclosure by such Loan Party and other than information pertaining to this Agreement routinely provided by arrangers to data service providers, including league table providers that service the lending industry; provided that, in the case of information received from such Loan Party after the date hereof, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

(b) EACH LENDER ACKNOWLEDGES THAT INFORMATION AS DEFINED IN SECTION 10.12(a) FURNISHED TO IT PURSUANT TO THIS AGREEMENT MAY INCLUDE MATERIAL NON-PUBLIC INFORMATION CONCERNING THE LOAN PARTIES AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES, AND CONFIRMS THAT IT HAS DEVELOPED COMPLIANCE PROCEDURES REGARDING THE USE OF MATERIAL NON-PUBLIC INFORMATION AND THAT IT WILL HANDLE SUCH MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH THOSE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

(c) ALL INFORMATION, INCLUDING REQUESTS FOR WAIVERS AND AMENDMENTS, FURNISHED BY THE LOAN PARTIES OR THE ADMINISTRATIVE

AGENT PURSUANT TO, OR IN THE COURSE OF ADMINISTERING, THIS AGREEMENT WILL BE SYNDICATE-LEVEL INFORMATION, WHICH MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION ABOUT THE LOAN PARTIES AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES. ACCORDINGLY, EACH LENDER REPRESENTS TO THE LOAN PARTIES AND THE ADMINISTRATIVE AGENT THAT IT HAS IDENTIFIED IN ITS ADMINISTRATIVE QUESTIONNAIRE A CREDIT CONTACT WHO MAY RECEIVE INFORMATION THAT MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH ITS COMPLIANCE PROCEDURES AND APPLICABLE LAW.

SECTION 10.13 Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts which are treated as interest on such Loan under applicable law (collectively the “**Charges**”), shall exceed the maximum lawful rate (the “**Maximum Rate**”) which may be contracted for, charged, taken, received or reserved by the Lender holding such Loan in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan but were not payable as a result of the operation of this Section shall be cumulated and the interest and Charges payable to such Lender in respect of other Loans or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the applicable Overnight Rate to the date of repayment, shall have been received by such Lender.

SECTION 10.14 USA PATRIOT Act. Each Lender that is subject to the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the “**Act**”) and the requirements of the Beneficial Ownership Regulation hereby notifies the Loan Parties that pursuant to the requirements of the Act or any other Anti-Money Laundering Laws and the Beneficial Ownership Regulation, it is required to obtain, verify and record information that identifies the Loan Parties, which information includes the names, addresses and tax identification numbers of the Loan Parties and other information that will allow such Lender to identify the Loan Parties in accordance with the Act or such Anti-Money Laundering Laws and the Beneficial Ownership Regulation.

SECTION 10.15 No Advisory or Fiduciary Responsibility.

(a) In connection with all aspects of each transaction contemplated hereby, each Loan Party acknowledges and agrees, and acknowledges its Affiliates’ understanding, that (i) the facilities provided for hereunder and any related arranging or other services in connection therewith (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document) are an arm’s-length commercial transaction between the Loan Parties and their respective Affiliates, on the one hand, and the Administrative Agent, the Arranger and the Lenders, on the other hand, and the Loan Parties are capable of evaluating and understanding and understands and accepts the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents (including any amendment, waiver or other modification hereof or thereof), (ii) in connection with the process leading to such transaction, each of the Administrative Agent, the Arranger and the Lenders is and has been acting solely as a principal and is not the financial advisor, agent or fiduciary, for the Loan Parties or any of their respective

Affiliates, stockholders, creditors or employees or any other Person, (iii) none of the Administrative Agent, the Arranger or the Lenders has assumed or will assume an advisory, agency or fiduciary responsibility in favor of the Loan Parties with respect to any of the transactions contemplated hereby or the process leading thereto, including with respect to any amendment, waiver or other modification hereof or of any other Loan Document (irrespective of whether any Arranger or Lender has advised or is currently advising the Loan Parties or any of their Affiliates on other matters) and none of the Administrative Agent, the Arranger or the Lenders has any obligation to the Loan Parties or any of their Affiliates with respect to the financing transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents, (iv) the Arranger and the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from, and may conflict with, those of the Loan Parties and their respective Affiliates, and none of the Administrative Agent, the Arranger or the Lenders has any obligation to disclose any of such interests by virtue of any advisory, agency or fiduciary relationship and (v) the Administrative Agent, the Arranger and the Lenders have not provided and will not provide any legal, accounting, regulatory or tax advice with respect to any of the transactions contemplated hereby (including any amendment, waiver or other modification hereof or of any other Loan Document) and the Loan Parties have consulted their own legal, accounting, regulatory and tax advisors to the extent they have deemed appropriate.

(b) Each Loan Party acknowledges and agrees that each Lender, the Arranger and any Affiliate thereof may lend money to, invest in, and generally engage in any kind of business with, any of Loan Parties, any Affiliate thereof or any other person or entity that may do business with or own securities of any of the foregoing, all as if such Lender, Arranger or Affiliate thereof were not a Lender or Arranger or an Affiliate thereof (or an agent or any other person with any similar role under the credit facilities) and without any duty to account therefor to any other Lender, the Arranger, the Loan Parties or any Affiliate of the foregoing. Each Lender, the Arranger and any Affiliate thereof may accept fees and other consideration from the Loan Parties or any Affiliate thereof for services in connection with this Agreement, the Credit Facilities or otherwise without having to account for the same to any other Lender, the Arranger, the Loan Parties or any Affiliate of the foregoing.

SECTION 10.16 Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

- (a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and
- (b) the effects of any Bail-In Action on any such liability, including, if applicable
- (i) a reduction in full or in part or cancellation of any such liability;

- (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or
- (iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

SECTION 10.17 Erroneous Payments.

(a) Each Lender hereby agrees that (x) if the Administrative Agent notifies such Lender that the Administrative Agent has determined in its sole discretion that any funds received by such Lender from the Administrative Agent or any of its Affiliates (whether as a payment, prepayment or repayment of principal, interest, fees or otherwise; individually and collectively, a “**Payment**”) were erroneously transmitted to such Lender (whether or not known to such Lender), and demands the return of such Payment (or a portion thereof), such Lender shall promptly, but in no event later than two (2) Business Days thereafter, return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender to the date such amount is repaid to the Administrative Agent at the greater of the Overnight Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect, and (y) to the extent permitted by applicable law, such Lender shall not assert, and hereby waives, as to the Administrative Agent, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Payments received, including without limitation any defense based on “discharge for value” or any similar doctrine. A notice of the Administrative Agent to any Lender under this Section 10.17 shall be conclusive, absent manifest error.

(b) Each Lender hereby further agrees that if it receives a Payment from the Administrative Agent or any of its Affiliates (x) that is in a different amount than, or on a different date from, that specified in a notice of payment sent by the Administrative Agent (or any of its Affiliates) with respect to such Payment (a “**Payment Notice**”) or (y) that was not preceded or accompanied by a Payment Notice, it shall be on notice, in each such case, that an error has been made with respect to such Payment. Each Lender agrees that, in each such case, or if it otherwise becomes aware a Payment (or portion thereof) may have been sent in error, such Lender shall promptly notify the Administrative Agent of such occurrence and, upon demand from the Administrative Agent, it shall promptly, but in no event later than two (2) Business Days thereafter, return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect.

(c) The Company and each other Borrower hereby agrees that (x) in the event an erroneous Payment (or portion thereof) is not recovered from any Lender that has received such Payment (or portion thereof) for any reason, the Administrative Agent shall be subrogated to all the rights of such Lender with respect to such amount and (y) an erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Company or any Borrower, except to the extent such erroneous Payment is, and solely with respect to the amount of such erroneous Payment that is, comprised of funds received by the Administrative Agent from the Company or any Borrower for the purpose of making a payment to satisfy any of the Obligations. Notwithstanding anything to the contrary herein or in any other Loan Document, the provisions of this Section 10.17 relating to Payments (including the preceding two paragraphs and this paragraph) will not constitute, create or otherwise alter any Obligations on the part of the Company or the Borrowers under the Loan Documents or otherwise.

Each party's obligations under this Section 10.17 shall survive the resignation or replacement of the Administrative Agent or any transfer of rights or obligations by, or the replacement of, a Lender, the termination of the Commitments or the repayment, satisfaction or discharge of any or all Obligations under any Loan Document.
